

Please note:

Google Slides does not support the animations I added to this presentation.

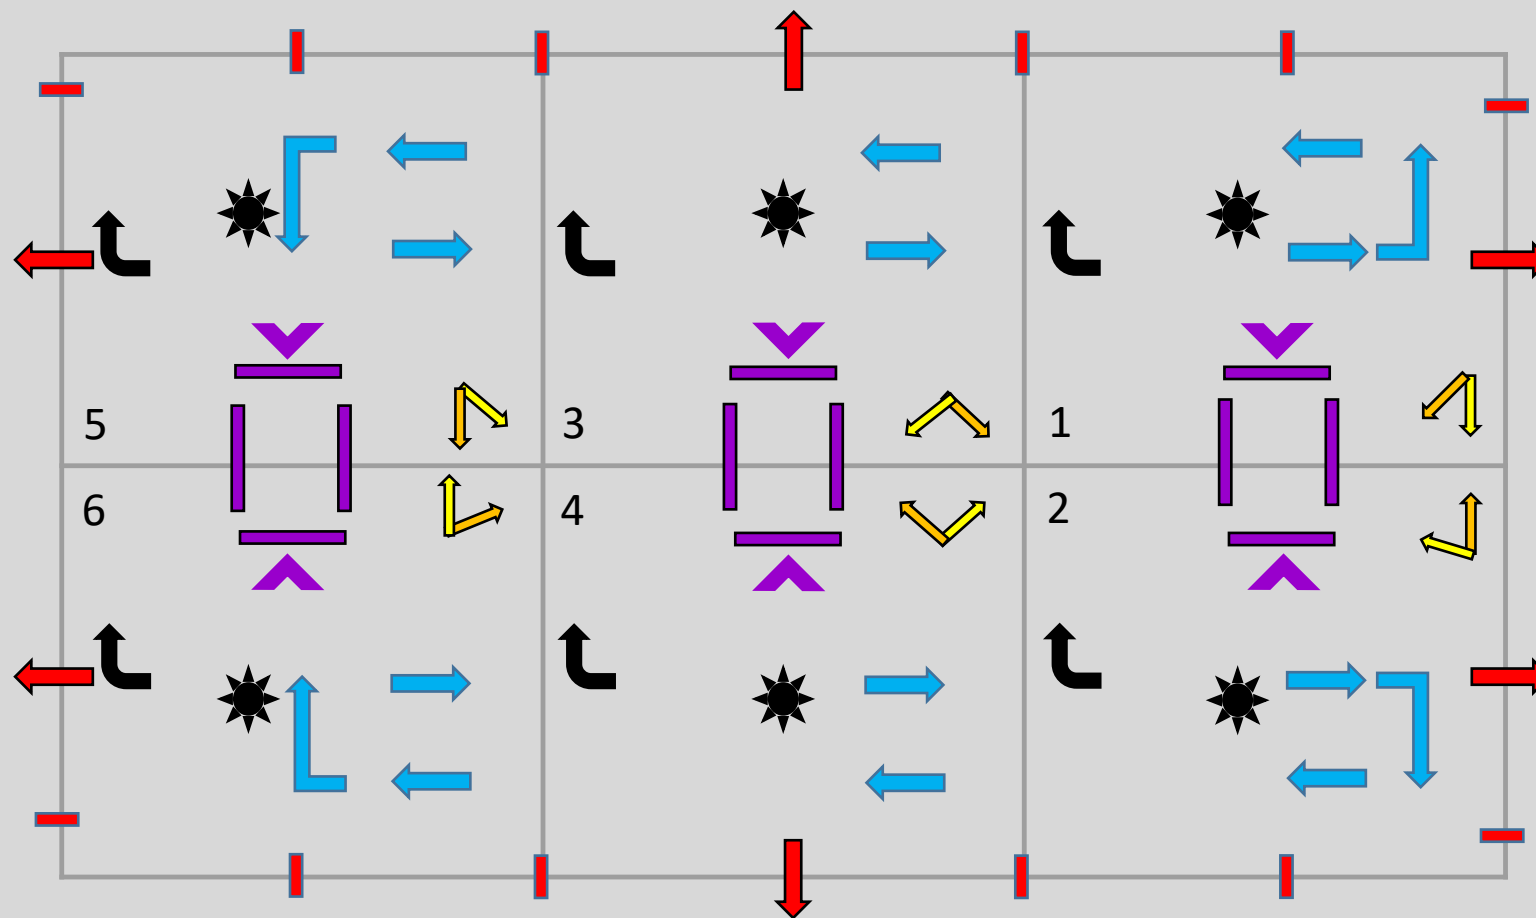

In order to best view and use this slide show, I recommend going to File -> Download -> Microsoft PowerPoint and opening it to use in PowerPoint.

Reach out with any questions!

Bass-Jo Dance

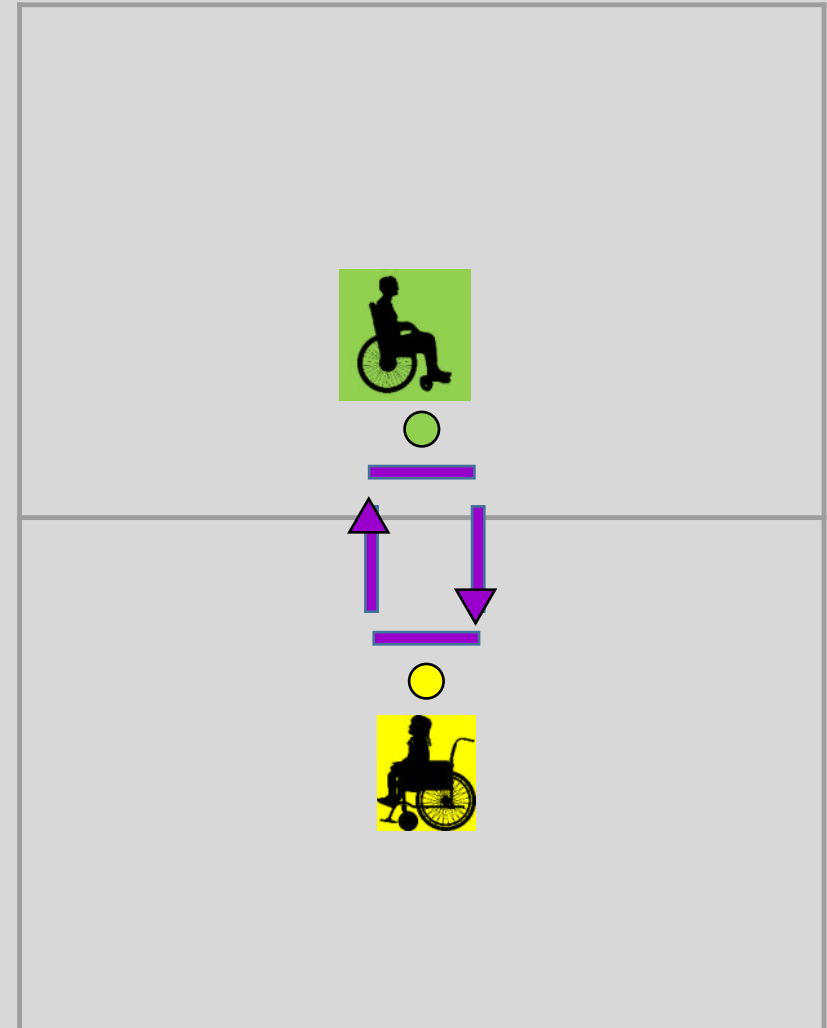

Dance Floor Markings

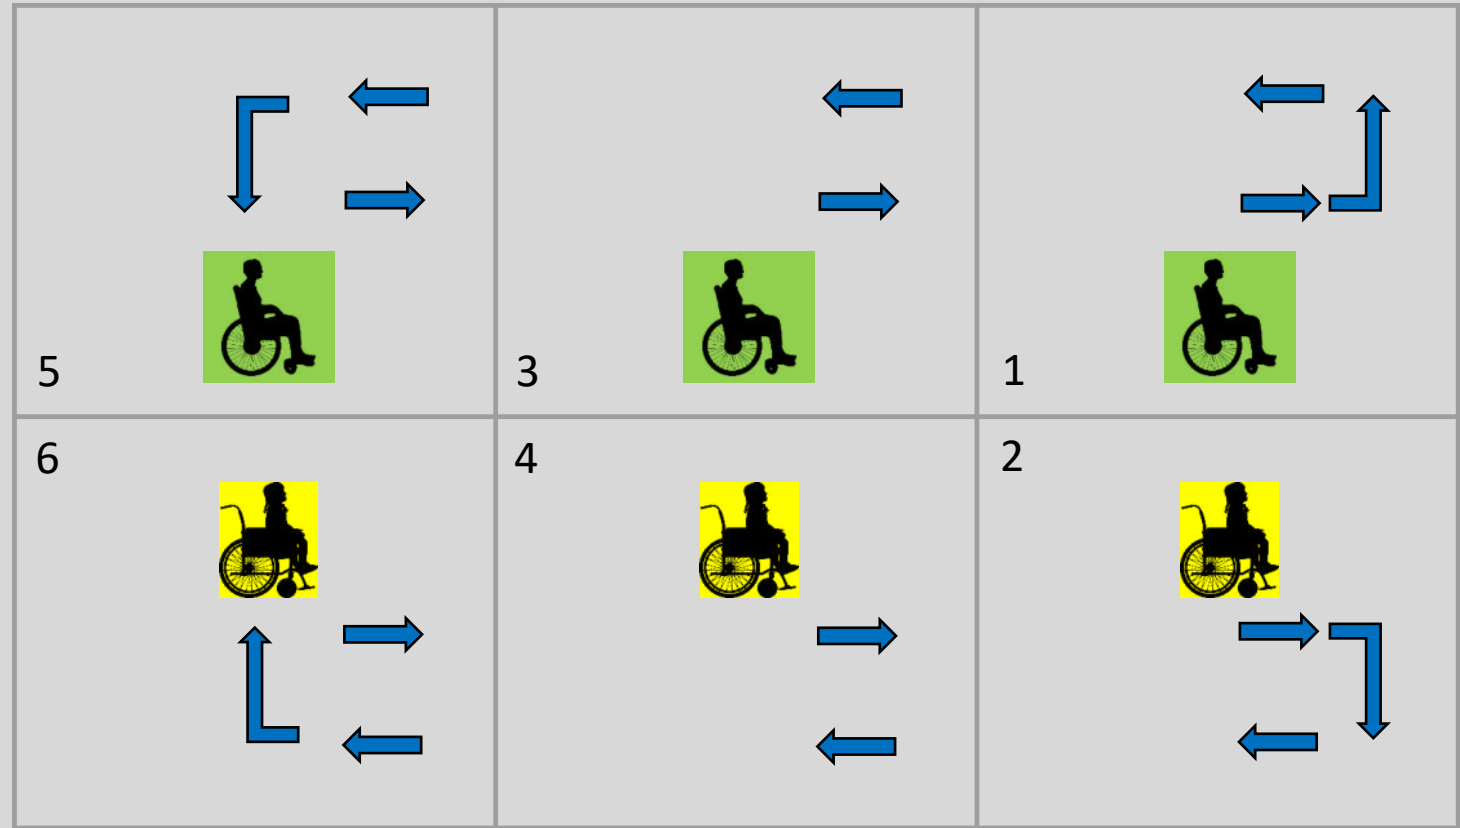

Do-Si-Do

- Face your partner
- Move past each other, passing on the right
- Go back to back
- Move backwards back to your starting position in front of your partner

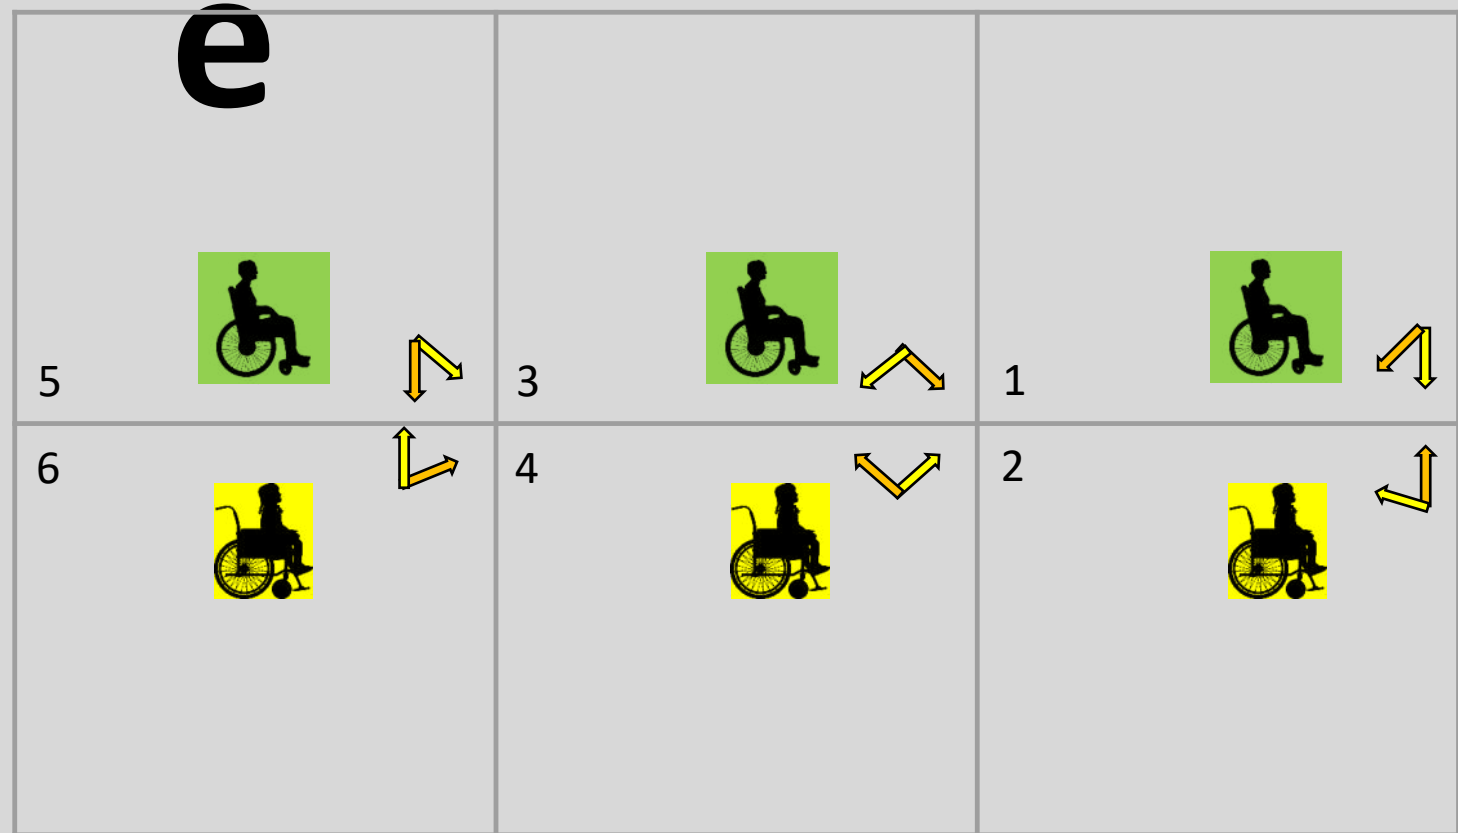

Promenade

- Come to the middle and face your partner
- Move together down the row of squares
- At the last square, turn out and circle back through the squares until you reach your home position

Weave

- Follow the same colored arrow and cross back and forth into opposite squares
- When you get to the end, come back the opposite direction, following the other colored arrows, until you return to your square

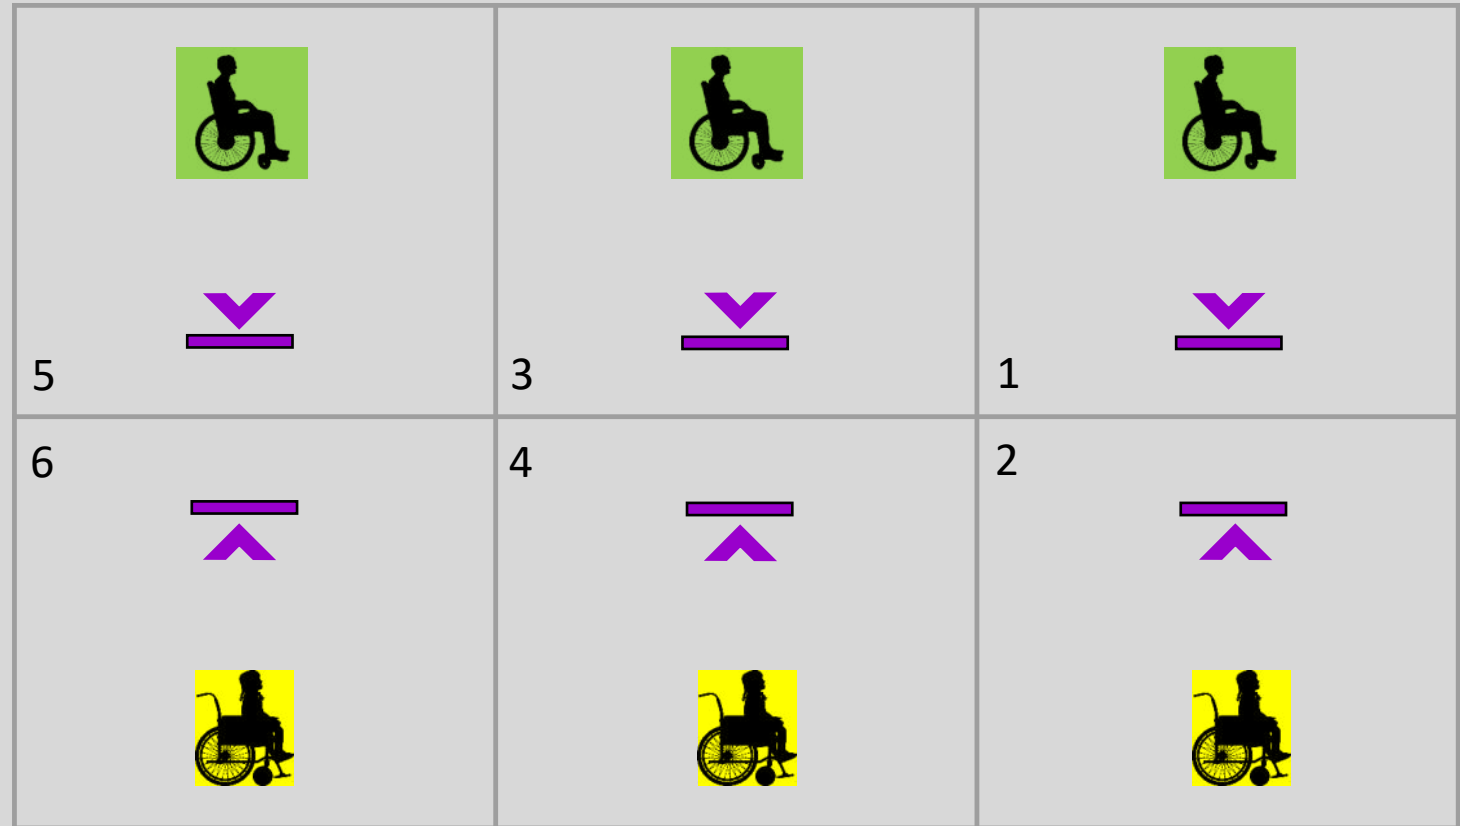

Swing

- Circle in a full 360 degrees in the center of your square

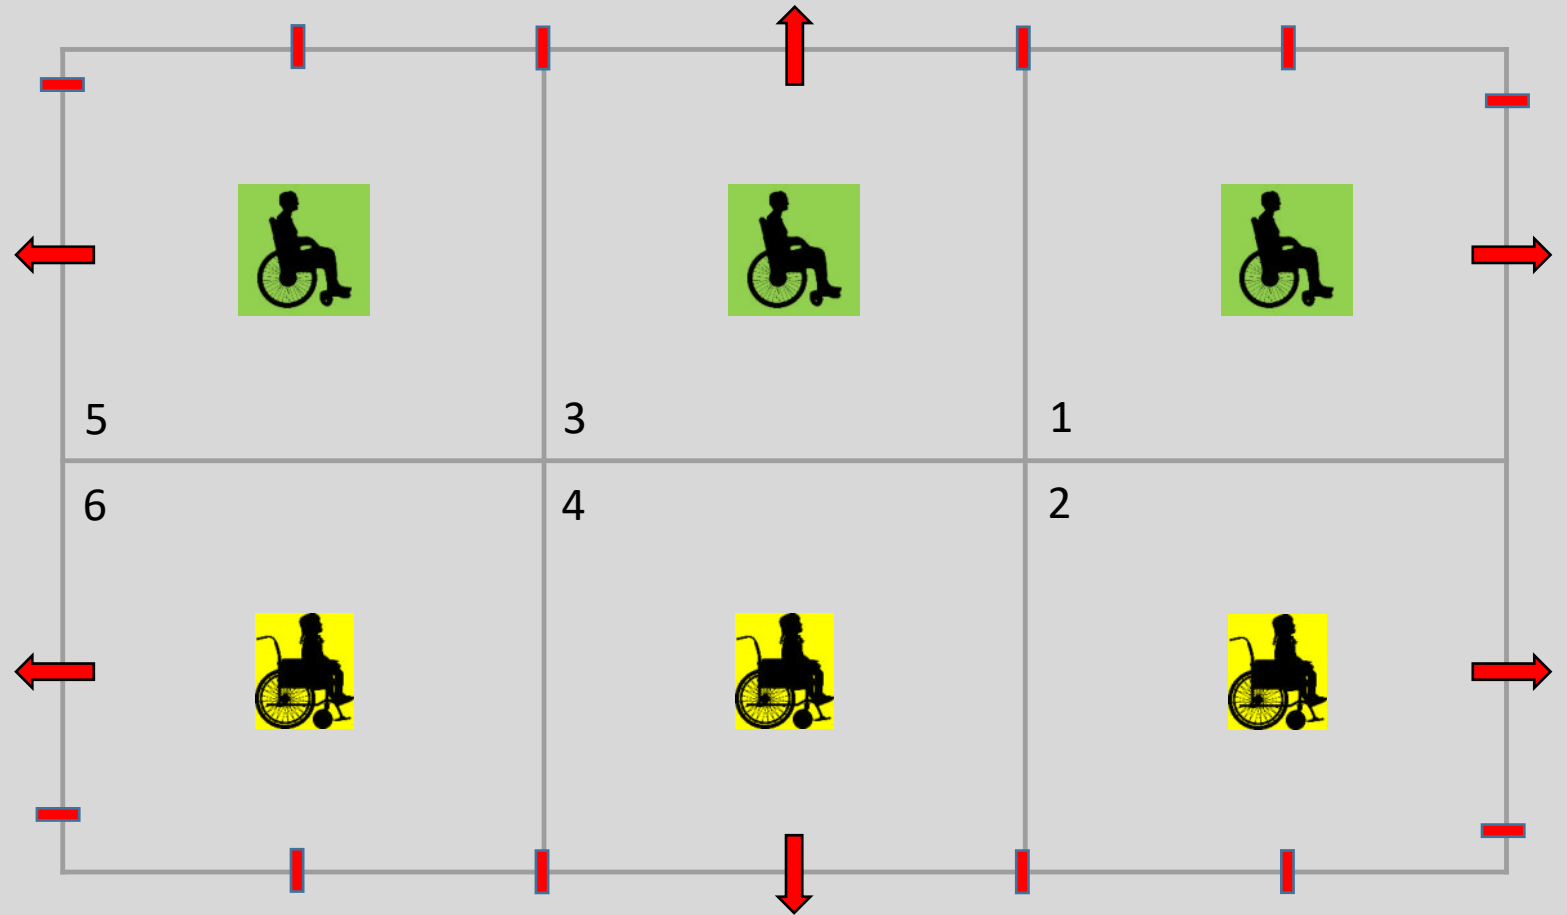

All In

- Everyone faces their partner
- Move into the center of their square and stop at the designated spot
- Yell out a, Woo!

Circle Left/Right Grand

- Caller designates a direction to travel
- Everyone exits at their designated arrow
- Everyone travels left/right maintaining appropriate spacing between each other

Box Trot

- Everyone moves in a clockwise direction around their box until they get back to their starting position
