

2025 After School Programming

Looking for a unique, non-competitive, highly interactive, STEAM after school experience for where they can experience history hands-on?

During the four week session, children ages 7-10 will be able to explore the exhibits, handle various historical artifacts, and enjoy hands-on historical activities with our educators such as:

- Hand crafting your own herbal tea blend
- Carding wool
- Candle-dipping, and more!

Dates and Activities: On the following Tuesdays, 4:00pm-6:00pm

February 4th: Pomander Balls

Create your own pomander ball as you learn the history of making fragrances.

February 11th: The History of Tea

Use the herbs that American colonists had in their gardens to craft your own herbal tea.

February 25th: Mock Archeology Dig

See if you can find artifacts such as musket balls and arrowheads in our mock dig site while understanding how real artifacts are discovered.

March 11th: Growing Up on Long Island

Children will be making candles and carding wool to understand what it is like to be a child in the American colonies.
