

WINNING TEAMS

On May 1 Calvert County Public Schools hosted the 25th Annual SMECO Elementary Math Challenge. The competition involved all 12 elementary schools with 16 competitors from each school from Grades 4 and 5. Congratulations to all teams and a special recognition to the top winners of the evening.

Winning teams are determined by a composite score of the team challenge competition and the scores earned during the individual challenge.

GRADE 4

TOP 5 TEAMS

Place	School	Team Coach
 1 st	MHES	Ms. Bracey
