

## Study Guide for Chapter 9-Map Skills

**Vocabulary:** relative location, physical characteristic, human characteristics, cardinal directions, intermediate directions, compass rose, and map scale.

Label a compass rose with cardinal and intermediate directions

Use cardinal directions to answer questions about relative location. Ex: Nebraska is \_\_\_\_\_ of Ohio.

Use intermediate directions to answer questions about relative location. Ex: New Mexico is \_\_\_\_\_ of Michigan.

Absolute location is found with latitude and longitude.

Use map scale to answer questions about relative location. Ex: Columbus is \_\_\_\_\_ miles of Marietta.

Use map scale and cardinal and intermediate directions together to answer questions about relative location. Ex: Toledo is located \_\_\_\_\_ miles \_\_\_\_\_ of Marietta.
