Leadership Update (M. Drye)

- Half position was taken from the school. We had a half vacancy
- Writing consultant and work is working well
- Hosting a visit of 58 superintendents from across the nation to see Personalized Learning
- Interview with one of our students
- Boosterthon next week

Hawk Ridge Elementary School

School Leadership Team (SLT)

- Book Fair coming up as well

Title 9

- Is a federal law that requires us to address discrimination based on gender and has to be addressed twice each semester.
- All anti-bullying was delivered and we had less than 10 opt outs
- Lessons are viewable from the website

School Improvement Plan - Review of Data with Mr. Drye

- We have an overall attendance problem
- We need to communicate that it is important to come to school and we know that the children who come to school do better than the ones who don't
- **Question: Is there any check and balances for the absences?** Not really. Doctor's notes are not required.
- **Question: Is there data on tardies?** There isn't any data on tardies. The tardies are disruptive to the entire class.
 - Ms. Bleich is our MTSS person and she will start working on ways to work on tardies
 - Maybe send out some information for parents to stress the importance of attendance
 - Maybe have a sign out front that shows the percentage of students who were ontime.
 - Incentivize coming to school
- Bullying
 - What is bullying?
 - Teaching empathy
 - Communication
 - Community Classrooms – Morning meetings
- Final Draft is due October 17th.
