

STEM CAREERS CAMP

FOR STUDENTS ENTERING 6TH-8TH GRADE

We've built the best opportunity for your student to discover the excitement of science, technology, engineering, and mathematics (STEM) through theoretical and hands-on experiences. Our in-depth summer program teaches STEM concepts and put them to the test, while demonstrating the importance of teamwork and planning. Campers will be taught skills related to design thinking, 3D design & printing, entrepreneurship, and so much more.

Throughout the camp, your students' confidence will reach new heights as they work on challenging and unique assignments and gain knowledge and skills to enhance their ideas to the next level.

Camp includes t-shirt, lunches, and snacks.

 **NIACC - STEM CENTER**

 **JULY 10-21**

 **9AM-3:30PM**

 **\$ \$250**
