Week of Sept. 12 - More Plural Nouns

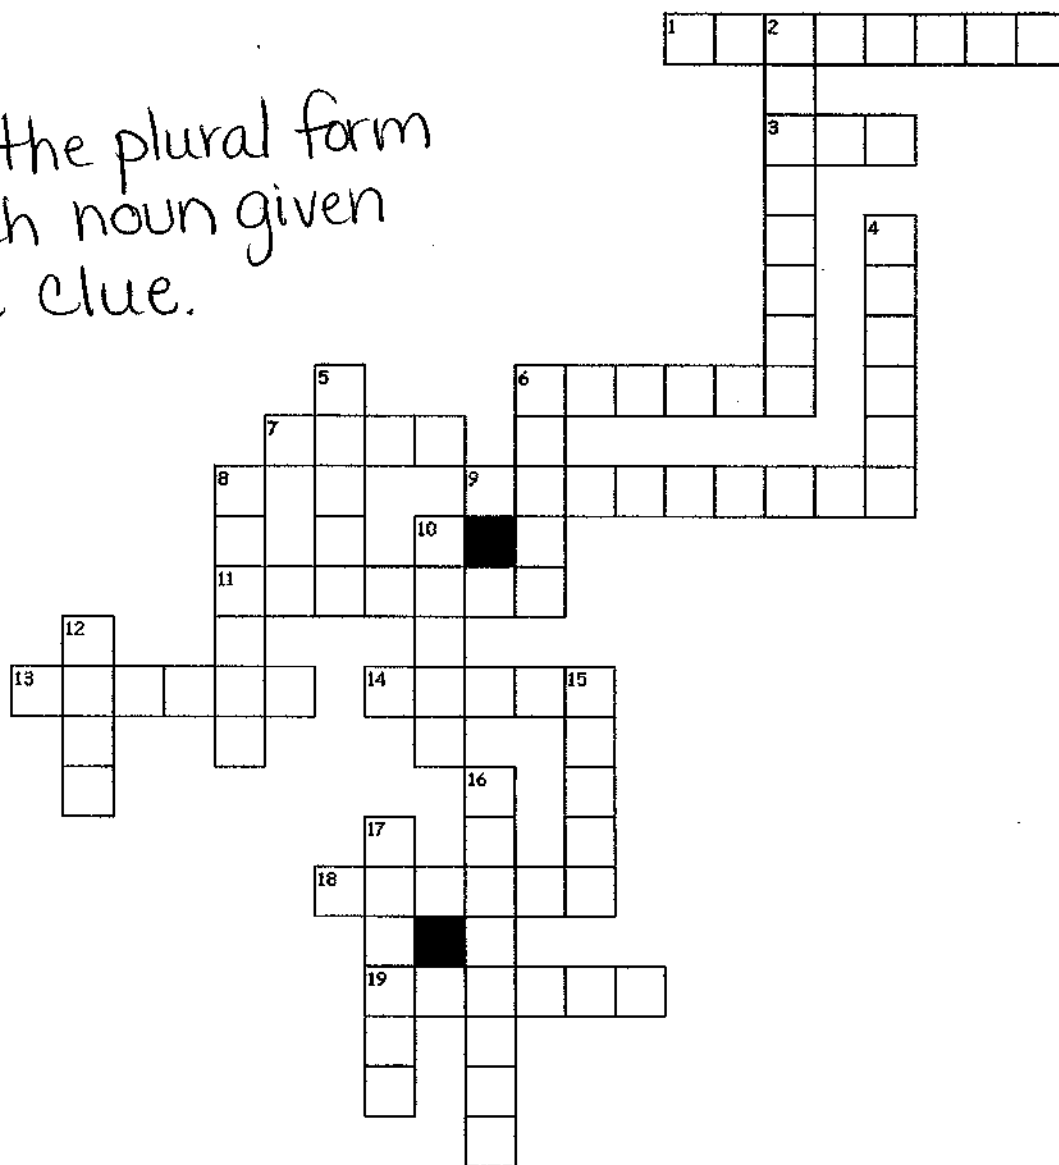

When you speak of more than one of a noun, which makes the noun plural because you are talking about two or more persons, places, or things. For most nouns, you will simply add an -s to the end of the word. However, we have learned that not all words always follow the rules. This week's spelling words all have plural spellings that don't follow the rules. We just have to memorize their spellings.
