STUDENT EMAIL ACCOUNT PARENT APPROVAL

I have read and agreed to the District Internet Acceptable Use Policy and Procedure.

I will instruct my child regarding any restrictions against accessing material that are in violation of the District Acceptable Use Policy. I will emphasize to my child the importance of following the rules for personal safety.

General uses for a school e-mail account for your child include, but are not limited to, on-going communication with teacher and access to programs that require an e-mail account on the net, i.e. Prezzi (a presentation program where students can create their own project), certain math programs, etc.

*In addition, once this account is rolled out for your child, they will keep this same account through 12th grade in the Fraser Public Schools system.

I give permission to Fraser Public Schools to issue a student e-mail account for my child and certify that information contained in this form is correct.
