303 Blue Devil Way  
Sharpsville, PA 16150  
724-962-7863

Dear Parent(s)/Guardian(s),

Hi, my name is Mrs. Nespor and I will be your child's math teacher this school year. I have high expectations for all of my math students. The goal in math class is for everyone to be successful. This success requires all students to put forth their very best effort. I hope your child will leave my class with a positive experience and a greater understanding of mathematics.

To be successful in mathematics this year, it is important that your child comes to class prepared. Your child will need to purchase a binder, notebook paper and pencils. All assignments and notes will be kept in the binders and all assignments should be done in pencil. Your child's textbook and a TI-73 calculator will be provided by the school district. The calculators are for in class use only. If you would like to purchase a calculator for use outside of class, we suggest a TI-73 or a TI-84 calculator.

Your child has a copy of the course description, class rules and grading procedures. Please review this with your child and sign the information sheet included. Encourage your child to attend class everyday and to do the homework assignments. Your child can have a successful year if we work together.

If you have any questions or concerns, please feel free to contact me at the school at 724-962-7863 Ext. 2002 or email me at [mnespor@sasdpride.org](mailto:mnespor@sasdpride.org) Email is the quickest way to reach me.

Sincerely,

*Mrs. Michele Nespor*
