

- 1. Read your book**, either by yourself or with another person. If possible, reread parts that you especially like or that seem most important.
- 2. Think about your book. If possible, talk to another person about some or all of these questions:**
 - What scene in the book stands out in your memory?
 - What was the main character like?
 - Did the main character change during the book?
 - Was there a problem and how was it solved?
 - What would you have done if you had been in the story?
 - What new thing did you learn in this book?
 - Does the story remind you of something that happened to you? If so, how is your experience like the book?
