

THE STOCK MARKET IS FUNNY or FRUSTRATING!!!

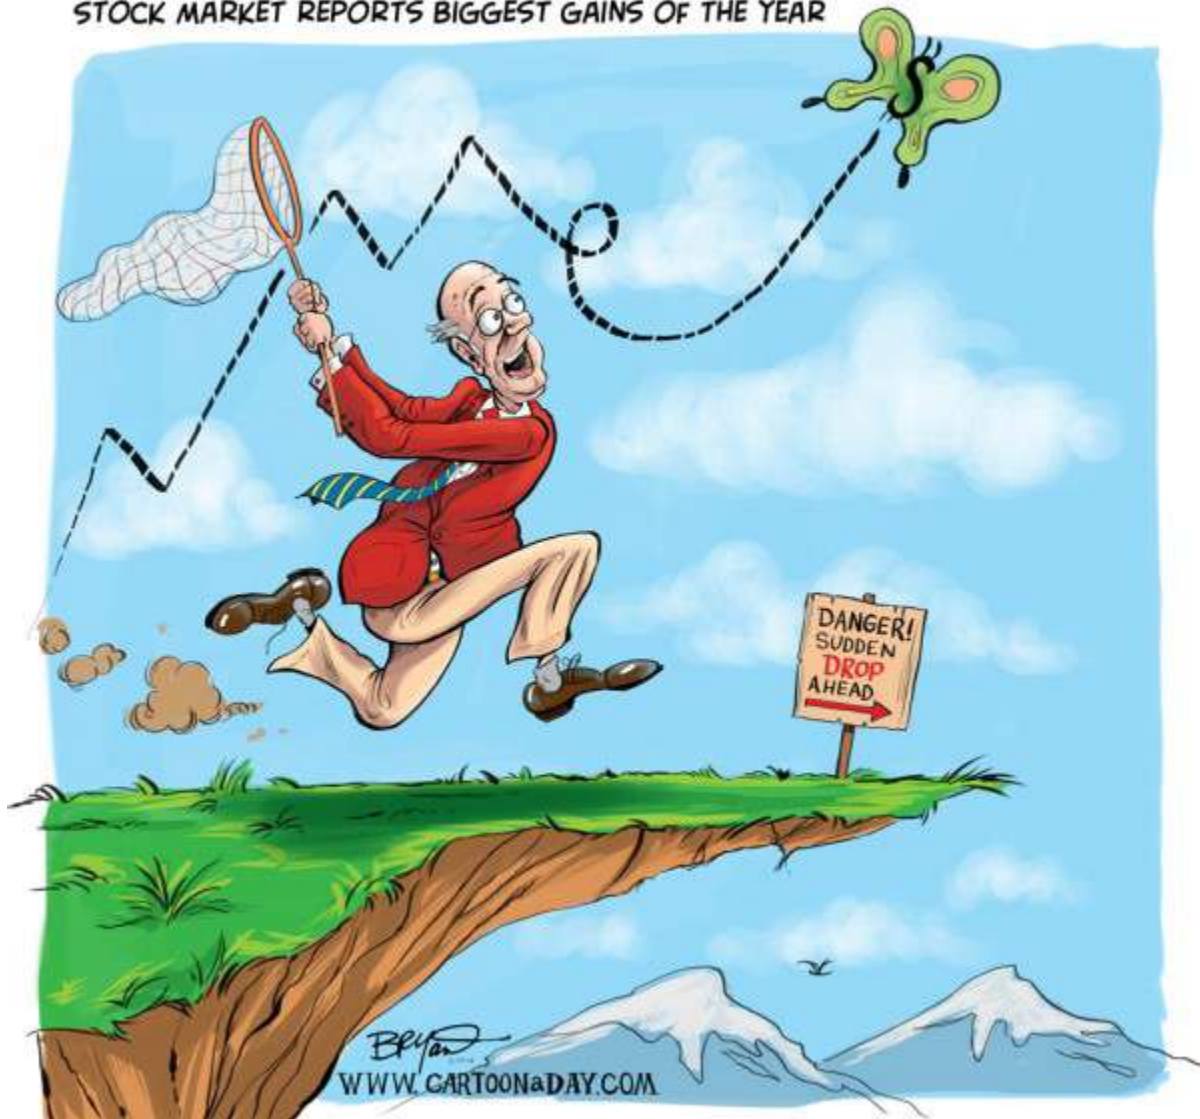

Often when times are tough, it is helpful to laugh to try to get through them with humor! Cartoons sometimes make you laugh out loud or they may make you smile....sometimes they even make you THINK!!!! Read the comics that I have pasted below. With a partner, choose 6 cartoons and explain the point that the cartoon artist was trying to make. Just write your answer below the cartoon you are explaining and delete the others.

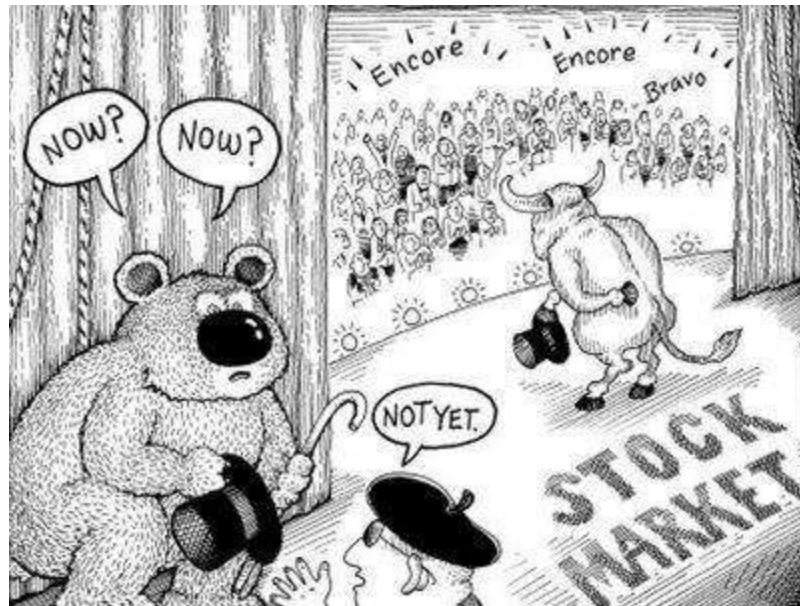

I think you'll enjoy investing in the stock market, Mrs. Lewis. It's just like riding on a roller coaster: you sit back, close your eyes and scream.
