Integumentary System

Skin Eruptions – Pictionary BOOKLET

*****Instructions:** *Create a Pictionary for each of the following skin eruptions. The rubric must be turned in with your project for 10 points. This assignment is a MAJOR GRADE*

All pictures must be hand drawn - no printouts

Pictures should be created on one side of the page with the with the description across from it. (see sample photo)

NO pictures/descriptions on the same page.

DO NOT turn in something thrown together and expect a good grade

Scoring

Up to 36 pts for original pictures - this is about effort (I do not grade you on your artistic abilities)

Up to 35 pts for thorough description

5-15 pts for neatness and overall attention to the quality of your work

10 pts for turning in the rubric with you book.
