

# Ceramics Rubric

Mr. Martin

Name\_\_\_\_\_

Assignment: Slab

What is one thing you learned through the process of making this piece? Please explain your answer.

---

---

---

---

Please elaborate on your lantern project. What form did you hope to make out of slab? Were you successful in creating this object?

---

---

---

---

---

If you could change one thing about your slab lantern what would it be and why.

---

---

---

---

Please draw a thumbnail sketch of your slab lantern below.

Notes: (additional information that I need to know)
