

socratic

by Mastery**Connect**

Welcome to Socrative! We are happy to have you in the community. Like you, we think it's important to visualize student understanding. That's why we've developed an easy-to-use tool for building assessments and seeing results in real-time. It's everything you need to improve instruction and help student learning.

Although it's a very intuitive tool, everything in life should come with a manual, so let's get started with ours:

Register & Login	pages 2 to 8
Create & Edit Quiz	pages 9 to 16
Run Quizzes & Reports	pages 17 to 33

*Note – Socrative supports up to 50 students logged in at one time.

What Students See

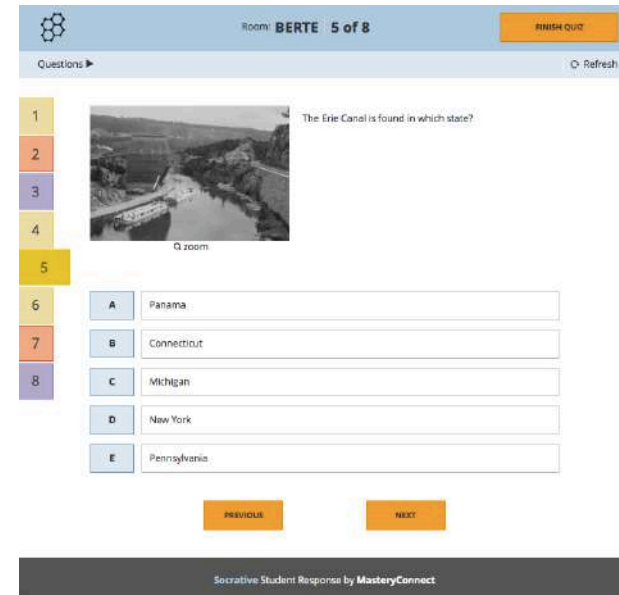

1. Students will see this screen before you start an activity or between activities.

2. Students will be prompted for their name if it is a quiz based activity or a quick short answer (or you can choose to disable names).

3. Students will then enter the activity. (example pictured is a student-paced student navigation question)

Create & Edit Quiz

Creating a Quiz

Select:

When selected, your quiz is assigned a unique **SOC number**. You can give this to other teachers so that they have the quiz too. Gotta love collaboration!

A screenshot of the quiz creation form. It includes a text input field with 'History Quiz' inside. Below it is a 'Share Quiz' section with a 'Yes' button (highlighted with a blue arrow) and a text field showing 'SOC #: 16774427'. At the bottom is a '+ Add Tag' button (highlighted with a blue arrow).

Enter a name for your new quiz.

Add a Common Core tag to your quiz (see next page).

ADD QUESTION:

Add a question to your quiz. You will be able to delete and reorder.

Adding a tag is easy!

Simply select “Add Tag” and navigate to the desired tag using the arrows. Select individual tags to see descriptions or to navigate to the source of the tag.
Add as many as you’d like.

+ Add Tag

Create Quiz – Multiple Choice

Select **MULTIPLE CHOICE** to add a Multiple Choice question to your quiz.

The screenshot shows the Socrative Multiple Choice question editor interface. It includes a question number field (#1), a formatting toggle (currently set to 'No'), a save button, and a toolbar with icons for adding images, undo, redo, and duplicate. Below the question text field is a table for answer choices with columns for the choice letter, the choice text, a delete icon (X), and a 'Correct?' checkbox. At the bottom, there is a '+ ADD ANSWER' button and an 'Explanation:' text field.

ANSWER CHOICE		CORRECT?
A		<input type="checkbox"/>
B		<input type="checkbox"/>
C		<input type="checkbox"/>
D		<input type="checkbox"/>
E		<input type="checkbox"/>

+ ADD ANSWER

Explanation:

(Optional:
Add an image to
the question)

Turn ON for rich text
formatting

In Save mode select
to Duplicate
Questions

Mark answer
choice(s) as correct

Enter answer
choices

Add answer
choices

(Optional:

Create Quiz – Short Answer

Select

SHORT ANSWER

to add a Short Answer question to your quiz.

Optional:
Add an image to the
question.

Enter the
question text

Optional: Add or Delete
answer choices. If you
decide to add correct
answers Students must
enter one of the exact
terms you added. (This is
not case sensitive.)

The screenshot shows the Socrative quiz creation interface for a Short Answer question. At the top, it is labeled "#1". To the right, there is a "Formatting:" section with a "No" button and a "SAVE" button. Below the formatting section is a large text input field for the question text. To the left of this field is a blue arrow pointing to it, labeled "Enter the question text". Above the text field is an image icon with a plus sign, and a blue arrow points to it from the text "Optional: Add an image to the question.". Below the text field is a section labeled "Correct Answers (Optional)" with two buttons: "+Add" and "-Delete". A blue arrow points to the "+Add" button from the text "Optional: Add or Delete answer choices. If you decide to add correct answers Students must enter one of the exact terms you added. (This is not case sensitive.)". Below the "Correct Answers" section is an "Explanation:" label followed by a large text input field. A blue arrow points to this field from the text "Optional: Add an Explanation of the correct answer. This will display with immediate feedback.".

Optional:
Add an Explanation of the correct
answer. This will display with
immediate feedback.

Student Paced Quiz - What Students See

The screenshot shows the Socrative Student interface. At the top, there is a header bar with the Socrative logo, the room name "BERTE", the question count "6 of 8", and a "FINISH QUIZ" button. Below the header, there is a "Questions" section with a "Refresh" button. On the left, there is a vertical list of question numbers 1 through 8. Question 6 is highlighted in yellow. To the right of the question numbers, there is a question card for question 6. The question card features a photo of the Gateway Arch in St. Louis, Missouri, with the text "The Gateway to the West is in which state?" and a "Q zoom" link. Below the photo, there are five multiple-choice options labeled A through E: Missouri, Kansas, Nebraska, Ohio, and California. At the bottom of the question card, there are two orange buttons labeled "PREVIOUS" and "NEXT". At the very bottom of the interface, there is a dark gray bar with the text "Socrative Student Response by MasteryConnect".

Students can navigate to any question at anytime. Answer, skip, review or edit - it's their choice!

Students select "Finish" to submit the entire activity to the teacher.

Students can navigate through the quiz one question at a time, forwards or backwards.
