Student Internet Use Agreement

The St. James Parish School Board believes that the benefits to students from access to the Internet, in the form of information resources and opportunities for collaboration, far exceed any disadvantages of access.

Student: As a student, I understand and will abide by the Internet Acceptable Use Policy. I further understand that any violation of the regulations is unethical and may constitute a criminal offense. Should I commit any violation, my access privileges may be revoked, school and school district disciplinary action may be taken, and/or appropriate legal action.

Parent/Guardian: As the parent or guardian of the student named above, I have read the Internet Acceptable Use Policy. I understand that this access is designed for educational purposes. The St. James Parish School System has taken precautions to eliminate controversial materials. However, I also recognize that with the global nature of the Internet it is impossible for the St. James Parish School System to restrict access to all controversial materials, or even be aware of them, and I will not hold them responsible for materials acquired on the network. Further, I accept full responsibility for supervision if and when my child's use is not in a school setting. I hereby give permission for my child to use the Internet and certify that the information contained on this form is correct.

Student G-Suite Account: I give permission for St. James Parish Schools to create and maintain a G-Suite for Education account for my child. Google Meet: A Web-Based Video Conferencing App: I give permission for my child to participate in teacher lead Google Meet sessions as needed for "virtual" learning or support. Google Meet is a web-based video conferencing app that will allow teachers to hold live "virtual" class sessions with my child to provide assistance on assignments or for class discussions, and questioning and answering. When participating in a Google Meet, student will be expected to follow all St. James Parish School Board Policies including dress code, behavior and attendance policies. By signing the G-Suite consent, I am giving consent for my child to use Google meet for virtual classroom instruction and assistance.
