## Hickory Grove Elementary SLT Minutes

11/18/2015

7:30–8:30am

- I. Teambuilding Activity: 1<sup>st</sup> Quarter Spotlight
  - a. Each team member wrote down one thing that they wanted to highlight about the 1<sup>st</sup> quarter and shared out with the group
- II. Follow Up from last meeting: Problem Solving Protocol Reflection Sheet
  - a. Each team member completed the reflection sheet which is a template that goes through the steps for solving problems within a team. Each team leader discussed the following questions: What was the problem?, Was the issue solved?, Was your team able to come up with an issue or did you have to lead the team? Was your team able to come up with action steps? Were the steps followed? What was a glow from using the protocol? What was an area of growth from using the protocol? What will you do differently next time when using the protocol?
  - b. Each team member shared out with the group
- III. Review Updated School Improvement Plan
  - a. Teams got into assigned groups to complete the SIP template. Each team reviewed the goal, strategies from the SIP for that goal, how is the school implementing the goal, the current status (where is my team with this goal) and next steps involving who and what to make the goal more effective
- IV. Kahoot.it Quiz
  - a. Ms. McLaughlin introduced the team to an online game that can be created and played with students called Kahoot.it. The team played the game to review the SIP goals
