

THE STOCK MARKET IS FUNNY!!!

Often when times are tough, it is helpful to laugh to try to get through them with humor! Cartoons sometimes make you laugh out loud or they may make you smile....sometimes they even make you THINK!!!! Read the comics that I have pasted below. Below are 12 cartoons dealing with the Stock Market or the economy. With a partner, choose 6 cartoons and explain the point that the cartoon artist was trying to make. Type it below the cartoon and highlight it or bold it so that I can see it quickly!

'Look, I told you, I'll come and have dinner just as soon as I've broken even.'
