A Content Substitute certificate is for individuals wishing to substitute teach in the K-12 classroom setting (elementary, middle/high school content areas, special education, art, music, PE, etc.). A Content Substitute certificate may be granted to an individual who has completed a minimum of 60 semester hours of credit from a regionally accredited, academic degreegranting, college or university. Verification of these hours must be provided with an original transcript sent to DESE from each institution the applicant has attended. A certificate may also be granted to an individual who completes a DESE approved 20-hour online course that can be found at <a href="https://www.dese.mo.gov">www.dese.mo.gov</a>. All applicants must first apply online with DESE <a href="https://www.dese.mo.gov">www.dese.mo.gov</a> for a substitute certificate to set up a profile.

Missouri law requires school districts to perform an FBI background check on "any person employed after January 1, 2005, authorized to have contact with pupils." DESE requires the applicant make an appointment as per instruction on the attached FBI/Highway Patrol Background Form to submit fingerprints. You will need to check your online profile through DESE Web Applications to see when it clears.

After applying for your substitute certificate online with DESE and beginning the fingerprint/background clearance procedure, you must apply with the Festus R-VI School District. The application and all forms should be returned to the Central Office along with a copy of your ID's for immigration and naturalization purposes (please refer to the List of Acceptable Documents for the I-9 form). Copies of these items may be made at the Central Office when the applicant returns the application and forms. Each substitute teacher applicant's name will be submitted to the Board of Education for approval.

Each applicant **must** attend an orientation conducted by the Assistant Superintendent. The one-hour orientation is held at the Roy D. Burnside Administration Building. You can call 636-937-4920 or email Lynn Stanley at <a href="mailto:stanleylynn@festusedu.com">stanleylynn@festusedu.com</a> to schedule your appointment.

Substitute teachers may only substitute a maximum of 129 hours a month with the exception of long term positions. Substitutes are paid \$90 per day for individuals that hold a valid MO Teacher Certificate and \$85 per day for individuals with a MO Substitute Teacher Certificate. The hourly rate for a paraprofessional substitute is \$11/hour with a 25-minute non-paid lunch. The daily rate will vary depending on the number of hours required.

YOU WILL NOT BE PUT ON THE SUBSTITUTE LIST UNTIL YOU HAVE EVERYTHING COMPLETED: Application, Copy of Sub Certificate/Teaching Certificate, Background Check, Copies of IDs, Direct Deposit, I-9, W-4, Board approval, and have attended an orientation meeting.

(Revised 8/5/2021)

#### **DESE Substitute Certificate Processes**

A **Content Substitute** certificate is for individuals wishing to substitute teach in the K-12 classroom setting (elementary, middle/high school content areas, special education, art, music, PE, etc.). A **Content Substitute** certificate may be granted to an individual who has completed a minimum of 60 semester hours of credit from a regionally accredited, academic degree-granting, college or university. Verification of these hours must be provided with an original transcript from each institution the applicant has attended.

Individuals with valid Missouri teaching certificates who wish to substitute teach in a school district are no longer required by DESE to apply for a substitute certificate. This includes individuals who hold an initial professional, career continuous professional, lifetime, student services, administration, provisional, and/or temporary certificate. There are restrictions on the number of hours a retired teacher may substitute teach. If, at any time, the educator allows his/her teaching certificate to expire, then a substitute certificate would be required.

A four-digit registration code is required to ensure that the results of the background check are returned to the correct organization for processing. Please see the following charts for the appropriate registration codes.

# Important Notice from the Missouri State Highway Patrol Concerning Your Fingerprint-Based Background Check

As an applicant who is the subject of a state and/or national fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for a job or license, an immigration or naturalization matter, security clearance, or adoption), you are hereby notified that by providing your fingerprints to the Missouri State Highway Patrol or IdentoGo<sup>®</sup>, the Missouri Fingerprint Services vendor, you agree to the following:

- Your fingerprints will be used to check the criminal history record files of the Missouri State Highway Patrol (MSHP) and/or the Federal Bureau of Investigation (FBI).
- Any criminal history information returned as a result of this search will be made available to requestors pursuant to Chapter 43 RSMo.
- All information, including your fingerprints, photograph, and any demographic data collected during the course of your fingerprint-based record check may be stored in MSHP and/or FBI files.
- Such data will be subject to comparisons against other submissions received by the MSHP and/or the FBI and to further disseminations by the MSHP or the FBI as may be authorized under the Federal Privacy Act (5USC 552a(b)) or Missouri Revised Statutes.
- Any future updates made to your arrest record may also be shared with the agency requesting this fingerprint-based background check if the requesting agency is a subscriber to the state and/or federal Rap Back program.

Questions about this notice should be directed to the Missouri State Highway Patrol Criminal Justice Information Services Division at 573-526-6153 or by email at machs@mshp.dps.mo.gov.

## NONCRIMINAL JUSTICE APPLICANT'S PRIVACY RIGHTS

As an applicant who is the subject of a national fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for employment or a license, an immigration or naturalization matter, security clearance, or adoption), you have certain rights which are discussed below. All notices must be provided to you in writing. 1 These obligations are pursuant to the Privacy Act of 1974, Title 5, United States Code (U.S.C.) Section 552a, and Title 28 Code of Federal Regulations (CFR), 50.12, among other authorities.

- You must be provided an adequate written FBI Privacy Act Statement (dated 2013 or later) when you submit your fingerprints and associated personal information. This Privacy Act Statement must explain the authority for collecting your fingerprints and associated information and whether your fingerprints and associated information will be searched, shared, or retained.2
- You must be advised in writing of the procedures for obtaining a change, correction, or update of your FBI criminal history record as set forth at 28 CFR 16.34.
- You must be provided the opportunity to complete or challenge the accuracy of the information in your FBI criminal history record (if you have such a record).
- If you have a criminal history record, you should be afforded a reasonable amount of time
  to correct or complete the record (or decline to do so) before the officials deny you the
  employment, license, or other benefit based on information in the FBI criminal history
  record.
- If agency policy permits, the officials may provide you with a copy of your FBI criminal
  history record for review and possible challenge. If agency policy does not permit it to
  provide you a copy of the record, you may obtain a copy of the record by submitting
  fingerprints and a fee to the FBI. Information regarding this process may be obtained at
  https://www.fbi.gov/services/cjis/identity-history-summary-checks and
  https://www.edo.cjis.gov.
- If you decide to challenge the accuracy or completeness of your FBI criminal history record, you should send your challenge to the agency that contributed the questioned information to the FBI. Alternatively, you may send your challenge directly to the FBI by submitting a request via <a href="https://www.edo.cjis.gov">https://www.edo.cjis.gov</a>. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenged entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30 through 16.34.)
- You have the right to expect that officials receiving the results of the criminal history record
  check will use it only for authorized purposes and will not retain or disseminate it in
  violation of federal statute, regulation or executive order, or rule, procedure or standard
  established by the National Crime Prevention and Privacy Compact Council.3

Form W-4 (2022) Page **2** 

## **General Instructions**

Section references are to the Internal Revenue Code.

### **Future Developments**

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to www.irs.gov/FormW4.

#### **Purpose of Form**

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

**Exemption from withholding.** You may claim exemption from withholding for 2022 if you meet both of the following conditions: you had no federal income tax liability in 2021 and you expect to have no federal income tax liability in 2022. You had no federal income tax liability in 2021 if (1) your total tax on line 24 on your 2021 Form 1040 or 1040-SR is zero (or less than the sum of lines 27a, 28, 29, and 30), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2022 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 15, 2023.

Your privacy. If you prefer to limit information provided in Steps 2 through 4, use the online estimator, which will also increase accuracy.

As an alternative to the estimator: if you have concerns with Step 2(c), you may choose Step 2(b); if you have concerns with Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c). If this is the only job in your household, you may instead check the box in Step 2(c), which will increase your withholding and significantly reduce your paycheck (often by thousands of dollars over the year).

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

- 1. Expect to work only part of the year;
- Have dividend or capital gain income, or are subject to additional taxes, such as Additional Medicare Tax;
- 3. Have self-employment income (see below); or
- 4. Prefer the most accurate withholding for multiple job situations.

**Self-employment.** Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

**Nonresident alien.** If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

## **Specific Instructions**

**Step 1(c).** Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

**Step 2.** Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

If you (and your spouse) have a total of only two jobs, you may instead check the box in option (c). The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is roughly accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include other tax credits for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

#### Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2022 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay each pay period, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

## Step 2(b) - Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job.

**Note:** If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at www.irs.gov/W4App.

1	<b>Two jobs.</b> If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, <b>skip</b> to line 3	1	\$
2	<b>Three jobs.</b> If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.		
	a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a	2a	\$
	b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b	2b	\$
	c Add the amounts from lines 2a and 2b and enter the result on line 2c	2c	\$
3	Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc	3	
4	<b>Divide</b> the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in <b>Step 4(c)</b> of Form W-4 for the highest paying job (along with any other additional amount you want withheld)	4	\$
	Step 4(b) – Deductions Worksheet (Keep for your records.)		4
1	Enter an estimate of your 2022 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income	1	\$
2	Enter:   • \$25,900 if you're married filing jointly or qualifying widow(er) • \$19,400 if you're head of household • \$12,950 if you're single or married filing separately	2	\$
3	If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-"	3	\$
4	Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information	4	\$
5	Add lines 3 and 4. Enter the result here and in Step 4(b) of Form W-4	5	\$

## Instructions

You may deposit and divide your paycheck into a maximum of two (2) bank accounts, as follows:

**Primary Account**: This account will automatically receive your entire paycheck, less any amount you have directed to be deposited in the *Fixed Amount Account*.

**Fix Amount Account**: You may designate a fixed dollar amount to be deposited into this account with each paycheck. This amount will stay the same, even if your paycheck amount changes. Usage of this account is optional.

**Example**: Suppose your paycheck is \$500 and you usually deposit it in your checking account. You decide that you want to take \$50 out of each paycheck and deposit it into a savings account. For direct deposit, you would indicate that \$50 is to be deposited into the <u>Fixed Amount Account</u>. The remainder, or \$450, would be automatically deposited into the <u>Primary</u> (checking) account.
