

THE RELATIVELY LARGE SKIN DISORDER SCAVENGER HUNT

During this Internet session, you will search for **20** of the following skin disorders. **ALL** information must be turned in for each disorder for **maximum credit**. This assignment will be worth 60 points. For the more industrious among the masses, you may research ONE MORE for EXTRA CREDIT. This is a golden opportunity to purge any ugly grade blemishes you may have accumulated this quarter. This assignment will be due Monday, October 20th. Any late arrivals, for whatever reason, will not be considered for bonus points.

FOR EACH OF THE FOLLOWING DISORDERS, FIND

A. DESCRIPTION OF DISORDER

B. CAUSE OF DISORDER (IF KNOWN)

ONE AND A HALF POINTS WILL BE AWARDED FOR A DESCRIPTION OF THE DISORDER AND ONE AND A HALF POINTS FOR THE CAUSE.

1. acne vulgaris
2. albinism
3. alopecia
4. angioedema
5. athlete's foot
