

Shakopee Public Schools is pleased to offer a Youth Orchestra. Offered through Shakopee Community Education, this 12 week session will be a great introductory orchestra experience for 5th and 6th graders. Students meet on Saturday mornings for a 1.5 hour rehearsal, and the first rehearsal begins on January 24. No experience is required. Books are included, but families will need to rent an instrument (music store rental information available at our Orchestra Information Night).

Our experienced orchestra director Kyrsten Darby guides and teaches the students in large group rehearsal each week. There will be a spring "concert" on May 2 in the high school auditorium at 10:30 am.

Our goal is to grow this orchestra program in age, instruments and size over the next few years.
