Macon R-1 Mission Statement

Through the expertise of a motivated staff, the Macon School District provides meaningful educational and technological opportunities in a safe, caring environment to prepare each student leader for a productive, successful, employable future in our ever-changing world.

Macon Elementary Vision

Building a brighter future for our children and our community.

POLICIES & PROCEDURES

ATTENDANCE

Age Requirements for School Attendance

State law requires that all children between the ages of seven (7) and sixteen (16) years of age attend some type of recognized formal schooling. State law also requires that in order for a child to be eligible to attend kindergarten, the child must turn five (5) years of age before August 1, of the year in which they attend. To be eligible for first grade, the child must turn six (6) years of age before August 1, of the year in which they attend.

Daily Attendance Expectation

Macon Elementary emphasizes “Bell to Bell attendance” since regular school attendance has a direct effect on the student’s achievement. Students who arrive late, leave early, and/or miss school frequently are placed at a distinct disadvantage in the classroom. Please keep this in mind when scheduling appointments.

Absences

When students are absent, parents should notify the school by entering the absence reason and information in School Dismissal Manager. The office will check on all students who are absent daily.

5 Days—Upon a student’s fifth absence during a semester, the parent(s) will receive a letter from the building administrator reminding them of the importance of regular school attendance.

8 Days—Upon a student’s eighth absence during a semester, the parent(s) will receive a letter from the building administrator reminding them of the importance of regular school attendance. Additionally, if a student accumulates eight or more absences that have not been verified by a physician or medical doctor, the case will be forwarded to the Macon County Juvenile Officer.

Excessive Absences—If a student continues to accumulate absences after the previous steps, the case will be forwarded to the Macon County Juvenile Officer and/or the Macon County Children’s Division.

Tardies

Tardiness causes a disruption in classroom procedure and hinders the orderly beginning of classroom activities. Students are considered tardy if they arrive after the 8:05 a.m. bell. Bus students are not counted tardy if the bus arrives late. Students arriving late or leaving early are to sign in and out of the Elementary Office. In addition, please add the late arrival or early departure to School Dismissal Manager. This gives the teacher and the office prior notice of the student’s plans.

3 Tardies—Upon a student’s third tardy during a semester, the parent(s) will receive a letter from the building administrator reminding them of the importance of arriving at school on time.

5 Tardies—Upon a student’s fifth tardy during a semester, the parent(s) will receive a letter from the building administrator reminding them of the importance of arriving at school on time.

8 Tardies—Upon a student’s eighth tardy during a semester, the parent(s) will receive a letter from the building administrator reminding them of the importance of arriving at school on time. Additionally, if a student accumulates eight or more tardies that have not been verified by a physician or medical doctor, the case will be forwarded to the Macon County Juvenile Officer.

Excessive Tardies—If a student continues to accumulate absences after the previous steps, the case will be forwarded to the Macon County Juvenile Officer and/or the Macon County Children's Division.

BICYCLES / SKATEBOARDS

No skateboards are allowed on campus. Only students 8 years old or older are permitted to ride bicycles to school. There is a bicycle rack located at school and students must park their bikes in these areas. Students are not to ride bikes on school grounds. (They should walk their bikes from the parking areas to the street corners.)

CARE OF SCHOOL PROPERTY

If a student loses/destroys books, materials and/or equipment belonging to or in use by the school district, parents may be asked to pay for fines, charges and/or replacement costs.

CELL PHONES / TECHNOLOGY DEVICES

Macon R-I is committed to moving students and staff forward in a 21st century learning environment. Students are expected to comply with all rules set in the Macon R-I Acceptable Use of Internet/Electronic Communications Policy.

Students are not allowed to use their devices (phones, smartwatches, earbuds, etc.) at any point during the school day. Students are expected to have their devices turned OFF and put away at all other times during the school day. Phones/devices should not be on their person and instead be stored away in a backpack, or a locker.

Use of technology devices in bathrooms is prohibited at all times. Parents/guardians should call the elementary school office if they need to get in touch with their child. Students are required to turn off cell phones during the regularly scheduled school day. Students are not called out of class for telephone calls except in cases of emergency. If cell phones/technology devices are being used in an inappropriate manner during the regularly scheduled school day they will be confiscated. Students who use their cell phone during class time and knowingly violate the rule, the technology device/cell phone will be confiscated and turned into the office.

- First Offense: The phone/technology device will be confiscated and kept in the office safe for the rest of the school day. The phone/technology device will then be released to the parent. The student may be assigned an afterschool detention.
- Second Offense: The phone/technology device will be confiscated and kept in the office safe for the rest of the school day. The phone/technology device will then be released to the parent. The student may be assigned 2 afterschool detentions.
- Third Offense: The phone/technology device will be confiscated and kept in the office safe for the rest of the school day. The phone/technology device will then be released to the parent. The student may be assigned 3 afterschool detentions.

CLASS PARTIES & STUDENT CELEBRATIONS

The following classroom parties will be held in each classroom during the school year:

- Halloween party – This party is organized by the classroom teacher and/or parent volunteers. Each grade level will determine plans for costumes during the school day.

- Christmas party – Classroom teachers will be in charge of parties for Christmas.
- Valentine party – This party is organized by the classroom teachers and/or parent volunteers.

Party invitations for student birthdays may only be passed out at school if every child of the same gender in the classroom will receive one.

The Macon R-1 District will follow the adopted Wellness Policy for all birthdays and class parties. All food items brought to school need to be pre-packaged and should be on the list of approved snacks, which can be found at <https://foodplanner.healthiergeneration.org/products/>.

Student deliveries (i.e. balloons, flowers, etc.) for birthdays and holidays are discouraged. All deliveries must meet the following criteria:

- There should be no glass vases, containers, etc. as part of the delivery.
- A maximum of one balloon (regardless of student dismissal via the bus or parent pick-up).

All deliveries should be left in the Elementary Office and will not be delivered to the classrooms. Students will be called to pick up their delivery as they exit the building for the day. *Please note, florist deliveries will not be accepted for Valentine's Day.*

CLASSROOM PLACEMENT

No requests for specific classroom placements will be taken. If parents/guardians have any concerns regarding a particular classroom placement for the next school year, they should submit it to the elementary office in early April. If parents/guardians have any concerns regarding a particular classroom placement at the time of the student's enrollment, they should submit their concerns in writing to the elementary office immediately. Efforts will be made to consider specific concerns.

CROSSWALK

There is a crossing guard at the crosswalk at the corner of Highway 63 and Elm Street scheduled daily before and after school each day as a courtesy. Please review safety procedures with your child so that they can safely cross any street whether or not a crossing guard is available.

EARLY DISMISSAL/CANCELLATION

In the event of inclement weather that would cause school to be dismissed early or canceled, announcements are made through Textcaster and also on all area radio/TV stations. (Parents may sign up for Textcaster by accessing the Macon R-1 website at www.macon.k12.mo.us.)

FIELD TRIPS

Students may have the opportunity to participate in various field trips with their class throughout the year.

- Parents may be allowed to chaperone a field trip on an as-needed basis, to be determined by the grade level teachers.
- For supervision purposes, no siblings may attend the field trip with a parent, either traveling by bus or by private vehicle.
- All students should ride the bus to the field trip. Parents attending the field trip may sign their student out with the teacher when it is over if they would like to transport them home on their own. Please note that the student will be marked absent for the remainder of the day.

LOST AND FOUND

There will be a designated place at school for Lost and Found items. Unclaimed items will periodically be donated to local charities.

MAKE-UP WORK

It is the student's responsibility to make up all required work that is missed because of absence. Upon returning, the student should obtain necessary assignments from the teacher(s). If you would like to make arrangements to pick up your child's missed work, please notify the teacher or the elementary office by noon, and homework will be ready for pick-up after 3:00 that day.

MORNING DROP-OFF

- Student arrival begins at 7:30a.m. At that time, students may enter the building through the new multipurpose building doors, report directly to the gym and sit in their designated grade level areas.
- Students can be dropped off in front of school or via the Spruce Street entrance. (The back drive is reserved for bus traffic only.)
- Students arriving after 7:50a.m. may enter through the front doors and go to their homerooms unless they are going to the cafeteria for breakfast.

OUTDOOR RECESS POLICY

Students will go outside for recess everyday, weather permitting. Classes will stay inside when the temperature is below 20 degrees (including the wind chill factor). Please dress your child appropriately.

PARENT CONTACT INFORMATION

It is important that the office be notified immediately when a family changes their address or telephone number. This is particularly important in case your child should have an accident or become ill at school.

PARENT VOLUNTEERS

Please contact the elementary office if you are interested in helping or volunteering at school.

REPORTING TO PARENTS

Grades, attendance, and discipline can all be monitored by parents on a daily basis using Parent Portal. Report cards are emailed home at the end of each quarter for all elementary students. Parent conferences are held at the end of the first quarter and again (by appointment) during the third quarter. We urge all parents/guardians to attend the conference when possible. We welcome any questions you have about your child's progress. If a conference is desired at a time other than those scheduled, feel free to call your child's teacher or the principal for an appointment.

RETENTION

Retention may be considered when, in the judgment of the professional staff, it is in the best educational interest of the student involved. Parents/Guardians will receive prior notification and explanation concerning retention. However, the final decision will rest with the school administration.

State law requires that all students who are reading below a third-grade reading level according to the district's fourth-grade reading assessment shall be retained if the student has not adequately improved through remediation or by the end of summer school. Furthermore, if a student fails to attend remediation assigned as a condition of promotion, the student will be retained.

SCHOOL HOURS

Elementary School hours are 8:05a.m. - 3:25p.m. Students should be dropped off in front of school or the new building entrance on Spruce Street. (The back drive is reserved for bus drop-off only.) Students arriving after the 8:05a.m. bell will be counted tardy. All students arriving late must sign in at the office. A student may not

leave the school during school hours unless cleared by office personnel. All students leaving early must be signed out by an adult in the office.

SCHOOL VISITORS

We are pleased to have parents/guardians visit our school. All visitors MUST sign in at the elementary office.

- For school safety purposes, parents are asked to say goodbye to their children in front of the building when dropping them off at school.
- Any visitor during the school day will report to the office to sign in and receive a visitor sticker before proceeding through the building. Anyone in the building without a visitor sticker will be redirected to the elementary office.
- Parents/Guardians are welcome to eat lunch with their child during their regular lunch time. The elementary office must be notified by a parent/guardian granting permission for any other visitor to eat lunch with their student.
- Visitors from other schools and children under school age may not visit Macon Elementary unless accompanied by a parent.

Any restrictions on school visitors will be communicated to parents in a timely manner.

SODA / DRINKS AT LUNCH

Students may not bring soda, energy drinks, etc. to consume with their lunch.

SOLICITING

Students may have the opportunity to sell fundraising items before school between 7:30 – 8:00 AM and after 3:25 at the end of the school day. (No sales are to occur during regular school hours.)

STUDENT DISMISSAL

All Macon R-1 students (K-12) will be dismissed at 3:25. Macon Elementary students will load buses a few minutes prior to middle school and high school dismissal.

Student Sign-Out Procedures

Any parent/adult picking up a child during the school day should come to the office to sign that student out. After verifying that the adult may pick up the student, an office secretary will call the classroom and have the teacher send the student to the office to meet the adult. Students will not be called to wait in the office before a parent arrives. Please note the following information:

- Parents should use School Dismissal Manager to inform the school of any early leaves. This notifies the school and teacher, and it also gives parents the security of knowing only a parent/guardian can enter the request.
- Students will only be released to the parent, guardian or designee of the parent or guardian or to other individuals or agencies as permitted or required by law.
- The district will release a student to either parent unless the district has a valid court order directing otherwise or unless the parent requesting release is only entitled to supervised visitation. If district staff have concerns about releasing the student to a parent, the student may be held while additional precautions are taken, including, but not limited to, verifying custody orders, contacting the other parent, or contacting appropriate authorities.
- Any person requesting release of a student may be asked to present proper identification prior to the release of the student.
- Students signed out before 3:20 will be marked absent for the remainder of the day, so parents are asked to do this only when absolutely necessary.

School Dismissal Manager

All dismissal changes for elementary students will be made through the School Dismissal Manager (SDM) program. Parents can access this program using a desktop computer, smartphone browser or by downloading the app. Every parent/guardian receives an email with login instructions for School Dismissal Manager. Please use these to login to SDM at www.schooldismissalmanager.com.

- When you login for the first time, you will be required to change your password immediately.
- As you begin to use School Dismissal Manager, if you have questions, please check the Frequently Asked Questions (FAQs) link found in the Parent login area at the top of the SDM homepage. Here, you will find answers to the most commonly asked questions. If your question remains unanswered after checking here, please contact the school office and we will be happy to assist you further.
- Each school day, School Dismissal Manager will send a comprehensive dismissal report to the school immediately following the cut-off time, allowing administrators and staff to facilitate a smooth dismissal. The cut-off time for making exceptions in SDM is 2:20 p.m.

Additionally, each parent/guardian receives a separate email with a four-digit PIN number for Fastlane, which is the new car line system. The PIN numbers are assigned to individuals using their email address. The system will not recognize more than one parent per email address. The PIN numbers are entered in the event that the QR code scanner is not working at pick up time. When students are picked up in the car line the school receives a detailed report that is generated daily which includes the name of the person who picked up each child as well as a timestamp. Please note the following information regarding Fastlane:

- Each parent should download the School Dismissal Manager app on their smartphone and allow the app to access the camera. In doing so you will be able to scan the QR code at pick up which will alert the staff inside the school that they should send your child out to the carline.
- EACH household parent/guardian should check their email (possibly spam/junk folder) for their own PIN number. You may contact the elementary office to have it resent if necessary.
- If a person other than a parent/guardian picks up a student on a regular basis (i.e. grandparent, babysitter, etc.), they may be assigned an individual PIN number as well but will not be able to make dismissal changes in SDM. You can add additional pick up persons from your homepage when you login to SDM. You will click the button that says "Add View Only Parent"
- Parents/guardians are discouraged from giving their PIN numbers to others.

Students Walking or Riding Bikes

Students that walk or ride bikes will be dismissed at 3:20 along with other elementary students. Classroom teachers will assist students in determining the best school door exit that is appropriate for them to walk home in the safest manner.

Parent Pick-Up After School

All elementary students that are being picked up after school will be released at 3:20 to designated grade level areas in the new 3rd-4th-5th grade hallway. Macon Elementary will utilize the exit doors of the new addition for a drive-through student pick-up system.

- Cars should enter the new drive to the car line from Walnut Street. Cars should drive through the softball field parking lot toward the entrance of the new building.
- *QR codes will be stationed near the building entrance for parents to scan. This will notify* inside supervisors which children should move toward the exit doors to be picked up.

- A staff member will be stationed outside the new building to assist parents as needed.
- Cars should continue to drive forward until they arrive at the car lane. At no time should a car leave the car lane and drive around other cars.
- Students must enter vehicles on the passenger side if at all possible. Supervisors will assist students if they need help with their seat belt. Adults picking up students in the car lane should not exit their vehicle.
- If a student is not at the exit or is delayed for some reason when their vehicle is at the car lane, the car will be directed to pull forward into the designated waiting or parking space.
- If a dismissal supervisor has any concerns regarding who is picking up the child, he/she will direct them to the elementary office before releasing the child.
- When leaving the car lane, cars may turn left onto Jefferson Street or may drive to the end of Spruce Street for right turns only.
- Parents that need to pick up an elementary student as well as a middle school/high school student will need to utilize the car line to pick up their elementary student and then drive to the front of the school to pick up their middle school/high school student.

STUDENT EMAIL ACCOUNTS

All elementary students will be provided a school email account after the technology agreement is signed by a parent. Please refer to the policy at the end of the handbook entitled “Acceptable Use of Internet / Electronic Communications” for further expectations, consequences for misuse, etc.

STUDENT FINES & FEES

All student fees and fines must be paid in order for students to attend special school events (i.e. Christmas movie, end-of-the-year field trips, etc.). Library books must be returned prior to these events or paid for, lunch accounts should have a positive balance, and any other miscellaneous fines/fees must be paid.

VALUABLE ITEMS

Students are not to bring valuable items to school. Macon R-1 School is not responsible for lost, stolen, or misplaced items. Students must not bring money to school unless it is to be used for a specific school purpose such as lunch money, field trips, etc. Money sent to school should be placed in an envelope with the name of the child, teacher, and room number on the outside.

WELLNESS POLICY

Macon R-1 is committed to the optimal development of every student. The District believes that for students to have the opportunity to achieve personal, academic, developmental, and social success, we need to create positive, safe, and health-promoting learning environments at every level, in every setting, throughout the school year.

The new U.S. Department of Agriculture regulations prompt changes in some practices at our school in order to establish compliance, including:

- Students will be allowed to bring and carry (approved) water bottles filled with only water with them throughout the day.
- All foods offered on the school campus will meet or exceed the USDA Smart Snacks in School nutrition standards. This applies to foods offered at school celebrations and parties as well.
- Students will be offered periodic opportunities to be active or to stretch throughout the day on all or most days during a typical school week.

For more information regarding our wellness policy - click on **Macon County R-1 Wellness Policy** or go to our school webpage at <http://www.macon.k12.mo.us/> then click on Useful links->Health Page -> wellness policy. Approved snacks can be found at <https://foodplanner.healthiergeneration.org/products/>.

WITHDRAWAL PROCEDURES

If it becomes necessary to withdraw your child from school, please notify the elementary office at least three days in advance. School records will be sent to the receiving school upon receiving a records request from the school. If a student is absent for ten consecutive days and no records request has been received, the school may initiate a report to the Children's Division.

WRITTEN COMMUNICATION

All written communication not generated by school staff members (i.e. flyers, brochures, etc.) shall be cleared by the elementary principal before being distributed to staff and/or students.

PROGRAMS & SERVICES

COUNSELOR SERVICES

Macon Elementary employs a full-time school counselor who provides services in four areas:

Responsive services: Individual/group counseling, consultation, and referrals to provide support for student's mental health and social/emotional well-being. Students facing issues that do not impact the school environment or facing significant issues above and beyond what can be addressed in the school setting are referred to outside providers for additional support.

Curriculum: Lessons are provided during the Specials rotation to help students learn about themselves and others and to assist students with the development of coping skills. Additionally, students develop skills to promote school and career success.

Individual student planning: One-on-one and group activities to provide assistance with academic success and help students set and evaluate academic and personal goals.

System support: Activities that provide support for the school counseling program as well as other school programs. These activities include program management, professional development, staff and community relations, consultation, community outreach, and evaluation.

NURSE INFORMATION

Macon Elementary has a full-time registered nurse for grades Kindergarten through 5. If there are any questions regarding your child's health you may call 385-2118. It is advisable that you talk with the nurse about any special needs your child might have.

Vision screenings are done in alternate grades throughout the school year. Dental screenings are conducted in every grade throughout the school year.

Administering Medicines to Students

All medications must be stored in the school nurses' office. Medications will not be dispensed unless the following requirements are met:

Prescription Medication

- The student's physician shall provide the school with a written request that the student must be given medication during school hours. The request shall state the name of the student, name of the drug, dosage, frequency of administration, how the medication is to be given and the doctor's name. The prescription label will be considered an equivalent of the physician's order for short-term medication. When possible, descriptions of adverse effects and any applicable emergency instructions will be provided.
- The parent/guardian will provide a written request that the school district comply with the physician's request to give medication. The district will not administer the first dose of any medication.

- The parent/guardian will supply the medication in a properly labeled container from the pharmacy with only those doses to be given at school, and with instructions for any special need for storage, e.g. refrigeration. The medication will be delivered to the school by the parent/guardian or other responsible adult. Medication supplies should not exceed a 30-day supply. All medications must be in original containers. Do not send any medications in envelopes, plastic wrap, lunch boxes, etc. Your pharmacist will provide extra properly marked containers.

Over-the-Counter Medication

- Written permission must be obtained from a parent/guardian to administer over-the-counter medications from home or which have been prescribed. This permission must be renewed at least annually. Occasionally your child may unexpectedly need medication during a school day. For these occasions, the school nurse maintains a limited supply of over-the-counter medications. If your child needs such medications for an extended time or for a chronic condition, you must supply the medication. Please note that no Ibuprofen or Tylenol will be given the first or last hour of the school day.

Self-Administration of Medication under Safe Schools Act

- A physician may recommend that an individual student with a chronic health condition, such as asthma or other potentially life-threatening respiratory illness, assume responsibility for his or her own medication as part of learning self-care. The Board may permit such a student to self-administer medication by way of a metered-dose inhaler, provided that the following conditions have been met—to self-administer this medication, children MUST have on file with the school:
 - Written authorization
 - Medical history of the student's asthma
 - A written Asthma Action Plan to address emergencies and the care of asthma while in school
 - In addition, written authorization must be provided from the prescribing physician that the child has asthma, has been trained in the use of the medication, and is capable of self-administering the medication.

Immunizations

- A State law requires that a child must be totally immunized according to the State requirements before they can attend any school in the State of Missouri. Therefore, your child will not be able to start school until all their shots are complete and on file with the school nurse. If there is a question whether your child is adequately immunized, please check with your doctor, the school nurse or the County Health Department.

Contagious Illness Management

- Children with contagious illness should not be brought to school. Students should not come to school if during the previous 24 hours they exhibit any of the following symptoms:
 - A temperature of 100 degrees or greater
 - Vomiting or diarrhea
 - An unusual or unexplained rash, unrelenting and itchy
 - Persistent cough
 - Told by a doctor they are still contagious
 - Children with chickenpox are to remain at home a minimum of six (6) days after the first appearance of the rash. They may return to school when all lesions are crusted over.
 - Students with COVID-19 symptoms should follow local Health Department recommendations.

PARENT PORTAL

Parent Portal is a web-based system that allows parents to view their child's school attendance history, schedule, grades, and lunch account information. To access this site, parents must complete a Parent Portal Agreement and return it to the Elementary Office. Parents will then be issued a password via e-mail and can begin viewing their child's information.

PARENT-TEACHER ORGANIZATION

One important means of building and maintaining good public relations is through the Parent-Teacher Organization. The PTO in our district has made outstanding accomplishments in past years. Besides sponsoring fund raising projects throughout the school year, Macon PTO organizes the Box Tops Program and Teacher Appreciation activities.

PARENTS AS TEACHERS EARLY CHILDHOOD PROGRAM

The district offers, free of charge to its residents, a parent education program for parents of children ages birth to five years. Home visits and parent workshops are provided. All children ages birth to five are eligible for free developmental screenings. If interested, or for more information, contact the elementary office.

- **Free and Reduced Lunches**

- Applications must be completely filled out and returned to school. If there are questions, call the Food Service office at 385-2197.

SPECIAL SERVICES PROGRAMS

It is our belief that every child can learn. However, all children do not learn in the same way or at the same rate. In order to be a successful student, a child may need an extra "boost" that requires help within or outside the regular classroom. We have developed many special programs to provide for the wide variety of needs for our children. The special services programs include Title I remedial reading and math programs, Special Education Services and Early Childhood Special Education. If you have any questions or would like to inquire into any of the programs, please contact the elementary office.

TESTING PROGRAM

In any program, it is essential to evaluate progress to determine strengths and weaknesses. At Macon Elementary, our formal evaluation program is planned and supervised by the elementary counselor, elementary principal, and the elementary assistant principal. Upon entry to kindergarten, all students are screened for the purpose of identifying any that need further evaluation and to plan an instructional program for all students. All students are assessed to identify those with potential reading and/or math difficulties to plan instruction accordingly.

Macon Elementary students participate in state assessments determined by DESE. Students take tests in the areas of Communication Arts, Math and/or Science. The tests have benefits other than assessing the success of school programs. These tests are also used in the placement of students and for use on reports sent to the state. The testing program is conducted in the spring.

TIGER CUBS PRESCHOOL - EARLY CHILDHOOD SPECIAL EDUCATION

Tiger Cubs Preschool, Early Childhood Special Education, is a preschool program available for qualifying 3, 4, and 5 year olds. Assistance is provided in the areas of pre-academics, speech and language, physical and occupational programs and itinerant services. This is a state-funded program with transportation provided.

SCHOOL RULES & DISCIPLINE

STUDENT DISCIPLINE CODE

The school environment is a community of individuals who live and interact based upon commonly shared expectations, rights and responsibilities, and common sense. Maintaining an effective learning environment requires the combined effort and partnership of students, parents, teachers, school administrators and others involved in the educational process. It is also recognized that as students progress in school and advance in age and maturity, they will assume greater responsibility for their actions.

It is our aim that control of students can be maintained through positive reinforcement and specific consequences determined appropriate at each grade level. Such consequences might include parent contact, isolation, or loss of recess and privileges. In many cases, positive reinforcement, such as rewarding good behavior, will make the punitive measures needed less.

The discipline code is designed to foster self-discipline in the students of Macon Elementary School, to protect the student body from dangerous and/or disruptive forces within the school, and to notify student and parents of behavioral expectations and the suggested interventions, which will be used in most cases of student misconduct. The following interventions will be used to address student misconduct.

- **Teacher detention:** Detention assigned by a teacher and served by the student in the instructional area assigned to the teacher.
- **Before-school detention:** Shall be assigned from the principal's office. Students shall report on time and bring schoolwork to be worked on during detention time. Before-school detention will be held before school from 8:05 a.m. – 8:25 a. m.
- **In-school suspension:** The student is suspended from the privilege of attending his/her regular classes and is isolated to the office. The suspension time can be for the full day or a class period.
- **Out-of-school suspension:** Suspension from school is for a specified period of time. The student will not attend school-sponsored activities and is not to be on school grounds during the term of suspension. The student is expected to complete the class assignments for each subject. Schoolwork completed during the suspension will be given full credit within the discretion of the teacher.
- **Semester suspension:** Suspension from school for the remainder of the present semester or up to ninety days as recommended by the principal and assigned by the superintendent. The student is not to attend school-sponsored activities or to be on school grounds during the term of the suspension.
- **Expulsion:** An action of the Board of Education, which permanently removes a student from school.

DISCIPLINARY RESPONSES TO STUDENT MISCONDUCT

LEVELS OF STUDENT MISCONDUCT

LEVEL I – A minor misbehavior on the part of the student, which disrupts orderly classroom procedures or interferes with the orderly operation of the school. These misbehaviors can usually be handled by an individual staff member but sometimes require the intervention of other school personnel.

EXAMPLES:

Classroom disturbance	Failure to comply with school rules and regulations
Classroom tardiness	Unnecessary roughness
Abusive language	Dishonesty
Verbal and Nonverbal Obscenities	Minor failure to comply with bus regulations
Defiant failure to complete assignments or carry out assignments	Bullying

DISCIPLINARY RESPONSE PROCEDURES

This is immediate intervention by the staff member who is supervising the student or who observes the misbehavior. Repeated misbehavior may require a parent/teacher conference or conference with the counselor and/or administrator. The staff member maintains a proper and accurate record of out of the ordinary offenses and disciplinary action.

SCHOOL DISCIPLINE OPTIONS

Parent contact/conference	Non-academic tasks
Verbal reprimand	Behavioral contract
Counseling	Withdrawal of privileges
Strict supervised study	Classroom detention
Assigned seat	

LEVEL II – A misbehavior whose frequency or seriousness tend to disrupt the learning climate of the school. These infractions, which usually result from the continuation of Level I misbehaviors, require the intervention of personnel on the administrative level because the execution of Level I disciplinary options has failed to correct the situation. Also included in this level are misbehaviors which do not represent a direct threat to the health and safety of others, but whose educational consequences are serious enough to require corrective action on the part of administrative personnel.

EXAMPLES

Repetition of Level I misbehaviors	Insubordination
School Tardiness/Truancy	Cutting Class
Inappropriate physical behavior	Tobacco/E-cigarette use or possession
Fighting (minor)	Vandalism
Using forged notes or excuses	Disruptive school behavior
Bullying	Unauthorized possession of others' property

DISCIPLINARY RESPONSE PROCEDURES

The student is referred to the administrator for appropriate disciplinary action. The administrator meets with the student and/or teacher and affects the most appropriate response. The teacher is informed of the administrators' action. The staff member maintains a proper and accurate record of the offense and disciplinary action.

SCHOOL OPTIONS

All Level I options plus the following:

Work Assignments	Out-of-School suspension
Modified day	Financial and/or in-kind restitution
Behavior modification	Loss of released time
Pre-school detention	Peer counseling
Suspension from participation	Citizenship assignment
Saturday detention	In-school suspension
Temporary Loss of transportation privilege (2-3 days)	
Referral to outside agency	Suspension from attendance at extracurricular activities

LEVEL III – are acts directed against persons or property but whose consequences do not seriously endanger the health of safety of others in the school. These acts might be considered criminal, but most frequently can be handled by the disciplinary mechanism in the school. Corrective measures, which the school should undertake, however, depend on the extent of the school's resources for resolving the situation in the best interest of all the students.

EXAMPLES

Fighting	Inappropriate or suggestive attire
Vandalism	Possession/use of stolen property
Stealing	Possession/use of unauthorized substances
Verbal/nonverbal obscenities	Serious threats to others
Dishonesty	Major disruptive school behavior
Unlawful trespassing	Failure to comply with bus regulations
Careless and imprudent operation of a motorized vehicle	
Failure to comply with bus regulations	

DISCIPLINARY RESPONSE PROCEDURES

The administrator initiates disciplinary action by investigating the infraction and conferring with staff on the extent of the consequences. The administrator meets with the student and confers with the parent about the student's misconduct and the resulting disciplinary action. The staff member maintains a proper and accurate record of the offense and disciplinary action.

SCHOOL OPTIONS

All Level II plus the following:

Temporary removal from class	Homebound instruction
Citizenship policy applies	Alternative program
Temporary loss of transportation privileges (2-30 days)	
In-school suspension	Contact Law Enforcement Agency
Out-of-school suspension	Financial and/or in kind restitution
Work assignment	

LEVEL IV – are acts which result in violence to a person or property or which pose a direct threat to the safety of others in the school. These acts are clearly criminal and are so serious that they always require administrative actions, which result in the immediate removal of the student from school, the intervention of law enforcement authorities and action by the Board of Education.

EXAMPLES

Repetitive Level III behaviors	Vandalism
Extortion	Theft/possession/sale of stolen property
Arson	Possession/use/transfer of dangerous weapons
Bomb threat	Assault and/or battery
Furnishing/selling/possession of unauthorized substances	

DISCIPLINARY RESPONSE PROCEDURES

The administrator verifies the offense, confers with the staff involved, and meets with the student. The student is immediately removed from the school environment. The Student Behavior Disciplinary Action Report notifies the parents. School officials contact law enforcement and assist in prosecuting offender. A complete and accurate report is submitted to the Superintendent for Board action. The student is given a full due process hearing before the Board.

SCHOOL OPTIONS

All Level III options plus the following:

- Expulsion
- Alternative Schools
- Permanent loss of transportation privileges (30-180 days)
- Other Board action, which results in appropriate placement

DISTRICT POLICIES & PROCEDURES

ASBESTOS CONTROL

Asbestos is an issue we have been dealing with for many years. The Asbestos Hazard Emergency Response Act of 1986 (referred to as AHERA), was enacted by Congress. AHERA was enacted to determine the extent of and develop solutions for any problems schools may have with asbestos.

We have had our facilities inspected by a certified asbestos inspector, as required by AHERA. The inspector located, sampled, and rated the condition and hazard potential of all material in our facilities suspected of containing asbestos. The inspection and laboratory analysis records were turned over to a professional, certified to develop asbestos management plans.

The engineer has developed an asbestos management plan for our facilities which includes a notification letter, education of our employees, a set of plans and procedures designed to minimize the disturbance of the asbestos containing materials, and plans for regular surveillance of the asbestos-containing materials.

A copy of the asbestos management plan is available for your inspection in our administrative offices during regular office hours. Steve Shoush, Director of Maintenance, is our Asbestos Program Manager. All inquiries regarding the plan should be directed to him.

We have begun implementing the asbestos management plan. We plan on taking whatever steps are necessary to insure your children and our employees have a healthy and safe environment, in which to learn and work.

BULLYING

Macon R-1 is committed to maintaining a learning and working environment free of any form of bullying or intimidation by students toward Macon R-1 personnel or students on school grounds, or school time, at a school-sponsored activity, or in a school-related context. Bullying is the intentional action by an individual or group of individuals to inflict physical, emotional, or mental suffering on another individual or group of individuals.

Bullying occurs when a student:

- Communicates with another by any means, including telephone, writing, or electronic communications, with the intention to intimidate or inflict physical, emotional, or mental harm without legitimate purpose, or...
- Physically contacts another person with the intent to intimidate or to inflict physical, emotional, or mental harm without legitimate purpose.

The following guidelines are established for the presentation of student complaints and grievances regarding sexual harassment or bullying:

- A student should report incidents of sexual harassment or bullying to a teacher, other staff member or the building principal. A school employee should report incidents of harassment to the building principal or other school administrator.
- The principal shall schedule a conference with the student and any student or staff member involved to attempt to resolve the problem. Parents/Guardians may be involved in the conference or a later conference may be scheduled at the discretion of the principal.

- If the problem is not resolved to the satisfaction of the student or parent/guardian, a request may be made to arrange a conference with the Superintendent of Schools. The superintendent shall arrange a conference to consider the problem and to inform participants of the action to be taken.
- If the student or parent/guardian is not satisfied with the action of the superintendent, a written request to appear before the Board of Education may be submitted. Unless required by law, a hearing will be at the discretion of the Board. The decision of the Board shall be final.

Click [here](#) for a copy of the Bullying Incident Report form.

CUSTODIAL AND NON-CUSTODIAL PARENT RIGHTS AND RESPONSIBILITIES

- When parents of a student are separated, involved in divorce proceedings, or divorced, the building principal will respect the rights of the custodial and non-custodial parents equally except when a court order exists concerning special restrictions.
- It is the responsibility of the legal guardian/custodial parent to provide the school principal with a copy of such a court order if restricted access to a student's information is requested. Parent rights include access to student records and school mailings, attendance at parent/teacher conferences and Individual Educational Program (IEP) meetings, and authority to request that a student be released early or be absent from school for a legitimate reason.
- It is the responsibility of the non-custodial parent to inform the school office of his/her name, address, and phone number if they wish to be consulted regarding their child or wish to be placed on the school's mailing list.
- Visitation by non-custodial parents will be granted unless official documents prohibiting visitation are on file with the school.

DRESS CODE- Kindergarten through Grade 12

The Macon County R-1 School District encourages all students to dress in a manner reflecting good taste and an appropriate style for school attendance. It is expected that student dress will not disrupt the educational process, constitute a health or safety hazard, or violate district policy.

Recognizing that some students may abuse dress privileges, the following limitations are examples of dress restrictions that will be enforced. When - in the judgment of the building administrator or their designee - a student's appearance or mode of dress does not comply with the following criteria, the student may be required to make modifications or change to clothing that meets the student dress code. Students will be subject to the discipline code for any and all violations. Exceptions to the grooming and dress code for health or religious reasons will be considered on a case-by-case basis.

- Hats, head coverings, hoods, and sunglasses are NOT allowed.
- Backless, strapless, or halter tops are NOT allowed.
- Tops must have straps at least three-fingers in width.
- Tops that hang excessively low below the neck or underarms are NOT appropriate.
- Bare midriffs are NOT allowed - the midsection must always be covered.
- Undergarments must NOT be visible; they should be completely covered at ALL times by appropriate tops and pants.
- Appropriate dresses, skirts, and shorts may be worn. The length of any shorts will be no shorter than the width of the palm of the hand measuring down from the top of the inseam.

- Jeans or pants should not have holes or sheer sections above the defined short level.
- All students must wear shoes, boots, or other types of appropriate footwear.
- Clothing, lanyards, jewelry, or wristbands with inappropriate or suggestive language, pictures with dual meanings, or innuendos are NOT allowed. These items may NOT promote tobacco, alcohol, illegal drugs, drug paraphernalia, or death/destruction of life.
- Blankets, pillows, quilts, comforters, bedding, etc. are not allowed in the building unless approved.
- Additional dress guidelines may be imposed upon students participating in certain extracurricular activities

EMERGENCY INFORMATION

To Parents or Guardians of Students:

We want you to be aware that this school has made many preparations to deal effectively with emergency situations that could occur in or around the school, both during the school day and during after hours activities. While we hope that a natural disaster or other serious incident never occurs, our goal is to be prepared for any potential emergency. At all times, our first priority is to protect all students, staff, and guests from harm.

In order for our emergency response plans to be effective, we depend on the cooperation and assistance of many people, such as the police and the fire department. We also depend on you, as parents, to support our disaster-response efforts. Your cooperation is vital to helping us protect the safety and welfare of all children and school employees.

Therefore, we ask parents/guardians to observe the following procedures:

1. Do not telephone the school. We understand and respect your concern, but it is essential that the telephone system is available for emergency communications.
2. Make sure that we have emergency contact information for each of your children at all times. We must be able to contact you or your designated representative in an emergency.
3. Tune your radio to KRES (104.7 FM) for emergency announcements and status reports. You also will receive instructions on where you should and how/when you may be able to pick up your children. Our school emergency plan includes evacuation procedures with several alternative destinations. When appropriate and safe, students may be released to their parents/guardians from these shelter locations. Under those circumstances, we will be prepared to implement procedures for confirming the identity of individuals who arrive to pick-up each child. When arriving to pick up your children, please make sure that you have with you your driver's license or government issued picture identification.
4. Do not come to the school until instructed to do so. It may be necessary to keep the streets and parking lot clear for emergency vehicles. If evacuation is required, students may be transported to a location away from school. You will be notified of this through the media bulletins.
5. Talk to your children and emphasize how important it is for them to follow instruction from their teachers and school officials during any emergency.
6. Parents and other adults must stay calm and focused in an emergency, mindful that their actions and comments will be the example that, to a great extent, determines the children's response.
7. Carefully read all information you receive from the school. You may receive updates about our safety procedures from time to time.
8. When your child is at home following an emergency, try to keep your child away from news being broadcast over the various media. Have an emergency plan at home. Decide on a telephone number to call outside our community or a place to rendezvous if separated. Keep a "disaster supplies kit" containing drinking water, non-perishable food, batteries, flashlight, radio, medication, toothbrushes, etc. (www.redcross.org).

We are proud that ours is a safe school, and we are doing everything possible to keep it that way. We appreciate your cooperation and support. If you have any questions about this information or other aspects of our safety procedures, please contact Macon Elementary at 660-385-2118.

GRIEVANCE PROCEDURE

The Board recognizes that situations of concern to parents/guardians or the public may arise in the operation of the district. Such concerns are best resolved by addressing them at the level where the concern originated through communication with the appropriate staff member (progressing from teacher, building level administrator, to superintendent). Any concern regarding federal programs administered by the Missouri Department of Elementary and Secondary Education (DESE) may also be appealed to DESE or the United States Department of Education as permitted or required by law. (See related NCLB policy in this handbook.)

If a complaint has been made and appealed in accordance with administrative procedures, the parent/guardian or member of the public may appeal the issue to the Board by submitting a written request to the superintendent or the secretary of the Board. The Board will address the complaint in an appropriate and timely manner.

NONDISCRIMINATION POLICY

The Macon R-1 School District has adopted policies which affirm its compliance with applicable statutes regarding nondiscrimination on the basis of race, color, national origin, ancestry, religion, socioeconomic status, marital status, sex, age or handicapping condition. PUBLIC NOTICE

All responsible public agencies are required to locate, evaluate, and identify children with disabilities who are under the jurisdiction of the agency, regardless of the severity of the disability, including children attending private schools, highly mobile children, such as migrant and homeless children, and children who are suspected of having a disability and in the need of special education even though they are advancing from grade to grade. The school district assures that it will provide a free, appropriate public education (FAPE) to all eligible children with disabilities between the ages of 3 and 21 under its jurisdiction. Disabilities include autism, deaf/blindness, emotional disorders, hearing impairment and deafness, mental retardation, multiple disabilities, orthopedic impairment, other health impairments, specific learning disabilities, speech or language impairment, traumatic brain injury, visual impairment/blindness and young child with a developmental delay.

The school district assures that it will provide information and referral services necessary to assist the State in the implementation of early intervention services for infants and toddlers eligible for the Missouri's First Steps Program.

The school district assures that personally identifiable information collected, used, or maintained by the agency for the purposes of identification, evaluation, placement or provision of FAPE of children with disabilities may be inspected and/or reviewed by their parents/guardians. Parents/guardians may request amendment to the educational record if the parent/guardian believes the record is inaccurate, misleading, or violates the privacy or other rights of their child. Parents have the right to file complaints with the U.S. Department of Education or the Missouri Department of Elementary and Secondary Education concerning alleged failures by the district to meet the requirements of the Family Educational Rights and Privacy Act (FERPA).

The school district has developed a Local Compliance Plan for implementation of State Regulations for the Individuals with Disabilities Education Act (IDEA). This plan contains the agency's policies and procedures regarding storage, disclosure to third parties, retention and destruction of personally identifiable information and the agency's assurances that services are provided in compliance with the General Education Provision Act (GEPA). This plan may be reviewed at the superintendent's offices of the agencies listed below.

Local school districts in the State of Missouri are required to conduct an annual census of all children with disabilities or suspected disabilities from birth through age twenty (20) that reside in the district. This census is compiled by December 1 of each year. This information is treated as confidential and must include: name of the child, parent/legal guardian's name/address; birth date and age of each child; the child's disability; and the services provided to the child. If you have a child with a disability or know of a child with a disability who is not attending the public school, please contact your school district.

This notice will be provided in native languages as appropriate.

RELIGIOUS CONTENT IN PROGRAMS AND CEREMONIES (Board Policy IND)

The schools of the Macon R-I School District, as well as all employees of the district as governmental officials, are required by law to remain neutral and refrain from endorsing any particular religious belief. However, this policy should not be interpreted to preclude the factual and objective teaching about religions, religious holidays, and religious differences.

In particular, music, art, literature and drama with religious themes and programs involving religious themes will be permitted if presented in an objective manner without sectarian indoctrination. Religious content included in any student performance or ceremony will be selected on the basis of independent educational merit.

To the extent required by law, school employees or school officials shall not lead attendees of a school-sponsored event in prayer or any other religious ritual, nor shall they direct, whether implicitly or explicitly, a student to lead attendees in a prayer or any other religious ritual. However, this policy shall not be used to deny any student, employee or school official any personal legal right of expression.

SAFETY PROGRAM

The Board recognized the necessity for a planned safety program to ensure a safe environment for the students attending, and the professional and support staff employed by the Macon R-1 Schools. The maintenance of healthy and safe conditions throughout the school district is a responsibility shared by the Board, Superintendent and all professional and support staff.

Every attempt will be made to meet or exceed safety and health standards, established by state and federal laws and regulations. The Board encourages the cooperation of the school, home, and community in providing a safe and healthful environment.

SEARCHES AND SEIZURES

Macon R-1 reserves the right to ensure that all students and staff have a safe environment. At times when there is a reasonable suspicion, there may be a need to make searches and seizures at school. While on school property, the administration may conduct appropriate searches of persons, book bags, cars, lockers, and other property. Computer files created and/or stored on the Macon Public School servers are considered property of the Macon Public School and can also be searched.

SEXUAL HARASSMENT

The school district is committed to providing an environment free from intimidating, hostile or offensive behavior, unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of communication constituting sexual harassment. Sexual harassment by an employee, student or other person in the district against any person is prohibited. Allegation of sexual harassment shall be investigated and, if substantiated, corrective or disciplinary action will be taken based upon board policy.

STUDENT ALCOHOL/DRUG ABUSE POLICY

The use, sale, transfer, possession or being under the influence of alcoholic beverages or controlled substances is prohibited on any school property, on any school-owned vehicle or in any other school-approved vehicle used to transport students to and from school or school activities. Prohibition extends off school property at any school-sponsored or school-approved activity, event or function, such as a field trip or athletic event, where students are under the jurisdiction of the school district. A controlled substance shall include any controlled substance, counterfeit substance or imitation controlled substance as defined in the Narcotic Drug Act and in the Controlled Substances Act.

School administrators or teachers shall have the right to conduct searches, which are reasonable in scope, of persons reasonably suspected to be in violation of this policy during or after school hours on school property, or at any school event, whether at the school or at some alternate location.

Any student who, after presenting his or her version of the incident, is found to be in violation of this policy shall be subject to disciplinary action up to and including suspension, expulsion or other discipline as provided in the district's discipline policy, and referral for prosecution.

The district shall provide information about alcohol and drug counseling and rehabilitation and re-entry programs that are available to students. Students may be required to participate in such programs in order to avoid suspension or expulsion if they are found to be in violation of this policy.

Extra curricular/co-curricular activities as set forth by the Missouri State High School Activities Association are not required of students and therefore, participation is a privilege. Participation in such activities is suspended for the use, sale, transfer or possession of alcoholic beverages or controlled substances by any student. Suspension will follow the guidelines as set forth in the "Good Citizenship Policy".

STUDENT RECORDS

All parents will have the right to inspect their child's education records as allowed by law. As used in this policy, a "parent" includes a biological or adoptive parent, a guardian or an individual acting as a parent in the absence of a natural parent or guardian. The district will extend the same rights to either parent, regardless of divorce, custody or visitation rights, unless the district is provided with evidence that the parent's rights to inspect records have been legally revoked.

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age certain rights with respect to the student's educational records. These rights are:

1. The right to inspect and review the student's education records within 45 days of the day the school receives a request for access. Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes is inaccurate or misleading. Parents or eligible students may ask the school to amend a record that they believe is inaccurate or misleading. They should write the principal or appropriate official, clearly identify the parent of the record they want changed, and specify why it is inaccurate or misleading. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the school has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon requests, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA. The name and address of the office that administers FERPA are Family Policy Compliance Office U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-4605.
5. The district has determined that the following information regarding the district's students is not harmful or an invasion of privacy, and therefore will release this information without first obtaining parental consent. If a parent, guardian, or person acting as a student's parent in absence of a parent or guardian, does not want the district to release the information below, they must notify the district in writing within ten (10) days of receiving this handbook of the information they do not want released.

The following information may be released without obtaining parental consent:

Student's name; parent's name; date and place of birth; grade level; bus assignment; enrollment status (e.g. full-time or part-time); participation in school-based activities and sports; weight and height of members of athletic teams, dates of attendance; honors and awards received; artwork or coursework displayed by the district; most recent previous school attended; and photographs, videotapes, digital images and recorded sound unless such photographs, videotapes, digital images and recorded sound would be considered harmful or an invasion of privacy.

STUDENT RIGHTS AND RESPONSIBILITIES

The Board of Education believes that students have rights which should be recognized and respected. It also believes that every right carries with it certain responsibilities. Among these students rights and responsibilities are the following:

- The right to attend free public schools; the responsibility to attend school regularly and to observe school policies, rules, and regulations deemed essential for permitting others to learn at school
- The right to a quality education; the responsibility to put forth the best efforts during the educational process.
- Civil rights—including the rights to equal educational opportunity and freedom from discrimination; the responsibility not to discriminate against others.
- The right to free inquiry and expression; the responsibility to observe rules and regulations regarding these rights.
- The right to due process of law with respect to suspension, expulsion, and decisions which the student believes injure their rights.
- The right to privacy, which includes privacy in respect to the student's school records.

It is the Board's belief that, as part of the educational process, students should be made aware of their legal rights and of the legal authority of the Board to make and delegate authority to its staff and to make rules and regulations regarding orderly operation of the district schools. If the policy guidelines adopted by the Board are to be successful, it must be understood that school officials and teachers have the authority to interpret and apply policy in a given situation. Students must obey any such interpretation subject to an appeal.

Schools must be a place where students are encouraged to learn. Standards of conduct are established by the Macon R-1 Board of Education to create an environment in which each student's right to learn is protected. Students and their parent/guardian will be notified of their rights and responsibilities, including standards of conduct, through handbooks distributed annually. When the rights and responsibilities of individuals are clearly understood, the elements of respect and cooperation will result in the harmonious and constructive education of the student.

SURVEYING, ANALYZING OR EVALUATING STUDENTS (Board Policy JHDA)

Inspection

Any parent may inspect, upon request, any instructional material used as part of the educational curriculum and all instructional materials, including teachers' manuals, films, tapes or other supplementary material, that will be used in connection with any survey, analysis or evaluation as part of any applicable program. Further, a parent may inspect, upon request, a survey created by a third party before the survey is administered or distributed by a school to a student. The term "instructional material" does not include academic tests or academic assessments.

In general, the district will not collect, disclose or use personal student information for the purpose of marketing or selling that information or otherwise providing the information to others for that purpose. In the rare case where the district may collect information from students for the purpose of marketing or selling that information, parents may inspect any instrument used before the instrument is administered or distributed to a student, upon request and in accordance with Board policy.

Consent Required

In accordance with law, no student, as part of any program wholly or partially funded by the U.S. Department of Education, shall be required to submit to a survey, analysis or evaluation (hereafter referred to as "protected information survey") that reveals any of the following information without written consent of a parent:

1. Political affiliations or beliefs of the student or the student's parent.
2. Mental or psychological problems of the student or the student's family.
3. Sex behavior or attitudes.
4. Illegal, antisocial, self-incriminating or demeaning behavior.
5. Critical appraisals of other individuals with whom respondents have close family relationships.
6. Legally recognized privileged or analogous relationships, such as those of lawyers, physicians and ministers.
7. Religious practices, affiliations or beliefs of the student or the student's parent.
8. Income other than those required by law to determine eligibility for participation in a program or for receiving financial assistance under such program.

Notice and Opportunity to Opt Out

In accordance with law, parents will receive prior notice and an opportunity to opt a student out of:

1. Any other protected information survey, as defined above, regardless of the funding source.
2. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent and not necessary to protect the immediate health and safety of a student, or any physical exam or screening permitted or required under state law, except for hearing, vision or scoliosis screenings.
3. Activities involving the collection, disclosure or use of personal information obtained from students for marketing, selling or otherwise distributing information to others.

The district will directly notify parents at the beginning of the school year of the specific or approximate dates during the school year when the above-listed activities will occur or are expected to be scheduled.

Notification of Policy and Privacy

In accordance with law, parents will be directly notified of this policy at least annually at the beginning of the school year and within a reasonable period of time after any substantive change in the policy.

The district will take measures to protect the identification and privacy of the students participating in a protected information survey, regardless of the source of funding. These measures may include limiting access to the completed surveys and the survey results as allowed by law. All student educational records will be protected in accordance with law and Board policy JO.

The provisions of this policy applicable to parents will transfer to a student who is 18 years old or emancipated.

The Board of Education issues this prohibition in a sincere appeal to all employees, students and patrons to cooperate in helping to create within our facilities a truly healthy environment for all concerned.

WEAPONS IN SCHOOL POLICY

The Board recognized the importance of preserving a safe educational environment for students, employees and patrons of the district. In order to maintain the safety of the educational community, the district will strictly enforce the necessary disciplinary consequences resulting from the use of possession of weapons on school grounds, buses or at school activities.

A weapon is defined to mean one or more of the following:

1. A firearm as defined in 18 U.S.C. 921.
2. Any device defined in 571.101, RSMo, including a blackjack, concealable firearm, firearm, firearm silencer, explosive weapon, gas gun, knife, knuckles, machine gun, projectile weapon, rifle, shotgun, spring gun or switchblade knife.
3. Any instrument or device customarily used for attack or defense against an opponent, adversary or victim, or any instrument or device used to inflict physical injury or harm to another person.

In accordance with federal law, any student who brings or possesses a firearm as defined in 18 U.S.C. 921 or a device as defined in Section 571.010, RSMo, on school property or at any school activity will be suspended from school for at least one calendar year or expelled and will be referred to the appropriate legal authorities. The superintendent to the Board of Education may modify the suspension or expulsion on a case-by-case basis upon recommendation. Students who use or possess other weapons defined in this policy will be subject to suspension and/or expulsion from school and may be referred to the appropriate legal authorities.

This policy shall not be construed to prohibit the Board from allowing a Civil War re-enactor to carry a Civil War era weapon on school property for educational purposes so long as the firearm is unloaded. In addition, exception to this policy shall be allowed for the instruction of hunter education courses sponsored by the Missouri Department of Conservation and taught by licensed hunter education instructors, since firearm use and safety instruction is part of the Agricultural Science Conservation class curriculum, and since FFA members participate in shooting sports and/or trapshooting events sponsored by the local and area FFA organizations.

Guest speakers, hunter education instructors and agriculture instructors use firearms in classroom presentations. Firearms for this purpose are kept at school only as long as needed for the class, or they must be locked in the closet in the agricultural education office until the firearm is taken off of the school grounds.

This policy will be submitted annually to the State Department of Elementary and Secondary Education along with a report indicating any suspensions or expulsions resulting from the possession or use of a firearm as defined in 18 U.S.C.921. The report will include the name of the school in which the incidents occurred, the number of students suspended or expelled and the types of weapons involved.
