**April 16, 2015 Meeting Minutes**

√ Review Minutes from Prior Meeting	Approved
√ State of the School	<p>CMS Safe Schools Inspection - received a bonus point for having Character Development Traits posted.</p> <p>2015-16 Proposed Budget has been submitted by Ann Clark, Superintendent, to County Commission. District asking \$39.9 million more from county. Goals: #1 Pushing Literacy, #2 Competitive Salaries (NC is 42 of 50), #3 Student Support. Full budget on CMS website. Copies to parents in folders next Thursday. Only steady increase in funding over past several years if from federal government.</p> <p>Destination Imagination (similar to Odyssey of the Mind) brought to Mr. B by a parent. After school club. Small fee (\$100 per team). Runs Sept - May, not good for in-school clubs. Presentation at end of course. Would need parent volunteer to lead. Revisit toward end of year to gauge interest levels.</p> <p>CMS Transfer Fair. <b>(Now-June)</b> For staff looking to move w/in CMS. No numbers on staff changes for WP for coming year right now.</p> <p>Transformation Grant. Allotment from district for extra staffing positions is not much. WP is still committed to goal of getting back 3rd &amp; 5th grades and expanding to 2nd &amp; 4th grades. We are an Opportunity Culture School, but budget shortfalls are a concern w/out extra allotments from the district. (Extra \$ for teachers taking on extra responsibilities.)</p> <p>Tuesday, <b>4/14</b>, Personalized Learning Team visited. Will know if we will be part of cohort for next year by Monday, <b>4/20</b>.
