September 10, 2019

IMPORTANT INFO

SAFETY INFORMATION:

All visitors must check in at the front office with valid photo ID.

- Walkers will not be dismissed before the car rider line is through (approximately 2:20). This prevents students from crossing the car rider line and keeps our students safe.

* **GOTR registration opens on Tuesday, September 3rd** The program is for 3-5th grade girls, and we have financial aid available. Visit girlsontherununion.org.

Forest Hills Cluster Elementary Night has been moved to Friday, October 11th at 7:30 PM at the **Forest Hills High School football game**. As future Yellowjackets, students will enter free with paid adult admission and will be honored during the halftime show.

Mark your calendars for the **Randy Travis Festival on Saturday, September 21st!** All Marshville students are invited to perform at the festival at 9 AM!

A few messages from our PTA:

- **Box Tops** have gone digital! Download the app and scan your shopping receipts to start earning money for our school.
- Visit **Amazon Smile** at smile.amazon.com and select Marshville Elementary School PTA as your charity as another way to earn money for our school.
- For just \$5 a day you can **rent the Spirit Rock** in front of the school. Visit our front office to fill out the form or contact the PTA to reserve.

HELP US REACH OUR DAILY ATTENDANCE GOAL OF:

96%

UPCOMING EVENTS

9/30	No School-teacher workday

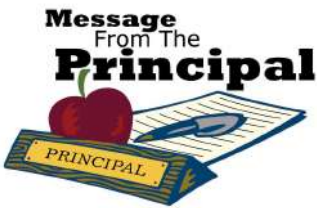

Dates: September 16-20 2019

Start saving your pennies for this years **penny war!** PTA will be holding a penny war during spirit week this year on the stage during lunch time. Bring in your change and help to win your grade level a popsicle party!

Rules:

Each **grade level** has a **bucket** on stage during lunch.

- Add pennies, nickels, dimes, or quarters to **YOUR** grades bucket to collect points.
- Add dollars to **OTHER** grades buckets to make them lose points.
- The grade with the most points at the end of the penny war receives a popsicle party!

Dear Marshville Families,

As you may have heard, the official testing results for the 2018 - 2019 school year have been released. I am proud to announce that Marshville Elementary sustained their previous overall growth! While with a School Performance Grade of a C, our students met growth in all academic areas - reading, math and science. In fact, our students grew over 23 points in science - that's nearly two letter grades!

This news is evidence of the hard work of our students and staff. Our school performance grade is calculated based on standardized test results in 3rd - 5th grade, so we recognize and celebrate our 3rd - 5th grade teachers for all of their hard work getting our students ready. We also recognize our K-2 teachers for preparing our students in the early grades, our special area teachers for engaging our students in the arts and physical education, and assistants and other area teachers for meeting the needs of every child. We also recognize the work of our community and our families. They say "it takes a village to raise a child, and this is evidenced in our Marshville family.

However, standardized test scores only give us part of the story. Our teachers have shown that they are moving our students academically through all measurable standards, but we also must acknowledge the work they put into our student by building character - teacher students to be kind, to respect each other and to work hard.

Looking forward to another great school year!

**Advancement
Via Individual
Determination**

Vision - All students will have access to a path of success.

Mission - To ensure all students will:

- Demonstrate writing, inquiry, collaboration, organization and reading skills
- Utilize organizational skills
- Develop self-reflective skills
- Become responsible for their own learning and success
- Successfully make the transition to middle school
- Close the achievement gap by preparing all students for college readiness and success in a global society

Purposes

- To cultivate intrinsic motivation by creating a vision of academic success, and creating a belief that academic rigor is expected, possible and attainable. When all of this is in place, positive self-esteem and self-confidence will follow.
- To create better students and teachers through a consistent way to think and process information
- To provide equal access to AVID methods for all students
- To create a bridge between elementary and middle school

-Mrs. Licata
