

Kennedy Middle School STEM Magnet Information

Kennedy Middle School, a CMS school, is excited to announce the opening of a partial STEM Magnet option for South Charlotte families that reside in the Blue Transportation zone (<http://bit.ly/1GJavKx>).

The partial STEM magnet option is open to rising 6th grade students for the 2015-2016 school year.

You are invited to attend any of the information sessions listed to the right. The staff at Kennedy Middle School will discuss the specifics of the STEM program beginning in the 2015-2016 school year.

What is STEM? STEM is an acronym for Science, Technology, Engineering and Mathematics. The STEM field is focused on life sciences, physical sciences, mathematics, statistics, computing, engineering and technology.

What will STEM look like at Kennedy? The STEM program at Kennedy will follow a middle school philosophy of education— expose students to a wide range of STEM topics, courses and curriculum so they can make informed decisions about high school, college and beyond.

Kennedy Middle School: 4000 Gallant Lane, Charlotte, NC

730 student population, located 3 minutes off I-485, two exits from I-77, diverse student body, CMS athletics offered, robotics club, Google Chrome club. School tours available—980.343.5540 or kevin.sudimack@cms.k12.nc.us
