# Why Are Choosing Your Electives So Important?

- So you are scheduled for the classes you want
- So you have the correct classes for graduation and/or college
- So you can explore career Interests
- For additional ways to earn Your CCR!!!!

# How Many Electives Should I Choose???

- The number of electives you choose will depend on how many other courses you were recommended for by your teachers
- Most students will choose 4 electives and 3 alternate electives
- Your unit total when registering should equal 7!

# Why Do I Have To Choose Alternates???

- Sometimes there are scheduling conflicts that do not allow you to receive all of the courses that are your first choice.
- **If you do not select alternates, a counselor will have to choose a course for you if there is a conflict.**

# So What Are My Choices ???

**On the following slides, each UNDERLINED class has a student video explaining the class! Click the class name to listen to what the class is!**
