Reviewed story words	happy
New high-frequency words	next, than, these
Special considerations	inflectional endings -ed, -ing, -s; plural ending -s; possessive 's

Shelly Shrek had a shell shop.  
Her shop was next to lots of ships.

Shane Shrek liked shells.  
He rushed to Shelly's Shell Shop  
to shop for shells.  
He had lots of cash.

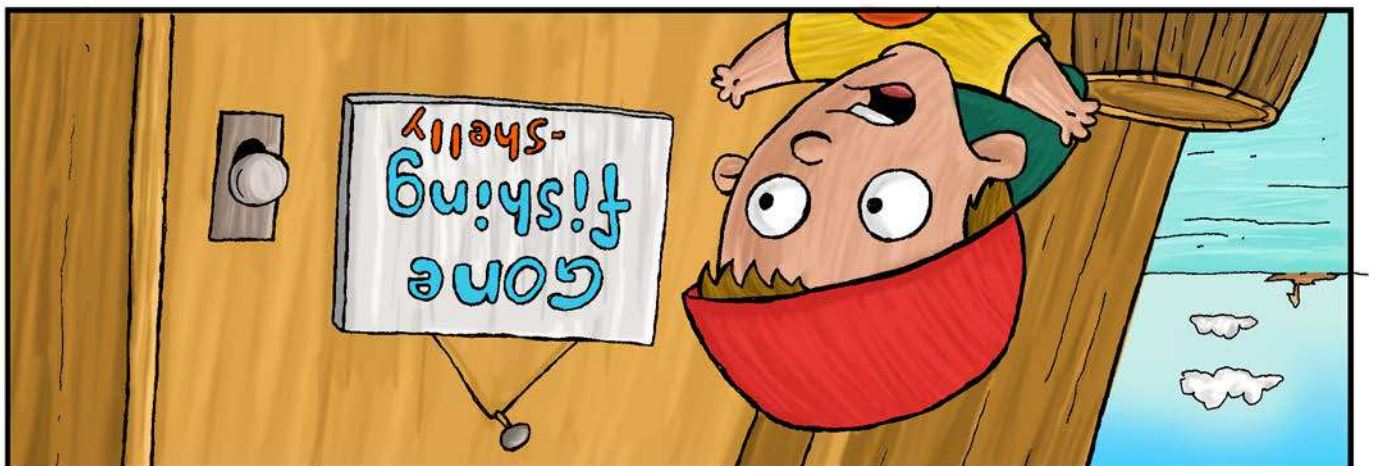

When Shane got to the shell shop,  
it was shut.

A note said, "Gone fishing."  
Shelly had gone on a big ship  
to fish for shrimp.

Shane was not happy.  
He was mad that Shelly had shut her  
shell shop to go fishing.

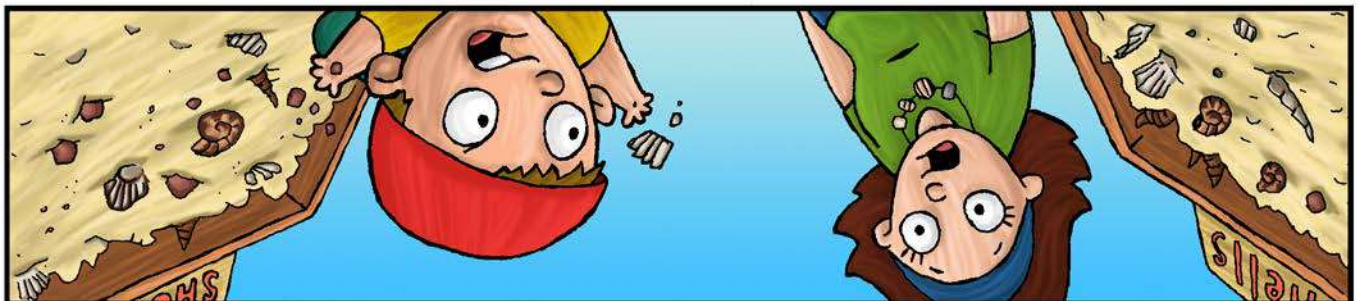

Shane dashed to the next shell shop.  
It was Trish's Shell Shed.  
But Trish's shells were  
not as good as Shelly's shells.

"These shells are in bad shape,"  
Shane said to Trish.  
She was crushed by what Shane said.

“My shells are not trash,” said Trish.

“I wish you would take your cash  
and get out of my shell shop.”

Shane dashed from Trish's Shell Shed.  
He went to Stan's Fish Shop.  
He spent his cash on  
fresh fish and shrimp.
