STAND UP! Change Teen Statistics is a 50 minute prevention theater performance based on interviews with over 90 teens. Their mission is to provide information, hope and help for our communities kids.

The performance delivers powerful and shocking statistics and information in a “teen” friendly format that young audiences can relate to, be inspired by and understand.

A **PANEL OF EXPERTS** will immediately follow the presentation to discuss topics raised in the skits and answer any questions that you may have. This is an opportunity for you to have an open and honest conversation with your teen about touchy subjects that you may not know how to start.

THE PERFORMANCE IS RATED PG-13 DUE TO SOME LANGUAGE AND ADULT TYPE SITUATIONS. YOUTH UNDER THE AGE OF 16 MUST BE ACCOMPANIED BY A PARENT OR GUARDIAN. WE ENCOURAGE FAMILY COMMUNICATION AND DISCUSSION AS IT RELATES TO THESE TOPICS.
