

Ridgemont Local Schools
Request to Participate in Credit Flexibility Program

Student and Parent Agreement

Please read the following statements. Your signature at the bottom of the page affirms that you have read the statements and you agree with the statements.

1. I have read the Credit Flexibility Guidelines for Ridgemont High School and agree to abide by the guidelines.
2. I have discussed my proposal with my parents/guardian and have permission to participate in the Ridgemont Credit Flexibility Program as indicated by signatures below.
3. I have determined and documented the ways in which my learning will be evaluated within the application.
4. I understand I will be receiving a grade for my work through credit flexibility and that the grade will appear on my transcript and may effect grade point average just as it would in a traditional course.
5. I may not “drop” a credit flex course after the drop date listed in the RHS course description handbook without approval from the principal. I understand that this may result in “withdraw/failing” being recorded on my transcript.
6. Academic honesty rules and the RHS Student Code of Conduct rules apply just as they do in a traditional course.
7. I am not to be in the building during times that I am not scheduled for a traditional class unless I have a scheduled appointment with teachers, counselors, or administrators regarding my credit flex course.
8. I know that it is my responsibility to complete the learning work and to check in with the guidance office on a regular basis to keep them informed of my progress.
9. I am responsible for meeting graduation requirements.
10. I am responsible for maintaining my academic eligibility for extra-curricular activities and will check in with the Principal at the end of the grading period to report on my progress.
11. There are specific regulations governing academic eligibility for NCAA Division I and Division II schools. I have reviewed those guidelines and am aware of eligibility issues that may arise from participating in a credit flex course OR I certify that academic eligibility for NCAA Division I or Division II schools is not relevant to my future plans and I waive my right to have them explained to me.
