

Students of the Month

Seniors

<p>Joel Gochez</p> <p>Joel makes teaching fun. He approaches each day with a joy of learning and a professionalism that few do. He is articulate, humble, and loves class regardless of the subject.</p> <p>Mr. Crum</p>	<p>Dreasy Stenzel</p> <p>Dreasy is an absolute joy to have in class. She works hard and cares about her work. Outside of class, she is friendly and is always smiling. I appreciate her positive attitude!</p> <p>Mrs. Johnson</p>
--	--

Juniors

<p>Michael Willems</p> <p>Michael is such a positive student. He works well with anyone in any group. He pays great attention in class and often catches mistakes that I make on the board. He comes to class prepared with his homework completed each week as well. Michael really adds so much to our math community.</p> <p>Mrs. Hutchison</p>	<p>Kyana Quintero</p> <p>Kyana is a pleasure to have in class. She is kind, conscientious, works hard and follows through. She is not afraid to challenge herself with advanced level classes.</p> <p>Mr. Taroli/Mr. Crum</p>
--	---

Sophomores

<p>Cole Lannen</p> <p>Cole is doing great work in Algebra 2. He comes prepared to class each day with his assignment complete. Cole pays attention, is an outstanding member of his group, always helping others with questions and giving thoughtful responses to questions I have posed to the class.</p> <p>Mrs. Hutchison</p>	<p>Hannah Tranby</p> <p>Hannah is an outstanding member of our math community. She comes prepared to class with all of her work completed daily. She pays great attention to detail and she tries all of the most difficult problems. Hannah also helps others in her group.</p> <p>Mrs. Hutchison</p>
---	--

Freshman

<p>Kody Jackson</p> <p>Kody comes to class every day eager to learn and participate. He works hard and is very respectful to his peers and to myself. He adds a lot of value to our class and is a pleasure to teach.</p> <p>Mrs. Medley</p>	<p>Penny Howe</p> <p>Penny is an exemplary student in my biology class. She finds joy in many activities outside of school, and remains an active member of our class. I am impressed with how engaged and curious she is, even after the long hours/days that go into being a student athlete. Penny shows resilience, passion for learning, and is a model for what it means to be a student here at Mountain View.</p> <p>Mr. Nichols</p>
