About Sto-Rox School District

Our school district was formed in 1967 when Stowe Township School District merged with the School District of the Borough of McKees Rocks. Today, Sto-Rox School District proudly serves more than 1,000 students from McKees Rocks and Stowe Township from Kindergarten through 12th grade.

SCHOOL DISTRICT

EDUCATION GUIDE

Academics

Sto-Rox School District is a growing community of learners and educators. We are preparing future generations of educated young people to take on the world and make it their own, no matter what path they chose.

Our staff is focused on providing a quality, hands-on education that other schools simply cannot match.

We use tools such as the literacy screener EarlyBird to assess reading readiness in Kindergarten and first grade and tailor the child's lesson plans accordingly.

The district utilizes PBIS, Positive Behavioral Interventions and Supports, to reward positive behavior both in and out of the classroom.

These efforts, and many others, foster an environment that creates classroom champions and helps all students improve.

Extracurricular Activities

A child's education does not end when the bell rings. The Sto-Rox School District has after school programming provided by partners such as Steel City Impact. We also have in-house groups geared toward academic enrichment including Culture Club, Mural Club and the Sto-Rox Band, Chorus and Drum Line.

The district also has an experienced and dedicated staff of counselors, mental health professionals and special education experts. No matter your child's needs, we can set them on the path to prosperity and success.

Security

Our top priority is providing a safe and secure environment where children can flourish. While we have armed guards in each building, their job is about much more than defusing conflict. Our guards connect with students and can stop problems before they start.

District Leadership

Superintendent

Megan Marie Van Fossan

Principal, Jr./Sr. High School

Raelyn Day

Assistant Principals, Jr./Sr. High School

Asia Davis, Grades 10-12

Hope Schreiber, Grades 7-9

Principal, Sto-Rox Upper Elementary

Heather Johnston

Principal, Sto-Rox Primary Center

Lisa Mumau

Assistant Principal, Primary Center

Tim Liparulo

Athletics

Sto-Rox provides student-athletes with opportunities to compete in athletics while pursuing their education. The district believes academics and athletics should work hand-in-hand to produce positive results on and off the field. Sto-Rox offers the following sports:

- Football
- Basketball
- Baseball
- Softball
- Volleyball
- Flag Football (Girls)
- Track & Field
- Bocce
- Cheerleading

Mission

The Sto-Rox School District prepares students to meet tomorrow's challenges in a rapidly changing world. We empower all students to reach their highest potential by cultivating critical thinking, high academic standards, and strong, positive relationships in a safe and secure environment. Our practices and policies are shaped by respect, kindness, integrity, equity, accountability, and honest and ethical behavior.

Vision

The Sto-Rox School District, in partnership with the entire community, will empower every student to reach their potential as a life-long learner who is a responsible, ethical, productive, and compassionate citizen within the global community.
