## **About the Statewide Applicant Fingerprint Identification Services (SAFIS) Program**

Massachusetts law now authorizes fingerprint-based criminal history record checks for all public and private school employees and transportation providers, and for designated volunteers and employees of school vendors. The Massachusetts Department of Elementary and Secondary Education (ESE) and the Department of Early Education and Care (EEC), the Executive Office of Public Safety and Security (EOPSS) has partnered with MorphoTrust USA to implement the Statewide Applicant Fingerprint Identification Services (SAFIS) Program and is working to provide convenient applicant fingerprinting enrollment centers throughout the Commonwealth of Massachusetts.

**NOTE:** This Registration Guide is intended to provide guidance to individuals who are employed or seek employment in Pre-K-12 public and private schools in the Commonwealth. If you work for a Pre-K program run by a public or private K-12 school, follow these instructions. If you work for a standalone private early education program, please consult the registration instructions for Early Education and Care (EEC) entities.

### **Overview of the Fingerprinting Process**

The following is a overview of the SAFIS fingerprinting process:

- An applicant/employee registers for a fingerprinting appointment via either the MorphoTrust USA IdentoGo™ registration website or the MorphoTrust Massachusetts Customer Service Center;
- An applicant/employee goes to a MorphoTrust USA IdentoGo™ enrollment center on the date and time selected by him/her and has his/her fingerprints taken;
- The applicant's/employee's fingerprints are sent electronically to the Massachusetts State Police (MSP) for a statewide criminal history record check and to the Federal Bureau of Investigation (FBI) for a nationwide criminal record check;
- The results of both the State and National fingerprint based criminal history record check are returned to the Massachusetts Department of Criminal Justice Information Services (DCJIS) for review; and
- The State and National fingerprint based criminal history record check results are returned to the district or school identified by the applicant/employee during the registration process.

### **Pre-K-12<sup>th</sup> Grade Education (ESE) Applicant Types**

The following sub-sections provide additional information concerning the various applicant types that fall under the Massachusetts Department of Elementary and Secondary Education (ESE).

#### **Licensed Educator**

The fee charged will be \$55 for educators licensed by the Commissioner of Elementary and Secondary Education.

#### **Other School Personnel**

The fee charged will be \$35 for all other school personnel (i.e., school secretaries, cafeteria workers, custodians, bus drivers, etc.) and designated volunteers and vendor employees.

#### **Multiple Provider IDs**

There may be instances in which an ESE applicant is seeking employment at multiple schools or districts and has been instructed to undergo a fingerprint-based criminal background check conducted for each employer. Furthermore, there may be instances where an ESE applicant is currently employed at more than one school or district. As part of the fingerprint registration process, up to ten (10) Provider ID's may be submitted. The fingerprint-based criminal background check results will be disseminated to each of the schools identified at during the registration process.

#### **EEC and ESE Employment**

There may be instances in which an applicant is either employed or seeking employment with an ESE organization and a Massachusetts Department of Early

Education and Care (EEC) organization. Federal rules and regulations prohibit EEC and ESE from sharing/disseminating an individual's criminal history record information (CHRI). In order to be compliant with the new law, an individual who works for both EEC and ESE organizations will have to submit, and pay for, two separate fingerprint-based criminal record checks. If back-to-back appointments are unavailable, please select an appointment time that is as close to the first appointment as can be obtained. An applicant will be fingerprinted for both submissions at the same time, and will not be made to wait for the later time.

### **Out of State Applicants**

There may be instances in which an applicant does not reside in the Commonwealth of Massachusetts and his/her work does not require travel to the Commonwealth of Massachusetts.

Applicants who meet the above criteria may use MorphoTrust's Card Scan Processing Program. This program utilizes advanced scanning technology to convert a traditional fingerprint card (hard card) into an electronic fingerprint record. Converting a "hard card" into an electronic record enables an applicant to have his/her fingerprint record processed as quickly as if he/she had traveled to an electronic fingerprint processing location. The section below details the procedures for submitting fingerprints to the Card Scan Processing Unit.

- Applicants must go online to the MorphoTrust USA IdentGo™ registration website <http://www.identogo.com/FP/Massachusetts.aspx> or call the MorphoTrust Massachusetts Customer Service Center toll free at (866) 349-8130 and complete the registration process.
  
- If using the online registration process, you must select "Pay for Ink Card Submission" on the Appointment Details page. This will identify to MorphoTrust that a hard card will be mailed to them for conversion to an electronic fingerprint record which will then be submitted to the Massachusetts State Police (MSP) and to the Federal Bureau of Investigation (FBI). Please note the fee charged for out of state applicants is \$55 for educators licensed by the Commissioner of Elementary and Secondary Education and \$35 for all other school personnel
