

Jackson Public School District

School Improvement Monthly Updates

School Brown Elementary Principal Zackery Hodge Date 3/30/2018

Highlight your school's status: Focus Priority School-at-Risk

1. School Goals and Progress towards goals (TAP 1)

What is the school's mission? The mission of Brown Elementary is to teach scholars how to think critically by engaging them in rigorous and diverse learning opportunities.

What is the school's vision? Our vision is to create a learning environment that fosters each child's full academic potential to produce literate, competent, responsible student who will be able to reason critically and become functioning and productive members of the school, community, and the broader society.

What are the school's academic goals? Complete the chart below.

	2016-2017 (Achieved Data)	2017-2018 (Projected Goals)
Reading Proficiency	11	20
Math Proficiency	9	20
Reading Growth for All	40	50
Math Growth for All	22.6	58
Reading Growth of the Promising 25%	58.6	65
Math Growth of the Promising 25%	35.7	65
Science Proficiency	45.5	50

What is the school's Action Plan to achieve the Projected Goals? Include how the School Leadership Team (SLT) and District Leadership Team (DLT) contributed to this Action Plan.

The School Leadership Team Action Plan to achieve the Projected Goals are:

- 1) Increase student proficiency in ELA, Math, and Science by providing rigorous tier 1 small group instructional practices.
- 2) Ensuring growth for all students via individualized learning plans and intense tier 2 and tier 3 interventions.
- 3) Increase teacher capacity through researched based professional development, Job-Alike training, instructional feedback, learning walks and peer observations.

The SLT meets on a regular bases to evaluate instructional and behavioral data to determine modifications to ineffective systems. The DLT contributes to the action plan by evaluating data for strategic planning, provide training, and professional development.

2. Plans for providing Professional Development for Teachers (TAP 2, 5)

Jackson Public School District

School Improvement Monthly Updates

School Brown Elementary Principal Zackery Hodge Date 3/30/2018

What professional development activities has your staff participated in or plan to participate in this month?

Discuss professional development opportunities provided by MDE, JPS, and/or at School-level or any other external opportunity.

- Learning Walk at Key Elementary- Effective Instructional Practices (School-Level): Grades 1st, 3rd- 5th and Administrators visited Key Elementary to observe small group and center instruction in areas of Reading and Math. Teachers were given specific targets to observe (ie. Anticipatory sets, concrete modeling strategies used, routines and pacing, teacher engagement, simultaneously engaging multiple learning styles)
- W.O.W. High Quality Student Work (School-Level): Teacher will analyze researched-based literature on high student work. Teachers will compare and contrast high-quality student work samples to moderate and low-quality student work. A rubric on effective student work will be reviewed and a schedule of peer observation will be put in place for peer observation. Feedback will be provided in scheduled PLC.
- MDE Learning Walk: Literacy Coach and Leadership Team participated in a learning walk to observe instructional/ environmental practices and provided recommendations for next steps.
- Kindergarten: Version 2.0 - Looking at the Kindergarten Through a New Lens (Kindergarten Principals)- MDE discussed new Kindergarten guidelines and audit requirements.

3. Update on Instruction/Assessment (TAP 5)

Discuss the results/progress that your students made from Benchmark 1 assessment to Benchmark 2 assessment.

5 th	78.7	38.3	51.1

Note: Scholars began the 4th Quarter reading campaign on March 19, 2018. Each grade level is on target to be below 20% At-Risk by May 18, 2018.

Jackson Public School District

School Improvement Monthly Updates

School Brown Elementary Principal Zackery Hodge Date 3/30/2018

4. Culture and Climate (TAP 6)

What has been done to promote a positive learning environment? (Discuss specific PBIS activities and/or community outreach)

- Honors and awards program (Each nine-weeks)
- Accelerated Reading Celebrations (Minute to Win It Celebration)
- Bi-weekly PBIS class celebrations rewards and Monthly School celebrations
- Students and Staff of the Month Reward

5. Family and Community Engagement Opportunities (TAP 7)

Provide specific examples of parent and community engagement activities.

- 3rd Grade Community Chat (Being Engaged for Gate Success)
- 3rd, 4th, and 5th Grade Community Chat (Gearing up for State Assessments)
- 24 students participated in Saturday School on March 24, 2018. Parents were also invited to participate
- 24 students and parents will participate in Saturday School on April 7th and April 14, 2018.

Update on P16/Site Council and their engagement in the school improvement process.

Site council has assisted with:

- Strategic planning for setting academic and behavioral goals.
- Developing community engagement for reading and math.
- School planning for a safe learning environment.

6. Staff and Student Attendance (TAP 5)

Student ADA: 94.96% ADA

Staff ADA: 91.82% ADA

7. Summary of Services provided by external providers/progress made (TAP 8), if applicable.

Discuss the services that an external provider rendered and the progress made towards the school's goals. Be specific in discussing the data.

N/A

8. Summary of newly allocated resources and impact on student outcomes (TAP 8), as applicable.

Discuss how you will use your current Title 1 funds to impact student outcomes for this year. Focus and Priority Schools, discuss how you are using your 1003a funds from the fall to impact student outcomes.

Title 1 funds has imparted outcome in the following ways

Jackson Public School District

School Improvement Monthly Updates

School Brown Elementary Principal Zackery Hodge Date 3/30/2018

- 1) Instructional assistants has helped with providing tier two interventions in reading and math.
- 2) Math, reading, and science instructional resources were purchased to provide parents and students with instructional enrichment and support tools that can be utilized at school and at home.

1. School Goals and Progress towards goals (TAP 1)

What is the school's mission? To educate every child, every day, in every way.

What is the school's vision? To have a collaborative school culture and a student centered learning environment that prepares all students for success.

What are the school's academic goals? Complete the chart below.

	2016 -2017 (Achieved Data)	2017 – 2018 (Projected Goals)
Reading Proficiency	12.5%	18.5%
Math Proficiency	8.6%	15.0%
Reading Growth for All	49.8%	59.0%
Math Growth for All	29.4%	38.0%
Reading Growth of the Promising 25%	72.2%	85.0%
Math Growth of the Promising 25%	40.9%	56.0%
Science Proficiency	51.9%	60.0%
Total Points	265/F	332/C

What is the school's Action Plan to achieve the Projected Goals? Include how the School Leadership Team (SLT) and District Leadership Team (DLT) contributed to this Action Plan.

❖ The following strategies will be utilized to meet the projected goals:

- Accelerated Reader, Classworks, Fast ForWord, Academy of Reading/Math, Moby Max, Learning Farm
- Daily reading of informational texts
- Daily fluency drills in math
- Writing Across Curriculum
- Bell-to-bell instruction that is aligned to state standards and district pacing, supported through ongoing remediation and interventions
- All resource personnel assisting students to reach proficiency
- Students will be moved to another teacher's classroom to receive additional support (Co-teaching)

The SLT and DLT contributed by working collaboratively to rate indicators, refine goals, and develop action steps. Through ongoing Site Council Team, PTA, SLT, DLT, and Parent Meetings, stakeholders will have an opportunity to discuss school level data and progress towards the action plan.

School Improvement Monthly Updates

School French Elementary School Principal R. Clark Date March 30, 2018

Highlight your school's status: Focus Priority School-at-Risk

1. School Goals and Progress towards goals (TAP 1)

What is the school's mission? The mission of French Elementary is to provide learning experiences that address each child's immediate needs by preparing life-long learners in a safe, warm, and caring environment.

What is the school's vision? To educate the whole child so that he or she develops academically, personally, and socially.

What are the school's academic goals? Complete the chart below.

	2016 -2017 (Achieved Data)	2017 – 2018 (Projected Goals)
Reading Proficiency	7.6%	20%
Math Proficiency	11%	25%
Reading Growth for All	34%	65%
Math Growth for All	22.7%	55%
Reading Growth of the Promising 25%	50%	65%
Math Growth of the Promising 25%	26.7%	65%
Science Proficiency	58.8%	68%

What is the school's Action Plan to achieve the Projected Goals? Include how the School Leadership Team (SLT) and District Leadership Team (DLT) contributed to this Action Plan.

The district leadership team and the principal meets to analyze data, discuss the progress of implementation of the school improvement plan, and make recommendations for revisions and re-adjust as needed. The principal, after meeting with the district leadership team, meets with the school level leadership team and disseminates data that was provided. The team analyzes the data and reviews any recommendations provided in order to make the necessary adjustments as needed. This information is then shared with the staff during our FIT, MTSS, Staff, and/or PBIS meeting.

School Improvement Monthly Updates

School John Hopkins Principal Dr. Donald Black Date April 11, 2018

Highlight your school's status: Focus Priority **School-at-Risk**

1. School Goals and Progress towards goals (TAP 1)

What is the school's mission? The mission of John Hopkins Elementary School is to provide a quality education for all students provided by the faculty and staff, promoting positive behavior, maintaining safe and orderly environment, and acquiring a knowledge base to become a lifelong learner.

What is the school's vision? The vision for John Hopkins Elementary is to become a high performing school that services high performing scholars in a clean, safe environment where every scholar, every day is ready for life. Our theme is entitled 'Begin with the End in Mind'.

What are the school's academic goals? Complete the chart below.

	2016 -2017 (Achieved Data)	2017 - 2018 (Projected Goals)
Reading Proficiency	14%	24% (10)
Math Proficiency	7%	25% (18)
Reading Growth for All	26%	41% (15)
Math Growth for All	31%	45% (14)
Reading Growth of the Promising 25%	56.5%	65% (9.95)
Math Growth of the Promising 25%	56.5%	65% (9.95)
Science Proficiency	49%	65% (16)

What is the school's Action Plan to achieve the Projected Goals?

Commendations:

The Benchmark #2 data provided a snapshot of current learning taking place. A learning walk took place on April 3, 2018 and the following, commendations, recommendations, and next steps were provided: In terms of commendations, all classrooms have strong classroom management, and Pre-K-5 classrooms have high student engagement. Anchor charts are present, and classrooms are conducive to implementation of literacy centers. Many uses of the 4-square are visible throughout the school. Common planning across grade levels is apparent. There also is evidence of writing taking place throughout the school.

Jackson Public School District

School Improvement Monthly Updates

School John Hopkins Principal Dr. Donald Black Date April 11, 2018

Recommendations:

- “Revamp” classrooms : word walls and anchor charts must be fresh (so the room’s resources are built up with students)
- Ensure literacy centers are consistent, happen when they are supposed to (base on school expectations) and are standards based.
- Prioritize authentic student writing that is in response to text (and done weekly).
- Utilize word walls (incorporate into centers or whole group instruction)

Next Steps:

Create/Plan Kindergarten Thematic Units for the 2018-2019 School Year

“Re-think” and evaluate plan for intervening with urgent intervention students to ensure student growth

Ensure literacy centers are standards-based and rigorous (plan centers among grade levels)

MAAP State Testing (integrating centers, “test prep,” and writing as one, rather than separate preparation.

Provide enrichment support morning and afternoon to close the gap of deficient standards.

Who’s Responsible?

K Teacher (Mrs. Hendricks) and Ms. Sapanski (Literacy Coach)

1st- 5th Grade Teachers, 1st- 5th Grade Teacher Assistants, Asst. Principal and Principal

1st, 2nd ,3th ,4th ,5th Grade teachers, Teacher assistants, Asst. Principal and Principal
3rd-5th Grade, Asst. Principal and Principal

Date Completed

April 9, 2018 (and May visit if needed)

Begin in April

April 2018

Immediately (by April 3, 2018)

2. Plans for providing Professional Development for Teachers (TAP 2, 5)

What professional development activities has your staff participated in or plan to participate in this month? Currently, a learning walk took place and it was determined that the Literacy Coach will provide professional development on Monday, April 9, 2018, to build the capacity of the teacher to create standard specific centers with rigor. We will continue with peer observation. one on one meetings with the principal to disclose data, learning walks.

School Improvement Monthly Updates

School John Hopkins Principal Dr. Donald Black Date April 11, 2018

self-reflection, and self-evaluations are ongoing after all P.D.'s and are being uploaded for accountability.

3. Update on Instruction/Assessment (TAP 5)

Discuss the results/progress that your students made from Benchmark 1 assessment to Benchmark 2 assessment.

Provide an analysis of student data – benchmark or interim assessment

The data for benchmark #2 ATI have been fully administered. A fit meeting was held and lead by the principal.

Benchmark # 2 ATI: BASED ON BENCHMARK #2 THE OVERALL SCHOOL RATING AS OF DATE IS 272.01 (D) STATUS. BASED UPON PROJECTIONS DETERMINED WITH THE PERFORMANCE CALCULATOR.

Reading Proficiency:19.0% overall

Math Proficiency:15.0% overall

Reading Growth for All:50.37% overall

Math Growth For All:39.28% overall

Science:64.66% overall

The LEA will use the data to determine the re-teaching calendar that will be used prior to testing.

4. Culture and Climate (TAP 6)

What has been done to promote a positive learning environment? John Hopkins continues to promote a positive learning environment by celebrating students' mastery and conduct performance.

5. Family and Community Engagement Opportunities (TAP 7)

Provide specific examples of parent and community engagement activities.

Parent and community engagement included the following activities: A Writing Gala was held on April 11, 2015 to prepare our students for the writing portion of State testing and to encourage the future author in every child. Community leaders including a local author, judge, retired teacher and a college professor served as judges.

School Improvement Monthly Updates

School Johnson Elementary Principal Faith R. Strong Date March 30, 2018

Highlight your school's status: Focus Priority School-at-Risk

1. School Goals and Progress towards goals (TAP 1)

What is the school's mission? The mission of Johnson Elementary School is to develop responsible, lifelong, independent, successful scholars by meeting individual needs in a positive learning environment.

What is the school's vision? The vision at Johnson Elementary School is to become a caring school where all scholars gain the confidence to become productive lifelong learners.

What are the school's academic goals? Complete the chart below.

	2016 -2017 (Achieved Data)	2017 – 2018 (Projected Goals)
Reading Proficiency	11.0	25.0
Math Proficiency	9.0	20.0
Reading Growth for All	38.0	50.0
Math Growth for All	40.0	50.0
Reading Growth of the Promising 25%	66.0	70.0
Math Growth of the Promising 25%	51.0	60.0
Science Proficiency	48.6	55.0
Total Points	264 points (F)	330 points (C)

What is the school's Action Plan to achieve the Projected Goals? Include how the School Leadership Team (SLT) and District Leadership Team (DLT) contributed to this Action Plan.

The SLT consists of the principal, interventionist, counselor, classified personnel member, and the team leader of each grade level. As the action plan was developed by the SLT, the following strategies were included based on data outcomes from 2016-2017 in an effort to meet our 2017-2018 goals:

- Utilization of Informational Text, Fluency Drills in ELA & Math
- Use of Classworks and Fast ForWord
- Monthly progress monitoring (STAR Reading & Math)
- Bell-to-bell instruction aligned to state standards and district pacing, supported through ongoing remediation and interventions
- All personnel resources assisting students to reach proficiency and growth. (Interventionist, Librarian, Music, EE, and Open Doors Teacher)
- Alternating schedules to ensure students receive morning instruction in both ELA and Math

The DLT supports the actions outlined by the action plan by:

- Conducting bi-weekly Content Area planning sessions for teachers
- Conducting Area FIT meetings and data review sessions

1. School Goals and Progress towards goals (TAP 1)

What is the school's mission?

The mission of Lester Elementary School is to instruct, equip, and empower students for academic success in the classroom and beyond.

What is the school's vision?

The vision of Lester Elementary School is to create an instructionally engaging environment for scholars who will experience life-long academic success.

What are the school's academic goals? Complete the chart below.

	2016 -2017 (Achieved Data)	2017 – 2018 (Projected Goals)
Reading Proficiency	16%	26%
Math Proficiency	22%	33%
Reading Growth for All	44%	55%
Math Growth for All	33%	55%
Reading Growth of the Promising 25%	51%	65%
Math Growth of the Promising 25%	37%	50%
Science Proficiency	40%	55%

What is the school's Action Plan to achieve the Projected Goals? Include how the School Leadership Team (SLT) and District Leadership Team (DLT) contributed to this Action Plan.

The SLT consists of the principal, interventionist, counselor, classified personnel member, and the team leader of each grade level. As the action plan was developed by the SLT, the following strategies were included based on data outcomes from 2016-2017 in an effort to meet our 2017-2018 goals:

- Daily reading of informational texts and Math drills
- Use of ClassWorks, Fast ForWord, and MobyMax
- Monthly progress monitoring in STAR Reading & Math (K-5)
- Bell-to-bell instruction aligned to state standards and district pacing, supported through ongoing remediation and intervention based on formative and benchmark data as revealed through the FIT process after each assessment
- All personnel resources assisting students to reach proficiency and growth (Helping Hands)
- Alternating schedules to ensure students receive morning instruction in both ELA and Math
- Learning Walks with MDE personnel

The DLT supports the actions outlined by the action plan by:

- Conducting bi-weekly Content Area planning sessions for teachers
- Conducting Area FIT meetings and data review sessions

Date: March 30, 2018

- Conducting walk through visits and providing feedback

2. Plans for providing Professional Development for Teachers (TAP 2, 5)

What professional development activities has your staff participated in or plan to participate in this month? Discuss professional development opportunities provided by MDE, JPS, and/or at School-level or any other external opportunity.

School Level: FIT/Data Meetings for Benchmark 2 and Formative #6; State Assessment Training; Re-pacing Sessions (Item Analysis)

MDE: Word Masters (K-2)

JPS: Class Works, Area 2 Content Sessions, Area FIT/Data Sessions

3. Update on Instruction/Assessment (TAP 5)

Discuss the results/progress that your students made from MAAP to Benchmark 2 assessment.

	2016 -2017 MAAP (Achieved Data)	Benchmark 2 (Achieved Data)	Increase or Decrease
Reading Proficiency	16%	56%	+40
Math Proficiency	22%	33%	+11
Reading Growth for All	44%	92%	+48
Math Growth for All	33%	67%	+34
Reading Growth of the Promising 25%	51%	80%	+29
Math Growth of the Promising 25%	37%	61%	+24
Science Proficiency	40%	36%	-4
Total Points	243/F	425/B

4. Culture and Climate (TAP 6)

What has been done to promote a positive learning environment? (Discuss specific PBIS activities and/or community outreach)

- Student of the Month Recognition
- Staff Member of the Month Recognition (classified and certified)
- Team of the Month Recognition
- PBIS recognitions & "Put-Ups"
- Daily "Sweet Tweets" during announcements
- Student Council meetings/activities
- Honor Roll & Attendance recognition

5. Family and Community Engagement Opportunities (TAP 7)

Provide specific examples of parent and community engagement activities.

- Career Day
- Kindergarten Round-Up
- 5th Grade Transition visit to Peebles Middle School
- Report Card pick-ups and parent-teacher conferences
- Collaboration with JSU (students serving volunteer hours as tutors for struggling students)

Update on P16/Site Council and their engagement in the school improvement process.

The Site Council is engaged in the school improvement process during Site Council Meetings and also in the development of the school wide action plan. The Site Council also provides insight and suggestions on resources and opportunities to include parents and the community alike in efforts to increase our school's performance.

6. Staff and Student Attendance (TAP 5)

Student ADA—96.89% (March ADA forthcoming)

Staff ADA—93%

7. Summary of Services provided by external providers/progress made (TAP 8), if applicable.

Discuss the services that an external provider rendered and the progress made towards the school's goals. Be specific in discussing the data.

Jackson Public Schools

Jackson Public School District

School Improvement Monthly Updates

School: Lester Elementary Principal: DeLacy Bridges

Date: March 30, 2018

Currently, our school receives assistance from an MDE Literacy Coach. She provides teachers with instructional resources, models instruction, provides instructional feedback and professional development for the staff. She also assists them with data analysis after each progress monitoring cycle. As a result, 67% of Kindergarteners, 43% of 1st graders and 56% of 2nd graders scored At/Above Proficiency on the most recent screeners for Star Early Literacy and Star Reading.

8. Summary of newly allocated resources and impact on student outcomes (TAP 8), as applicable.

Discuss how you will use your current Title I funds to impact student outcomes for this year. Focus and Priority Schools, discuss how you are using your 1003a funds from the fall to impact student outcomes.

Current Title I funds will be utilized to purchase additional technology resources for the classrooms (computers and Smart Screens for the remaining classrooms without them). Additionally, funds will be utilized to renew subscriptions for Home School Connections (parenting) and also MobyMax and Accelerated Reader. Title I funds will also be utilized for professional development opportunities for teachers and supplies for students inclusive of backpacks and various other school supplies.

We are implementing our Success Plan which includes:

- Boot Camp (Intense Small Group Instruction -2hour Reading Block with assistance from the Interventionist, EE Inclusion Teachers, Certified Tutor, and assistant teachers.

Jackson Public Schools

Jackson Public School District

School Improvement Monthly Updates

School Marshall Principal Mrs. Helen Young Date: March 30, 2018

- Analyzing data and readjusting our plan through FIT Meetings
- Tracking the standards for mastery
- Meeting with the students, parents and teachers (Holding everyone accountable with the Administrators being first)
- Evaluating teachers and providing immediate feedback, coaching opportunities and professional development.
- Hosting Community Chats with the parents in grades 3-5 to discuss the MAAP test and parenting tips.
- Using the extra hour daily for Power Hour Reading/Math/Science
- Providing interventions using Classworks for the Bottom 25% and other research-based activities

The school leadership team meets twice a month to discuss the implementation of our action plan and its effectiveness and evidence. The team consists of administrators, the counselor, interventionist, lead exceptional education teacher, and team leaders from grades K-5. We look at the "State of Marshall" (Data) and our outlook for the year. Our next meeting is scheduled for Monday, March 19, 2018. We also will look at the feedback that was given from our technical support person from MDE and discuss its findings and implications.

Our district leadership team meets monthly to discuss the same, the CAP, policies, and practices.

2. Plans for providing Professional Development for Teachers (TAP 2, 5)

What professional development activities has your staff participated in or plan to participate in this month? Discuss professional development opportunities provided by MDE, JPS, and/or at School-level or any other external opportunity.

- The administrators will provide a Professional Development on Differentiation for all teachers K-5 on Tuesday, March 20, 2018, April 3, and April 10.
- The principal attended Kindergarten 2.0 Training with MDE in Meridian on March 28, 2018
- All teachers have access to Frontline Education to seek and register for other professional development opportunities weekly.
- We have two teachers - J. Jackson and K. Davis (3 years of experience or less) who participate in the monthly PD with Jackson State University and the Kellogg Foundation with the hopes to becoming National Board Certified. The monthly meetings are hosted at our school- Marshall Elementary along with 13 other teachers in the district.

3. Update on Instruction/Assessment (TAP 5)

Jackson Public School District

School Improvement Monthly Updates

School Marshall Principal Mrs. Helen Young Date: March 30, 2018

Discuss the results/progress that your students made from Benchmark 1 assessment to Benchmark 2 assessments.

Benchmark I

3 rd Grade ELA Proficiency	27.3%	32.4% Proficiency ELA
4 th Grade ELA Proficiency	20.9 %	
5 th Grade ELA Proficiency	49.0%	
3 rd Grade Math Proficiency	15.6%	25 % Proficiency Math
4 th Grade Math Proficiency	19.4%	
5 th Grade Math Proficiency	40.0%	
5 th Grade Science Proficiency	87%	87% Proficiency-Science

(Preliminary) Benchmark II

3 rd Grade ELA Proficiency	50%	44% Proficiency ELA
4 th Grade ELA Proficiency	24%	
5 th Grade ELA Proficiency	28%	
3 rd Grade Math Proficiency	70%	42% Proficiency Math
4 th Grade Math Proficiency	26%	
5 th Grade Math Proficiency	31%	
5 th Grade Science Proficiency	85%	85% Proficiency- Science

Analysis:

ELA Proficiency increased by 11.6%

Math Proficiency increased by 17%

Science Proficiency decreased by 2% but still is on target (Goal is 50% Proficiency)

4. Culture and Climate (TAP 6)

What has been done to promote a positive learning environment? (Discuss specific PBIS activities and/or community outreach)

Our PBIS Team meets bi-weekly to discuss ways to promote a positive learning environment. We also meet with our school adopters and partners quarterly. Currently we:

- Recognize birthdays daily over the Intercom system
- Have a "Shout-Out" board for staff members and students to recognize each other for good deeds.
- Recognize Student and Staff Members of the Month with treats, certificates, plaques and gift cards (Adopters)
- Recognize classes daily for "Caught Being Good" (Feb-May)
- Recognize Perfect Attendance by Terms for staff and students (Luncheons, dance, treats,

Jackson Public Schools

Jackson Public School District

School Improvement Monthly Updates

School Marshall Principal Mrs. Helen Young Date: March 30, 2018

certificates, gift cards- Adopters and PTA)

- Begin each staff meeting with "The Good News"- Staff members are asked to share good things going on at home, work or school.
- Monthly Student and Staff PBIS Celebrations for the ABC's- (Attendance, Behavior and Course Performance)
- Frequent Field Trips for Student Leadership Teams (Civil Rights Field Trip (Feb.) – Future trips to college campuses in March or April
- Invite parents to eat lunch with their students
- Invited readers for Read Across America
- Invite parents to Teacher Support Team Meetings

5. Family and Community Engagement Opportunities (TAP 7)

Provide specific examples of parent and community engagement activities.

Parent Teacher Conference Day was held for Prek- K Parents on March 27th

Report Card Pick Up Days for parents of students in grades 1-5 was held on March 27th and March 28th after school each day from 3:30-5:00pm.

Update on P16/Site Council and their engagement in the school improvement process.
The school leadership team meets twice a month to discuss the implementation of our action plan and its effectiveness and evidence. The team consists of both administrators, the counselor, interventionist, lead exceptional education teacher, and team leaders from grades K-5. We look at the "State of Marshall" (Data) and our outlook for the year. Our next meeting is scheduled for Monday, April 16, 2018. We also will look at the feedback that was given from our technical support person from MDE and discuss its findings and implications.

6. Staff and Student Attendance (TAP 5)

Student ADA		Staff ADA	
Student ADA		Staff ADA	
Month 1 (Aug. -Sept.)	95.73	98%	
Month 2 (Oct.)	95.97%	95%	
Month 3 (Nov.)	93.61%	98%

7. Summary of Services provided by external providers/progress made (TAP 8), if applicable.

Discuss the services that an external provider rendered and the progress made towards the school's goals. Be specific in discussing the data.

We receive monthly technical support from our MDE Literacy Coach Mrs. Patrice Razor. She assists with analyzing STAR data and ensure the implementation of our school-wide literacy plan.

8. Summary of newly allocated resources and impact on student outcomes (TAP 8), as applicable.

Discuss how you will use your current Title 1 funds to impact student outcomes for this year. Focus and Priority Schools, discuss how you are using your 1003a funds from the fall to impact student outcomes.

We have currently been allocated funds from Title I (2018). The funds have purchased and will be used for the following:

- Purchase of three smart boards (Kindergarten (2) and 4th Grade (1)
- Two additional computers (5th Grade)
- Future Professional Development opportunities for several certified teachers
- Renewal subscription for Accelerated Reader for the entire school (Computer Program to foster independent reading and improve reading achievement)
- Resupply of Saxon Phonics Materials for grades K-2 (Supplemental Phonics Instruction)

2	16%	18%	
5 th Grade			
1	22%	3%	27%
2	19%	4%	60%
Average			
1	20.3%	14%	27%
2	19.6%	18.3%	60%
Difference			
	-0.7%	+4.3%	+33%

Updated Information for April 17th: Mrs. Nina Guthrie, MDE School Improvement Coach, conducted a site visit. She was very pleased with the level of engagement of the students and direct instruction from the teachers in focused instructional groupings. She observed students working in small groups and using our

Jackson Public Schools

Jackson Public School District

School Improvement Monthly Updates

School North Jackson Elementary School **Principal** Kimberly Smith **Date** April 11, 2018

technology based instruction of ClassWorks, Moby Max, and Achieve 3000. After the walk through, she provided the following recommendations:

- *Continue to analyze assessment data and adjust classroom instruction based on the data.*
- *Continue to require students to set individual goals for growth and proficiency.*
- *Continue with high expectations for students and teachers.*
- *Continue to require teachers to plan lessons with individual center activities based on the assessment data and observations.*
- *Continue to remediate and enrich the extended school interventions.*

4. Culture and Climate (TAP 6)

What has been done to promote a positive learning environment? (Discuss specific PBIS activities and/or community outreach) *Continue to incentivize and involve the community to help improve the culture and climate.*

Pepsi-Brown Bottling has partnered with our 5th Grade classes to help increase motivation through the Top Three Go and See Initiative. This initiative involves students making growth from the first benchmark to the second benchmark. The class that makes the most growth will receive a pizza party. (Date TBD in April)

Pepsi-Brown Bottling has also partnered with 10 fifth grade scholars that are achieving proficient and advanced level achievements to ensure they maintain that specific level of proficiency.

(Tuesdays and Thursdays 11:00- 12:00)

At the end of each month, students that have earned enough PAW Points will have the opportunity to go to the PBIS store or participate in the PBIS event

5. Family and Community Engagement Opportunities (TAP 7)

Provide specific examples of parent and community engagement activities.

The council provided the following opportunities for parental engagement opportunities. Continue to conduct and create parent and community engagement activities.

- *5th Grade Science Night - April 26, 2018*

Update on P16/Site Council and their engagement in the school improvement process.

Continue to conduct and create parent community engagement activities.

The principal and assistant principal give monthly updates on the school improvement process and the current data during the Site Council Meetings. We collaborate on suggestions to increased incentives and other extended learning opportunities.

6. Staff and Student Attendance (TAP 5)

Student ADA – 94.89% - a significant increase of absences on Good Friday and the Monday after Easter

Staff ADA – 97.46%

7. Summary of Services provided by external providers/progress made (TAP 8), if applicable.

Discuss the services that an external provider rendered and the progress made towards the school's goals. Be specific in discussing the data.

2. Plans for providing Professional Development for Teachers (TAP 2, 5)

What professional development activities has your staff participated in or plan to participate in this month? Discuss professional development opportunities provided by MDE, JPS, and/or at School-level or any other external opportunity.

The MDE Literacy Coach will provide the following professional development activities:

- Unpacking the Standards
- Teaching Reading Comp/Test Prep. & Writing using Standard
- Writing to Text
- Close Reading

3. Update on Instruction/Assessment (TAP 5)

Discuss the results/progress that your students made from Benchmark 1 assessment to Benchmark 2 assessment.

Grade 3

ELA

The percentage of students that BM1 was 76% and BM2 was 83% so data reveals an increase. Oak Forest students scored slightly higher than the average JPS student.

Math

The percentage of students that passed BM1 was 19% and BM2 was 16% so data reveals a slight decrease.

Grade 4

ELA

The percentage of students that passed BM1 was 21% and BM2 was 28% so data reveals a slight decrease.

Math

The percentage of students that passed BM1 was 8% and BM2 was 18% so data reveals a significant increase.

Grade 5

ELA

The percentage of students that passed BM1 was 14% and BM2 was 25% so data reveals a significant increase

Math

Jackson Public Schools

Jackson Public School District

School Improvement Monthly Updates

School Oak Forest Elementary

Principal Lutithia Lockett

Date 03/30/2018

The percentage of students that passed BM1 was 2% and BM2 was 0% so data reveals a decrease.

Science

The percentage of students that passed BM1 was 45% and BM2 was 56% so data reveals a significant increase.

In summary, our BM data reveals that across grades 3-5 our ELA percentages increased. Grade 3 and 5 math percentages decreased but Grade 4 had an increase in students that passed. Grade 5 science data showed tremendous improvement across BM1 and BM2. Our ELA scores across all grades are in line with the STAR reading data demonstrating that many of our students have moved one to two grade bands above their beginning level with a large number of students reading significantly above their grade level.

AR Results

Our AR word count has increased from 400,000 words per week to over 1 million words per week. Students are reading an average of over 600 books per week. Our comprehension level has increased from 68% to an average of 83% across all grades.

STAR

As the school year has progressed, we have seen many more students move across the grade bands in all grades. This is evident due to significant increases in our "At or Above" categories and decreases in our "On Watch" categories.

3rd grade Star data revealed in our "At or Above", there was a 34% increase from BOY to MOY in **reading** and a 27% increase from BOY to MOY in **math**.

Our "On Watch" percentage decreased 50% in **reading** and decreased 16% in **math** from BOY to MOY.

4th grade Star data revealed that in our "At or Above", there was a 1% increase from BOY to MOY in **reading** and a 23% increase from BOY to MOY in **math**.

Our "On Watch" percentage dropped 38% in **math** from BOY to MOY.

5th grade Star data revealed in our "At or Above", there was a 19% increase from BOY to MOY in **reading** and a 1% increase from BOY to MOY in **math**.

Our "On Watch" percentage dropped 57% in **reading** from BOY to MOY and our "On

Jackson Public Schools

Jackson Public School District

School Improvement Monthly Updates

School Oak Forest Elementary

Principal Lutithia Luckett

Date 03/30/2018

Watch" percentage in **math** decreased 24% from BOY to MOY.

4. Culture and Climate (TAP 6)

What has been done to promote a positive learning environment? (Discuss specific PBIS activities and/or community outreach)

- Bell to Bell Dress Down
- Referral Free Friday
- AR Celebrations
- H.O.T. (Here On Time)

5. Family and Community Engagement Opportunities (TAP 7)

Provide specific examples of parent and community engagement activities.

- 290 parents attended Oak Forest's Spring PTC on March 27. (77%)
- Vision to Learn conducted school-wide free eye examines for all students.

Update on P16/Site Council and their engagement in the school improvement process.

The school site council provides valuable input and feedback that addresses the indicators in the School Turn-around Principles and School Improvement Plan.

6. Staff and Student Attendance (TAP 5)

Student ADA 92.88%

Staff ADA 97%

7. Summary of Services provided by external providers/progress made (TAP 8), if applicable.

Discuss the services that an external provider rendered and the progress made towards the school's goals. Be specific in discussing the data.

N/A

8. Summary of newly allocated resources and impact on student outcomes (TAP 8), as applicable.

Discuss how you will use your current Title 1 funds to impact student outcomes for this year. Focus and Priority Schools, discuss how you are using your 1003a funds from the fall to impact student outcomes.

- I will use my Title 1 funds to upgrade my current technology to enhance classroom instruction and increase interactive learning for students. Students who learn by the use of computer-based instruction tend to learn more in less time, enjoy their classes more, and develop a more positive attitude when technology is incorporated into the

What is the school's mission? The mission of Raines Elementary is to build stronger schools together so that every scholar every day is ready for life.

What is the school's vision? The vision of Raines Elementary School is to be a high performing school that serves high performing scholars in a clean and safe environment.

What are the school's academic goals? Complete the chart below.

	2016 -2017 (Achieved Data)	2017 – 2018 (Projected Goals)
Reading Proficiency	16.4%	25%
Math Proficiency	6.0%	20%
Reading Growth for All	48.4%	55%
Math Growth for All	36.5%	55%
Reading Growth of the Promising 25%	59.1%	85%
Math Growth of the Promising 25%	41.8%	50%
Science Proficiency	30.0%	65.0%

What is the school's Action Plan to achieve the Projected Goals? Include how the School Leadership Team (SLT) and District Leadership Team (DLT) contributed to this Action Plan.

- The SLT meets twice per month in order to review and discuss current attendance, behavior, STAR, and formative assessment/benchmark data.
- Data meetings are held after assessments to identify areas of strengths, weakness, and to identify strategies for re-teaching.
- Adjustments are made to the action plan based on data (this includes identifying researched based teaching strategies, allocating resources, and revising tutorial schedules. This is discussed during SLT meetings)
- Professional Development for staff is planned based on student performance data and teacher observation data (Professional development sessions are placed on the monthly instructional calendar and includes school level, district level, and MDE trainings).
- Staff are held accountable for student outcomes through the use of administrative observations, peer observations, formal conferences, and notices of corrective action.

1. School Goals and Progress towards goals (TAP 1)

What is the school's mission? The mission of Walton Elementary School is to guarantee every student the right to learn essential educational skills needed to prosper throughout his or her life. Every student is encouraged to excel academically to his or her level of capability and to apply the knowledge learned. Walton School is dedicated to shaping and molding influential citizens who will make a difference in their communities and act as leaders for the future.

What is the school's vision? The vision of Walton Elementary School is to provide a safe, orderly environment, which is conducive to learning, and to provide an integrated, diverse, quality education to all students.

What are the school's academic goals? Complete the chart below.

	2016 -2017 (Achieved Data)	2017 – 2018 (Projected Goals)
Reading Proficiency	21.1	35
Math Proficiency	19.9	35
Reading Growth for All	40.6	60
Math Growth for All	44.6	60
Reading Growth of the Promising 25%	46.2	60
Math Growth of the Promising 25%	40.6	60
Science Proficiency	39.6	55

What is the school's Action Plan to achieve the Projected Goals? Include how the School Leadership Team (SLT) and District Leadership Team (DLT) contributed to this Action Plan. The Leadership Team at Walton Elementary School meets regularly, to discuss and analyze assessment data and to make instructional adjustments based on the data. We have been strategizing on how to maximize the growth of the promising 25%, utilizing resource staff and flexible scheduling to meet the needs of these scholars and to ensure growth. The promising 25% receive 45 minutes of intervention daily. In order to maximize growth in 4th grade, the classes have been departmentalized to provide intensive reading and math instruction. Mr. Hannah, Area 3 Assistant Superintendent, have provided guidance and support in the instructional and staff changes at Walton that will positively impact student achievement and growth.

School Improvement Monthly Updates

School Woodville Heights Elementary Principal Dr. Lynn Horton Date April 6, 2018

Highlight your school's status: Focus Priority School-at-Risk

1. School Goals and Progress towards goals (TAP 1)

What is the school's mission?

The mission of Woodville Heights School is to provide the highest quality education in a secure, positive and challenging environment for all scholars fostered by a cooperative effort among school, parents and community.

What is the school's vision?

The vision of Woodville Heights Elementary School is to create a challenging learning environment that encourages high expectations for success.

What are the school's academic goals? Complete the chart below.

	2016 -2017 (Achieved Data)	2017 – 2018 (Projected Goals)
Reading Proficiency	21%	30%
Math Proficiency	15.4%	30%
Reading Growth for All	41.4%	60%
Math Growth for All	41%	60%
Reading Growth of the Promising 25%	49.7%	60%
Math Growth of the Promising 25%	55%	60%
Science Proficiency	32.6%	35%

What is the school's Action Plan to achieve the Projected Goals? Include how the School Leadership Team (SLT) and District Leadership Team (DLT) contributed to this Action Plan.

The school will use evidence based instructional strategies to enhance proficiency in ELA, Math, and Science as well as achieve academic growth in ELA and Math. The DLT facilitates monthly principal meetings to discuss data, district initiatives, and effective leadership practices. After each meeting, it is the responsibility of the principal to implement and refine practices that support the school improvement plan. Distributed leadership among the instructional staff is used to actively involve all stakeholders in key areas of decision making. The principal and instructional staff meet during scheduled, specified times to review data, make decisions, and establish and monitor performance targets within the action plan.

2. Plans for providing Professional Development for Teachers (TAP 2, 5)

1. School Goals and Progress towards goals (TAP 1)

What is the school's mission?

Kirksey Middle School will prepare students for success by ensuring they are

Ready, Responsible, and Respectful.

- Provide a climate that is safe, orderly and clean.
- Employ the best instructional strategies for teaching and learning.
- Provide multicultural activities that produce a better understanding of many cultures and their relationship to our students' lives.
- Provide hands-on activities, field trips, experiments, and creative community projects.
- Use computer technology to enhance learning opportunities in all disciplines.
- Provide positive incentives for improved grades, exemplary behavior, and good attendance.
- Provide healthy intramural programs that foster participation for all students and opportunities for social interaction and teamwork.
- Provide opportunities for parental involvement and ownership through shared decision-making.

What is the school's vision? Our Vision is to provide the foundations for all students to transition to high school with success by being on grade level academically as well as have the knowledge to make responsible decisions.

What are the school's academic goals? Complete the chart below.

	2016 -2017 (Achieved Data) (263)	2017 - 2018 (Projected Goals) (335)

School Improvement Monthly Updates

School Kirksey Middle School Principal Quita W. Breland Date April 17, 2018

What is the school's Action Plan to achieve the Projected Goals? Include how the School Leadership Team (SLT) and District Leadership Team (DLT) contributed to this Action Plan.

We are focused on test preparation and review of high priority standards, and we are continuing to implement our Action Plan as detailed below:

1. We added Independent Study courses that are utilized as intervention classes for students scoring a 2 and below on MAAP. Students attend these classes for 94 minutes instead of traditional electives. During these classes, students are taught by certified teachers and certified interventionists who focus on prerequisites skills for either ELA or math.

There are a total of 166 students enrolled in these classes.

2. There are 119 students enrolled in ClassWorks for ELA or math.
3. All 6th graders attend a reading class, and 75% of them are enrolled in READ180.
4. All 6th graders receive math daily through the use of Compensatory Math class.
5. All students are required to complete two lessons per week in USATestPrep ELA and math.
6. All students enrolled in accelerated math classes also spend 94 minutes a week completing an online math course through Odysseyware.
7. Every Wednesday teachers provide Tier 2 instruction via pull-outs for 94 minutes during their instructional planning block.

2. Plans for providing Professional Development for Teachers (TAP 2, 5)

What professional development activities has your staff participated in or plan to participate in this month? Discuss professional development opportunities provided by MDE, JPS, and/or at School-level or any other external opportunity.

ELA teachers attended a professional development on writing provided by MDE.

3. Update on Instruction/Assessment (TAP 5)

Discuss the results/progress that your students made from Benchmark 1 assessment to Benchmark 2 assessment.

5. Family and Community Engagement Opportunities (TAP 7)

Provide specific examples of parent and community engagement activities.

We have a Boys 2 Men Forum and Luncheon planned for April 25. During this time we will invite 50 men from the community from various professions to participate in a panel discussion and to have lunch with our 177 male students.

Update on P16/Site Council and their engagement in the school improvement process.

Our Site Council has met three times this year to review our data, and to continue to plan activities for our students and staff.

6. Staff and Student Attendance (TAP 5)

Student ADA Month 7 -93.38%

Staff ADA Month 7- 96.97%

7. Summary of Services provided by external providers/progress made (TAP 8), if applicable.

Discuss the services that an external provider rendered and the progress made towards the school's goals. Be specific in discussing the data.

Greene Educational Consultant began working with us on April 16, and they are co-teaching and modeling best practices with our teachers. More specifically strategies on reaching our Tier 2 and 3 students.

8. Summary of newly allocated resources and impact on student outcomes (TAP 8), as applicable.

Discuss how you will use your current Title 1 funds to impact student outcomes for this year. Focus and Priority Schools, discuss how you are using your 1003a funds from the fall to impact student outcomes.

Our Title 1 Funds will be used to:

1. Increase the number of licenses for Read 180.
2. Replace five SMART Board Panels.
3. Purchase four additional Chromebook Carts with 25 Chromebooks so that each ELA and math teacher will have their own set of laptops for their class.
