## Show off Your Knowledge

Your mission is to write about a topic you know a lot about. Perhaps you know everything about the Mexican soccer team--you know each player and where they are from and what their strengths and weaknesses are. Or maybe you have a passion for makeup and you spend hours and hours watching tutorials. We all have things we obsess over and have passions about, and now is your chance to display your knowledge on something that interests you.

In 250 words or more, show off your knowledge on a topic of your choice. If Minecraft is your thing, then write about the nuances of Minecraft. If you love playing fantasy football, then write about your gameplan when it comes to fantasy football.
