Shiawassee Dual Enrollment

2024-2025

- ▶ Dual enrollment (DE) students take college classes while in high school.
 - ▶ Classes typically taken in 11th and 12th grade.
 - ▶ DE students do not complete a 13th/5th year of high school.
- ▶ Student can earn general education credits including english, social science, humanities and natural science courses that all degrees require.
- ▶ DE courses are taken to supplement high school and explore interests to and perhaps narrow down a field of study after HS.
- ▶ Up to ten DE classes can be taken throughout high school pending counselor and administrator approval.

Shiawassee Early College

2024-2025

- ▶ Early College is a 3-year prescribed program of study, designed to allow a student to earn a high school diploma and college credits by adding a 13th/5th year to their high school career.
 - ▶ Still participate in traditional senior year activities including graduation, but the diploma will be awarded at successful completion of 5th year
- ▶ Students could earn one or more of the following:
 - ▶ MEMCA Technical Certificate
 - ▶ 15 transferable college credits & 100 verified community service hours/40 career exploration/clinical experience hours or a combo totaling 70+ hours
 - ▶ Professional Certification
 - ▶ Participation in a registered apprenticeship
 - ▶ Associates Degree or up to 60 college credits
 - ▶ 30 transferable credits to meet the MTA
