

To Go Meals

5 Breakfast and 5 Lunch at 1 Pick Up

The Grab and Go Breakfast and Lunch Program will look a little different during the school year than it did during the summer. These changes are required by the USDA. We thank you for your patience and welcome questions.

The main changes are:

- To receive a meal you have to be enrolled in Sperry Public Schools
- Your meals will be charged to your account based on the meal status you qualify for (free, reduced or paid)
- You will have to Pre-Order your students' meals. When you pick up you will have confirm the information you entered when ordering.
