World Languages are recommended.

COLLEGE CREDIT FOR PLTW COURSES

Each “Core” Biomedical Course offers the option of college credit!

Student eligibility:

- At least 80% in the biomedical course class grade
- Final exam with minimum score of 4

Forms of College Credit

Articulated College Credit (ACC)

- Managed online through personal student accounts
- Specific to articulated colleges
- Some colleges will accept ACC as ELECTIVE credit when requested!
- FREE!

Transcripted College Credit

- Placed on the students permanent college transcript
- Eligibility form generated by school to student for their option to complete and turn in to the college
- Transferable
- \$100 for 3 college credits

STUDENT READINESS

Qualities for High School Success:

- Organization skills
- Work ethic
- Communication skills
- Honors classes
- Importance of grades and GPA

Tools for parents:

- AH Connect
- Teacher Email
- Learning Management System for Biomed Courses

LEARNING MANAGEMENT SYSTEM

The Biomedical Curriculum platform!

- **Utilized in the class**
- **Internet-based, so accessible where there is internet!**
- **Learning Activities and Lessons are posted here**
- **Assignments are submitted here**
- **Ask your student(s) to log in for you or provide you with their credentials to check their work or assist them with assignments at home**
- **Google Docs: Using the students Anoka-Hennepin issued log in, students will work individually or in groups to create and submit assignments electronically.**

ACADEMIC ASSISTANCE

Teachers – available before/after school

Lab Groups - electronic communication (Google Docs)

QST – “Quiet Study Time”

- After school tutoring program
- Monday through Thursday

Cardinal Writing Center

Cardinal Time – Wednesdays before school

- Computer Labs
- Library
- Core Academic Tutoring Rooms

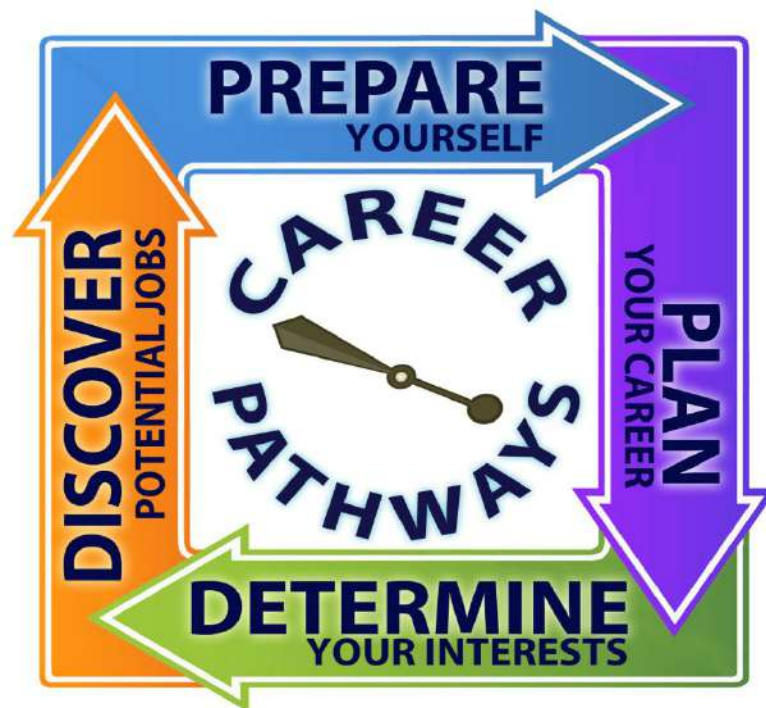

College and Career Pathway Planning Initiative!
