**Northridge Middle School
School Leadership Team Agenda
March 16, 2017
3:30 PM**

***At Northridge, it's all about ME
(motivated & educated)***

Welcome---- **Ms. Thomas**

Our mission: The School Leadership Team is a collaborative effort whose primary purpose is to develop and implement our annual [School Improvement Plan \(SIP\)](#) ; Also Encourages, supports and creates opportunities for involvement from parents in the community.

1 Operations:

Title IX

There are no issues. There have been none all year.

Where are we Instructionally? We are preparing for" Finish the Race Strong". There will be re-looping, small group interventions as well a blitzing!

Title One Funding: There are kick back funds available for tutors and a summer enrichment program.

1. Daytime Tutors
2. Summer Enrichment Program: 8am-12 pm. We want at least 90 students per grade level.
3. Next Years' Positions: We will lose 2 teacher positions according to pre enrollment numbers.

II Planning Ahead Mr. Golden:

We are getting students motivated to finish the year strongly. 6th and 7th grade are on schedule to finish the common core teaching standards before blitzing begins. 8th grade will fall a little behind. We are working on a plan for 8th grade math. It will be an innovative way to get 8th grade on board.

Parents will be getting a letter as well as a contract to involve them with the Finish the Race Strong initiative.

2018 Northridge becomes a Computer Science Magnet with emphasis on Coding.

Ms. Wilson from Title One was a district guest. She works with Mr. Breland with NC Star and will be attending our meetings.
