Taking Online Assignment in Student Access

In Student Access, a new section called Online Assignments displays..

<u>Current Assignments</u>: Current Assignments display all Online Assignments that are currently available to the student to take along with the description and general information.

<u>Past Assignments</u>: Past Assignments display all Online Assignments that are no longer available to the student to take, but they may still view them.

Current Online Assignments

Class	Assignment	Number of Questions	Points Possible	End Date	
Math02/03	Center Grove Quiz	2	2	04/06/2008	11:59 pm
Description:	Facts about Center Grove		Status: Time Sp	Open Opent:	Answer Questions

The student will click Answer Questions

⊂Question 1 of 2	1
Center Grove serves approximately how many students? (1 point)	Save
A. 10,000 students	Save and
B 8, 7,735 students	Complete Later
C. 5,000 students	Save and
	Complete
□ Question 2 of 2	Assignment
Which of the following is not a Center Grove elementary school? (1 point)	
A. Sugar Grove Elementary	
B. Pleasant Grove Elementary	
C. Honey Grove Elementary	

A window displays allowing the student to answer the questions on the Online Assignment. The **Save** button saves the student's answers to the questions and remains on the screen.

The **Save and Complete Later** button saves the student's answers to the questions and closes the window, but allows the student to come back and finish.

The **Save and Complete Assignment** button saves the student's answers to the questions, closes the window and completes the assignment. This indicates to the teacher that the assignment can now be

Unanswered Questions	
You have unanswered Questions. An unanswered question will receive 0 points.	*
Please note that by clicking 'Save and Complete Assignment' you will be submitting the assignment and will not be able to return to answer anymore questions.	
Do you still want to Complete the assignment?	
Page 1: 1 Unanswered Question	
	▼.
Yes No	

graded. The student is not allowed to come back into this assignment again.

An alert message displays informing the student of any unanswered questions that exist and confirm if they really want to complete the assignment.

By clicking No, the student will be returned to the screen and be able to answer any unanswered questions. Clicking Yes will submit the assignment.

The student will need to find the unanswered question and answer it then click **Save and Complete** Assignment.

Scoring an Online Assignment (An Assignment That is NOT Auto Scored)

Auto Score and Post to Gradebook: 🧾 (If checked, only Multiple Choice and True/False questions are available)

Open a gradebook.

Click on the online assignment heading.
