WELCOME TO THE 2021-2022 SCHOOL YEAR!

WE CANNOT WAIT TO MEET YOU!

The Shirley Hills Primary School PTA plays an active role within our school community. The PTA hosts monthly meetings during the school year which are

attended by Principal Eidsness and at least one teacher. During PTA meetings, you will receive updates on school events with the opportunity to ask questions. There truly is no better way to be in-the-know at school! Not only will you benefit by meeting

new people along the way, but your child will see and appreciate your involvement within the school and the importance you place on education. Research has shown that children perform better when parents are involved at home and in school. Be a great role model while giving back! The PTA raises funds to provide MANY amazing resources for our children. For instance, the PTA funded iPads for every child, the playground, the outdoor classroom and new Media Center furniture. Are you ready to make a difference?

PTA meetings are always on Mondays from 6:30pm-8:30pm. FREE Childcare is offered while parents attend the meeting. Mark your calendars!
