

# Storm

Booming and Banging thunder in the air

Crashing and Rumbling waves against wet rock

Bombing and scraping, lighting the sky

Swishing and Sloshing rain on a windscreen

Metallic thuds on a tin roof

Swishing and Swooshing the flooding roads

Howling and Moaning, wind attacking

Wavering, Crashing and Sizzling

Power everywhere

Thudding and Banging hail on every window

Slamming and Echoing

doors in the house
