

## Directions

1. Choose teams
2. Find the person with the smallest feet. That team goes first.
3. Choose any jersey and click on it. Answer the question. Write your answer on the worksheet- even if it is the wrong answer. If you get the answer wrong, make sure to mark it with an X on your worksheet. If you get the answer wrong, someone from the other team gets a chance to answer the question. If THEY get it correct, they earn bonus points. If you get the answer correct, it is the other team's turn.
4. The other team picks any jersey and clicks on it. Answer the question and write the answer on the worksheet. If you miss it, the same rules apply.
5. Take turns going back and forth until all the questions are answered.
6. The team with the most points wins.
7. Turn your worksheet in to the teacher. Make sure all your names are on it.
