

SHAKOPEE HIGH SCHOOL

Parent Connections - April 2017

Greetings Shakopee High School Parents/Guardians,

Now that Spring Break is in the rear view mirror, we now look ahead to April and increasing temperatures! It is hard to imagine that we only have about 7 weeks left in the school year. All of the spring sports and activities are underway and prom is right around the corner. Please be sure to check our website for all of

the exciting things going on in and around our school.

I thought I would share some recent pictures of our ongoing construction project. It is truly amazing how quickly these structures are going up. I'm looking forward to seeing our new competition gym this fall. I'm also looking forward to more parking spaces next year!

As always, thank you for sharing your students with us. My best day is any day I get to work directly with them. They are awesome!

Go Sabers!

Parking Updates

- All parking permits are sold out at this time.
- There is a waiting list for parking permits. If your student is not on the waiting list and would like to be, have them stop by the main office to be added to the list.
- If you already have a parking permit and you lose your permit (sticker), you will have to purchase a new sticker at the full price of \$60.
- Students who drive to school, who do not have a parking permit, can park on Townline Ave or Koeper Ave.
- Parents/guardians who are picking up or dropping off students, should **enter from 17th Ave** and use the new loop near the main entrance of the building.
- Parents/guardians picking up their students are encouraged to wait until 3:15 p.m. to allow traffic congestion to ease. This traffic pattern is similar to the way it was last year.
- Students with parking permits should park in the East lot in the area closest to the ELC (the Southside of the lot) or in the newly constructed lot just off Spencer St./Townline Ave. **Students will need to enter the lots from Spencer St./Townline Ave.** Once parked, students will enter the building through the main entrance.
- Visitors should park on the Northside (bus loop) of the building and enter through the main entrance of the building.

We would like to thank our parents/guardians, students, and staff

for their patience during this time and to the Shakopee Police Department with their help with traffic management.
