

STOCK MARKET CARTOON PROJECT

Part 1

THE STOCK MARKET IS FUNNY!!!

Often when times are tough, it is helpful to laugh to try to get through them with humor! Cartoons sometimes make you laugh out loud or they may make you smile....sometimes they even make you THINK!!!! Read the comics that I have pasted below. With a partner, choose 6 cartoons and explain the point that the cartoon artist was trying to make. Write your explanation below the cartoon in **LARGE RED FONT**.

Create your own Stock Market Cartoon

With your partner, use the knowledge you have gained about cartoons and the stock market and create your own cartoon. Be creative! You may use the computer or you may use pencil/paper or you may use all of the above. I want to see you sick little senses of humor AND your understanding of the financial world.
