Dear Parent(s) or Guardian(s),

Students in Mrs. Eubanks's Science classes will be taking their Environmental Science Test on Monday, March 12<sup>th</sup> & Wednesday, March 14<sup>th</sup>. The topics that will be covered are found in his/her binder. They have multiple notes, worksheets, labs/activities & vocabulary, as well as a review packet that will be graded on March 9<sup>th</sup>. We will review in class, as well. They may also use their book as a resource. The information in our book will be found here:

- Chapter 5: Lessons 1 & 3
- Chapter 6: Lessons 1 & 3
- Chapter 9: Lesson 1

I have conveyed to my kids that they should already be studying for this test. Beginning today, please sign for each day that your child has studied for at LEAST the required amount of time. If you have any questions, please let me know!

This paper is due back to me by class time on Wednesday, March 14<sup>th</sup> as it will count for 1-3% of their test grade. You should know that I do NOT expect you to study with your child. You are welcome to do so, but it is NOT expected.

This sheet is for at HOME study time. It is not acceptable for your child to tell you he/she studied at school. Thank you so much for your continued support of your child's academic success.

Mrs. Eubanks
