The girls team dominated the competition taking first place team honors. Elysia Palmer took first overall with Natalie Perham and Gillian Countway close behind her taking 3rd and 4th.

Other top 20 finishers were: Maddy Kallin, Sydney Perham, Lei Lei Casey, Hazel Goodwin, Ella Wilby, Eloise Johnson, Nieve Logan, and Rohen Brown.

Girls 7th Soccer vs Oxford Hills Home Wednesday

The 7th grade girls finished with a 3-3 tie. Lauren Labbe, Caitlin Ellis, and Sara Gardner were spectacular in goal, each with a number of saves. Ari Hawkes and Makenzie Beal were solid on defense. Ava Charboneau and Kyra Fortier were everywhere playing midfield and had some key plays. All three goals were scored by Alexis Morin who couldn't have done it without some key passes. Brianna Vose and Owyn Moncure also played well for the Huskies.

Field Hockey Home vs Tripp

Stellar and well-matched game against Tripp Middle School. The Huskies played their best game of the season to date. Brunswick scored first with a solid goal by Ava Wolverton. Second beautiful goal scored by Kiki Dinsmore. Remainder of offensive line led by Hensleigh Labonte, Kelsey Cassidy, Ella Wilder, Sydney Drake, Sadie Correa, and Marissa Zavitz. Brilliant defense provided by Lily Butterfield, Hannah Gustofson, Felicity Jackson, Quinn McCormack and Maddie Duchette. Numerous goals saved by both Skyler Augustine and Ella Duchette.

Boys 7th Soccer Wednesday vs Oxford Hills

The 7th grade match was a nailbiter, with the Huskies holding onto a one goal lead (defensive midfielder Judah Greenwald on a breakaway goal) for most of the game. Man of the Match had to go to stellar goalkeeper Trevor Gerrish for his outstanding shutout of what was a very pesky Green and White offense. The Vikings time and time again pushed the ball down the left side to their top player, who served in multiple quality crosses to waiting OH players waiting to pounce, but "Two-Tall Trevor" rebuffed every shot on the day! Also tremendous on defense were the four horsemen, from left to right, Jimmy Cook, Wyeth Mackey, Henry Blood and Nolan Klimash. They bent, but did not break, under the guidance of Gerrish. Nico Herraro was also a key central defender helping to hold onto the slim lead. Alexei Douhcvnikoff and Keegan Cummings were strong on the attacking side of the ball.

Boys 8th Soccer Wednesday vs Oxford Hills

The 8th grade contest was a clash of the Titans to be sure, with huge lead changes in play. Brunswick opened the lead with two quick goals from the usual combo of Garrett Countway and Merrick Meardon, with the score at 2-0. Then the Vikings roared back defiantly to answer with

not one but FOUR goals, much to the dismay of the shocked young pup Huskies, and keeper Anthony Cooley probably wanted a rewind of a few of the scores.

After a little reality check at halftime, Brunswick rallied to claw back with their own four goal comeback, led by star attacker Countway, Meardon, and leaping Lucas Orthober with his 6'4" frame controlling the midfield. Keeper Cooley was a whole different player in the second half and swatted down any and all of the Viking attacks, to shut out their second half, leaving Brunswick the victor on this cold day in Oxford, 6-4.

Playing well on defense for the Red and White were standout center back Rex Howland, Eli Cheseldine and Jack Costello, while on the attacking side, Ansel Kipp, Liam "Stewey" Stewart, and nimble Latrell Hatcher were a force to be reckoned with.
