

Student Assignment Working Group

Progress Update

November 14, 2014

Charge of Working Group

- ✓ Review information pertaining to student assignment including long range facility plans, enrollment projections, class size information, current building utilization and district-wide goals
- ✓ Develop communications strategy to inform community stakeholders of key activities and policy changes under consideration
- ✓ Develop clear and appropriate criteria for evaluating options
- ✓ Analyze and evaluate options for student assignment to achieve more balanced districtwide enrollment as the Angier, Zervas and Cabot Elementary School Building Projects are completed, 2015 - 2018
- ✓ Present best options to School Committee for review and final approval
