SLAM
Summer of Laughs, Adventures and More

Hello Bloomington!

I am honored to have been chosen to be your next Director of Community Education! In my professional career, I have always looked at Bloomington as a location I aspired to someday be a part of. Through this process, I cannot express enough how impressed I have been with the programs, staff and administration that I have had the opportunity to work with. I am excited to get started on April 1st. In the meantime, I am wrapping up my career as the Director of Community Education and Athletics and Activities Director in Cannon Falls, about 45 minutes south of Bloomington.

Jake Winchell
Executive Director

Originally, I received a business degree from Gustavus Adolphus College. It was not long after graduation that I realized I wanted to work in education. Soon after, I began my career in Community Education and received my licensure and a Master's Degree from Minnesota State-Moorhead.

I hope you take some time to look into all the great opportunities Bloomington Community Education has to offer, try something new and bring a friend! As always, we want to be sure we are providing our community with relevant, rewarding and fun experiences. Lastly, I hope you may consider serving on our Advisory Council that helps guide us along our journey.

I hope to have the chance to see you at one of our many offerings sometime soon!

Noteables

This is the first year we have combined our summer catalog with the SLAM Camp catalog. This new catalog combination will be your go-to guide for summer programming in Bloomington Public Schools. Here you will find valuable information about Early Learning Services programming, including how to register for fall 2020 ECFE classes. You will also find all the listings for our summer Youth and Adult Enrichment classes, as well as summer swimming lessons.

On page 33, you will find the listings for our SLAM Camps. SLAM Camps (Summer of Laughs, Adventures, and More) is your go-to, week-long summer camp program. We are sure you will find the right camp for your child.

Also in this catalog, you will find information about summer child care options. Whether you are looking for all day child care or just a half day option, we have it covered.

Lastly, information regarding summer musicals, the GRASP program, summer Galaxy, summer Driver's Education, and Camp Invention are in this catalog. There's a lot going on for Bloomington families to participate in this summer. Sign up and join the fun!

Mission Statement

The mission of Bloomington Community Education is to provide engaging high-quality lifelong learning opportunities that enrich the lives of our diverse community.

Community Education Advisory Council

Interested in learning more about what's going on in the community? Would you like to be involved in a group that supports programming from our youngest learners to adult enrichment classes? We would like to hear from you! The CEAC meets for 1 1/2 hours, five times during the school year. We are looking for members to provide input and have a voice in our programming, our services and to help guide the future of Bloomington Community Education. Are you looking to volunteer? If this sounds interesting to you, please contact the Community Education office at 952-681-6103.

School Board Members

Beth Beebe, Tom Bennett, Nelly Korman, Mia Olson, Jim Sorum, Heather Starks, and Dawn Steigau

School Board meetings take place on the second and fourth Monday of each month at 7 p.m. Meetings are held in the Arlene Bush Board Room at the Educational Services Center, 1350 West 106th Street, Bloomington, MN. (Exception: If a holiday falls on a Monday, the Board session will be on Tuesday.) The third Monday of the month is reserved for a study session, a board meeting or a combination thereof at 7 p.m. unless determined otherwise.

Early Learning Services Registration

Information on Early Learning Services starts on page 5 in this catalog. You will find classes designed for all stages of early learning. Early Childhood Family Education provides classes for both children and parents/caregivers. Preschool classes are available to prepare your child for kindergarten.

Youth and Adult Class Registration

In this catalog you will find Youth and Adult Enrichment classes. Whether you are looking for a class to enhance your child's experience in our after school Kids' SAFARI program or are looking to get your children involved in non-competitive sports, we offer a fantastic array of youth classes. For adults, our classes can help you get your mind and body in shape, teach you to express yourself through arts and crafts, or provide sound financial advice. To get started, take a look through this catalog and pick your class. The next step is to register. **You can register for classes five ways:**

- Call us at 952-681-6132 and we can register you by phone.
- Stop by our office at 2575 West 88th Street, Suite 200, and we can register you in person.
- Mail in the registration form from this catalog, along with your check or credit card information.
- Fax the filled out registration form to 952-681-6101.
- Register online at <https://bloomington.ce.eleyo.com>.

Financial Assistance

Bloomington Community Education recognizes that some of our families may need financial assistance to participate in our classes. That's why we offer financial assistance for our Youth and Adult Enrichment classes, our Swim classes, coupons to use for children in Kids' SAFARI, and a sliding fee scale for ECFE classes and Preschool classes.

Here's how you can obtain financial assistance:

- For Youth and Adult Enrichment classes, please send an email to mglynn@isd271.org or call 952-681-6108 and request a financial aid form.
- For Swim classes, send an email to thetland@isd271.org or call 952-681-6113.
- For ECFE classes and Preschool classes, use the sliding fee scale to determine what you will pay for the class. Call 952-681-6200 for more information.

Education Foundation of Bloomington

The Education Foundation of Bloomington provides financial support for our financial assistance program for Youth Enrichment classes. Their continued support and generous donation ensures that more students receive needed financial assistance to participate in Bloomington Youth Enrichment classes. We thank them for their support and contribution to Bloomington Community Education!

Cancellations

Adults

Customer-initiated cancellations received within 5 or more business days prior to the start of the class will qualify for a refund minus a non-refundable \$10 processing fee, per person, for each class cancelled. Cancellations made less than 5 business days prior to the start date of the class will not be eligible for a refund. There are no refunds issued after the class has begun. Remember, if you are unable to attend a class, you can notify us and send another adult to take your place. Community Education reserves the right to cancel any class that does not meet the minimum enrollment. You will be contacted and complete refunds will be given when this occurs.

Youth

Registration is due prior to the start of class. Cancellations received within 5 or more business days prior to the start of the class will qualify for a refund minus a non-refundable \$10 processing fee, per child, per class. Cancellations made less than 5 business days prior to the start date of the class will not be eligible for a refund. There are no refunds issued after the class has begun. There are no make-ups for missed classes by the student. Community Education may cancel a class due to low enrollment. A parent or guardian will be contacted in the event a class is cancelled.

Vouchers

Vouchers will be issued for cancellations by Community Education due to inclement weather. This will apply to multi-session classes only, where a make-up date cannot be set. Check or credit card refunds will no longer be given. Vouchers are limited to the same type and price of class. Examples of a class cancellation where a participant would receive a voucher: Swimming Lessons, Piano Lessons, Fitness Classes.

Registration Notes

Adults with disabilities who need a sign language interpreter, note taker or other accommodations to participate in Community Education classes should call Learning Exchange at 952-681-6121 or email jclarke@isd271.org at least 10 business days prior to the start of class.

Class confirmations are only sent to those who enroll in classes online. You will receive an immediate receipt/confirmation message. For all other registrations, assume you are in the class unless you hear from us.

Adult classes have a minimum age requirement of 16 years or older (unless otherwise indicated).

Financial aid is available for low income youth and adults. Call 952-681-6108 for more information.

In the event of bad weather, you will receive either a call, email, or text from Bloomington Community Education if classes are cancelled.

UCare MN members may take a discount of up to \$15 on most classes. If class is less than \$15, members may take the class free of charge. Members must be on UCare at the time of registration and need to include their member ID number on the registration. Some limitations may apply. Participants must register by phone, mail, or in person to receive discount.

Your privacy is important to us. The registration information you provide to Bloomington Community Education is considered private data under state and federal law. We use the information you provide for the purposes of administering the activity and to contact you about upcoming activities. While you may choose to withhold this information, there may be consequences that could limit the distribution of information to the participant (e.g. no team roster or class confirmation.) Access to contact information is limited to individuals involved in the activity.

Unless you notify Bloomington Community Education, photos and videos taken within Bloomington Community Education classes, programs and activities may be included in Community Education publications in print and online.

Don't forget to share your cell phone number with us. We can now text you when classes cancel, but only if we know your cell number!

Update your user profile in Eleyo to include your cell phone number and click on "can receive SMS." We will only text you in case of last minute class cancellations.

Help us keep you informed by being able to receive our texts!

New Registration System

The Bloomington Activity Centers are using a new registration system for members. All members should have created their account by February 1st. If you haven't done so, please check at the Activity Center desk for assistance. This new membership system will allow you to:

- Track your visits in your account
- Renew your membership online
- Receive Activity Center schedules and weather closing information via email

Activity Centers

Bloomington Public Schools operate two activity centers: one at Jefferson High School and one at Kennedy High School. These centers are available on a membership basis, which gives you use of the fitness facilities and community locker rooms during non-school hours. Each center offers 5 gym courts, an indoor walking/running track, free weights, weight machines, and cardio equipment. Discounts on Community Education Fitness classes are part of your membership. Contact the Jefferson or Kennedy main desks for more information.

Reimbursement forms are available at both membership desks. When signing up for reimbursement programs, please have your health insurance card and a voided check with you.

New Summer Class - Boot Camp

This 10 week outdoor HIIT (High Intensity Interval Training) class gives you the opportunity to get in a great workout while enjoying the outdoors. The class will consist of workouts designed to increase your cardio, improve muscle tone, and burn those pesky calories using mostly your own body weight. Whether you want to start your fitness journey or if you are looking to up the ante of your fitness routine, this is the perfect class for you!

This class will be held at Kennedy on Tuesdays and Jefferson on Thursdays and will take place on the turf or soccer fields.

Class runs at Kennedy on Tuesdays, June 16 - Aug. 18, 9 - 10 a.m. and at Jefferson on Thursdays, June 18 - Aug. 20, 9 - 10 a.m. Cost: \$189.00. Call 952-681-6132 to register.

Facility Reservations

School buildings are available for use by the community during non-school hours and are great locations for group activities and meetings. There are 19 different buildings, available with various amenities to fit your needs. We offer convenient locations and fair rental prices. Have a special event coming up or planning a meeting and need a large space? Take a look to see what we have to offer. Contact our facility staff: rbellinger@isd271.org or mlarson@isd271.org to learn more.

Early Learners

Early Childhood Screening

Early Childhood Screening is a free program in Minnesota that checks how a child is developing and growing. Included are vision and hearing tests, as well as screening for development, health and other factors that may affect your child's growth. Screening is FREE and should be completed as soon as possible after your child's 3rd birthday. Call: 952-681-6200.

Early Learning Services

Early Learning Services is a Four-Star Parent-Aware rated program encompassing Early Childhood Family Education (ECFE), Early Childhood Screening, and Preschool programming for three-year-olds and four-year-olds. Programming is located at Pond Center and Southwood Center offering both ECFE and preschool classes, as well as preschool programming at four of Bloomington Public Schools elementary schools: Valley View Elementary, Washburn Elementary, Indian Mounds Elementary and Oak Grove Elementary. For more information call 952-681-6200.

Early Learners Academy

Early Learners Academy is a Four-Star Parent-Aware rated, all-day early

education program for children ages 3-5 that focuses on child care and preparing students for kindergarten. The Academy is housed within four Bloomington Public Schools award-winning elementary schools. All sites are open from 6:30 a.m. to 6 p.m.

- **Hillcrest Community School:** Five-day program
- **Normandale Hills Elementary School:** Five-day program
- **Poplar Bridge Elementary School:** Five-day program
- **Westwood Elementary School:** Two-, three-, and five-day programs. For more information call 952-681-6128.

Early Childhood Family Education: ECFE

Early Childhood Family Education (ECFE) is based on the belief that parents provide their child's first and most significant learning environment; parents/caregivers are children's first and most enduring teachers. ECFE works to support you as a parent/caregiver to strengthen and empower families. ECFE is an opportunity to meet other parents and learn about parenting with licensed parent educators. Children learn valuable play skills while playing with other children. These play skills are grounded in educational standards and taught by licensed early childhood teachers. The classes are for children and their parent(s)/caregiver(s) who are newborn through age 5.

ECFE class descriptions 2020-2021

For a detailed schedule, go to: bloomingtonschools.org/startnow

Baby Beginnings: Birth - 12 months

Whether this is your first child or 3rd, baby classes are for you!

Our infant classroom is designed with you and your baby in mind. Come in comfortable clothes ready to sing and play with your baby along with meeting other parents/caregivers with children the same age. The teacher will provide support and research-based materials that will help lay a foundation for your child's development. Topics will focus on social emotional, language, and motor just to name a few of the developmental areas. Sleep, nutrition and self-care are often discussed weekly.

This is a non-separating class.

Movers: One-Year-Olds

They never stop, and you never stop during this 2nd year of life!

Our licensed teachers are ready and excited to share in that passion for learning. Toys and activities are provided to help learning occur; on the move! Classroom staff, who move at the pace of young children and understand how to create learning that is age appropriate, are ready with short, large group times, simple songs, bubbles, and low shelves so toddlers can learn independently. All areas of development will be taught whether through classroom design or direct teaching. As children are ready, a parent educator will spend time with parents talking about the many developmental pieces of raising a one-year-old.

This is a gradual separation class.

Step into Preschool:

Is your child not yet old enough for 3-year-old preschool?

Step into Preschool is designed for children who turn 3 between September 1, 2020- May 1, 2021.

Children will get a taste of what preschool is like in this class. A licensed teacher will provide opportunities for children to work on social, language and literacy skills through read alouds, conversation and singing with friends and adults other than their caregivers. Playtime in the motor room and gym will all be included throughout the day as well.

This class will meet September-May.

Explorers: Two-Year-Olds

If there is something to learn a two-year-old will find it!

Two-year-olds are not babies anymore and they are not preschoolers yet. They are taking on new challenges everyday and classroom staff are ready and prepared for all the adventures. New words, new friends, new feelings are all part of the two-year-old's experience at school. Classrooms are set up for discovery across all domains of learning. While parents are in class with a parent educator discussing tantrums, toilet learning and cognitive growth, classroom staff provide direct teaching using age appropriate classroom materials.

This is a gradual separation class.

Play & Learn: Birth to 5 years

Our Play & Learn classes are designed to give you focused time with your child. Classrooms are set up for discovery and hands-on learning. A licensed early childhood teacher will plan developmental activities, sing songs, and read stories that you and your child can enjoy together. Your child will also have time to run, jump, slide and crawl in our motor room.

This is a non-separating class.

What if Bloomington Public Schools are closed or have an early release?

Early Learning Services will also be closed (ECFE, Screening and Preschool). There are no refunds for cancelled classes due to weather or emergencies.

Early Childhood Special Education

While all children grow at their own rate, some children experience delays in their development. Special health conditions may also affect children's development. Early Childhood Special Education (ECSE) offers (at no cost to families) information, support and referral services that may help a child and family. ECSE provides free special education services, including special education teacher support, occupational therapy, physical therapy, and/or speech and language therapy, to children from ages birth to kindergarten. These services can be provided in a variety of settings including in your home, in a school-based early childhood program, or in community-based childcare. Children are eligible for Early Childhood Special Education through a special education evaluation.

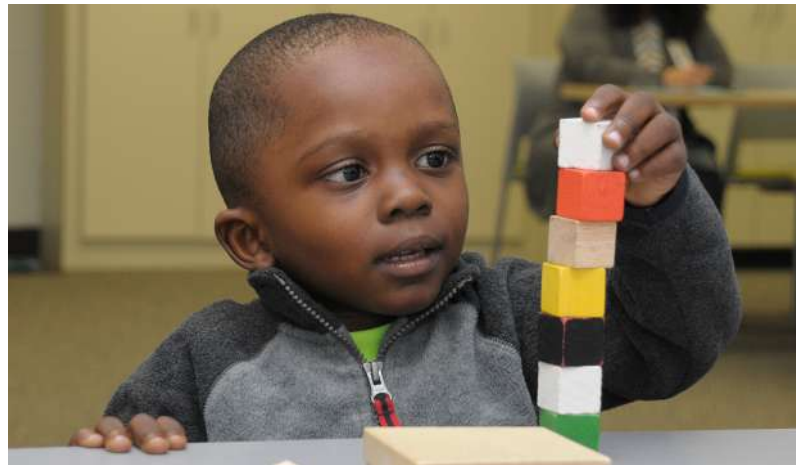

Do you have concerns about your child's development?

HELP ME GROW

- Help Me Grow provides resources for families to understand developmental milestones and learn if there are concerns. This helps families take the lead in seeking additional support or referring their child for a comprehensive, confidential screening or evaluation at no cost. Services Facebook page.

Early Childhood Screening

Your child will be screened in these important developmental areas:

- Preschool Concepts
- Communication Skills
- Motor Skills
- Social Skills

What age should my child be screened?

The screening is most valuable when completed as soon as possible after the child's third birthday, but must be completed before the child enters kindergarten.

Wish Upon A Ballet - Ages 3-6

Ages 3-6 This is a dance program for children that incorporates popular children's stories, as well as ballet stories to create a dance class that is more than ballet steps. Using musical instruments, parachutes and scarves, they will create a complete fairy tale experience while they skip, leap, jump and spin. This way, an introduction to the movements and vocabulary of ballet are taught in a fun and creative manner. Stories and songs are always entertaining and preschool-friendly. Children will learn an appreciation of dance and music, while developing strength and flexibility. Parents, family and friends will be invited to a special performance at the end of the session. Come join the fun! Children should wear comfortable clothes and ballet shoes.

Junior Summer Musical - The Adventures of Dr. Dolittle

Gr. 3-8 The 2020 Summer Junior Musical is *The Adventures of Dr. Dolittle*. "Who would have believed that animals have their own side of things?" The classic tale of kindness to animals trots, crawls and flies onto the stage in *The Adventures of Dr. Dolittle*. All of the characters we've come to love through the stories of Hugh Lofting are given new life in the stage version of one very special doctor with a deep understanding and love of animals; when he finds he is able to speak with them. This one moment of comprehension is a light that carries John Dolittle, M.D., from one adventure to the next. Rehearsals are Monday - Thursday, 8:30 a.m. - 12:30 p.m., June 15 - 18, June 22 - 25, June 29 - July 2**, July 6 - 9, July 13 - 15. Oak Grove Middle School Auditorium and music room. **There are 3 performances, Thursday, July 16 at 7:00 p.m., and Friday, July 17 at 2:00 p.m. and 7:00 p.m.** There is a mandatory parent meeting on the first day of rehearsal. Information on auditions will be given out at that time. Please note - there is not a formal audition for this show. All students registered will have a part in the performance. **A minimum of 25 students is needed to run this class!** For questions, contact mglynn@isd271.org. Produced by Homeward Bound Theatre Company, featuring a new director this year. This is a Community Theater production. **Details for rehearsals the week of June 29 - July 2 will be given out at the mandatory parent meeting on the first day of rehearsal (June 15). Rehearsals will be light this week due to the upcoming holiday.

Financial Assistance

A limited number of financial assistance scholarships are available for Youth Enrichment Program participants. Funds must be used to offset fees for a qualifying Bloomington Community Education class. Certain classes are exempt including Kids' SAFARI, ELA, Preschool, ECFE, Open Swim/Lap Swim, and Driver's Education. Students must be enrolled in a Bloomington public or

private school. A child may receive a reduction in fees for no more than one class per child, per quarter, or up to 4 times per year, July 1- June 30, for a maximum amount of \$200 per fiscal year or until fee assistance funds are no longer available. For information about financial assistance, call 952-681-6108 or email mglynn@isd271.org.

Education Foundation of Bloomington

provides financial support for our financial assistance program. Their continued support and generous donation ensures that more students receive needed financial assistance to participate in Bloomington Youth Enrichment programs.

Little Swimmer - 4 to 5 years old

Requirements for signing your child up for this level:

- Recommended participation in a recent Parent & Child Class
- Toilet trained
- Able to listen and follow directions for 30 minutes
- Child will be okay without parent or guardian in the pool
- Able to hold onto wall for 30 minutes

These classes provide children with their first pool experience without parental assistance in a safe, fun, and positive learning environment. The primary objective of the Little Swimmers Class is to promote developmentally appropriate learning of fundamental water safety and aquatic skills. Instructors help children adapt to the pool and learn how to move independently through the water. Three class level descriptions listed for each level.

Little Swimmer - Level A: Beginner Swimmer

This level orients children to the aquatic environment and helps them gain basic aquatic skills (with assistance) by: • Enter and exit water safely by using ladder • Blow bubbles • Submerge mouth, nose and eyes • Front and back glides • Float on front and back • Swim on front and back using arms and legs • Water safety topics

Aqua Zumba

Known as the Zumba “pool party”, Aqua Zumba gives new meaning to the idea of an invigorating workout. Splashing, stretching, twisting, even shouting and laughing are often heard during a class. Integrating the Zumba formula and philosophy with traditional aqua fitness disciplines, Aqua Zumba blends it all together into a safe, challenging, water-based workout that’s cardio-conditioning, body toning and most of all fun! It is not your typical aerobics class. You will dance in the water at your own speed. Aqua Zumba is exercise in disguise. Registration is required for this class (water fitness cards will not be accepted). Minimum: 8 Maximum: 20

Driver's Education

Bloomington Community Education partners with A+ Driving School to offer two driver's education class options:

Option one:

A package of classroom instruction, plus behind the wheel training. Cost: \$395. A \$70 fee is paid to Bloomington Community Education when registering for the class. The additional \$325 is paid directly to A+ Driving School. Students pay \$85 in class to receive their Blue Card. The Blue card is needed to take the permit test. Then 3 payments of \$80 each is paid to A+ Driving School when taking behind the wheel lessons.

Option two:

Behind the wheel training only. This class is for students who have taken classroom instruction as part of their high school curriculum. Cost: \$295. A \$35 processing non-refundable, non-transferable fee is paid to Bloomington Community Education when registering for the lessons. The additional \$260 is paid directly to A+ Driving School when taking behind the wheel lessons.

Students must be 14 1/2 years of age to take driver's education classes. Option one registration can be done online at bloomington.ce.eleyo.com, by phone at 952-681-6111, by mail, or in person at the Bloomington Community Education office.

Print and fill out the registration form on our website at bloomingtonschools.org. Click on Community Education, then K-12, then Driver Education.

Adult Learners

Adult Enrichment

Bloomington Community Education offers classes for adults to continue their life long learning skills. Learn to create your own art, plan for retirement, or take one of our popular fitness classes - these classes and more are available to anyone over the age of 16.

In addition to the certified and professional instructors who teach our classes, we also have members of the community teach many of our classes. Do you have a hobby, craft, or skill you would like to share? Give our Enrichment Coordinator a call at 952-681-6108 for a class proposal.

Metro South Adult Basic Education

Metro South is a consortium of the Bloomington, Eden Prairie, Edina, and Richfield School Districts. The program exists to serve the needs of adult learners who wish to improve their English skills or work toward their GED or Adult Diploma. Since 1979, Metro South has provided educational opportunities to nearly 3,000 adults annually. For more information call: 952-681-6170.

Learning Exchange

Learning Exchange offers a wide variety of classes for adults with disabilities. Classes are open to

residents of Bloomington, Eden Prairie, Edina, and Richfield. Learning Exchange classes are for disabled adults, 18 years-old and older. For more information call: 952-681-6121.

Volunteers

Metro South Volunteers play a vital role in helping adult learners enrolled in Metro South Adult Basic Education. For more information call: 952-681-6109.

CHOICE

CHOICE Alternative High School serves students age 17-21 who have fallen behind in high school or dropped out, but want to return to complete a high school education. Here you can attend high school in a way that better fits your needs. For more information call: 952-681-6172.

Artistic Endeavors

Acrylic Pouring 2.0

Come see what the latest craze is about and experience the magical world of fluid acrylics and pouring medium! Version 2.0 brings different tools and techniques than previous classes. No experience required to learn how to create the same beautiful abstract canvases you see on Pinterest. Instead of paint brushes we will use a variety of tools to create our works of art including sink strainers, plastic bottles and pull chains. You will create 2 paintings on 8x8" canvases and a box will be provided to transport them home.

Grade

Registration programs use the child's grade for the fall of 2020.

Location:

Camps are primarily located at:

Olson Middle School
4551 W 102nd Street
Bloomington, MN 55437

Transportation is NOT provided for SLAM camps. Participants must be dropped off and picked up from the camp location by 9:00 a.m. and 12:30 p.m. and picked up promptly at the front of the school at 12:00 p.m. and 3:30 p.m. Late fees apply. Those needing child care before or after SLAM camps may sign up for Extended Care. See page 53.

Attendance:

Attendance will be taken in SLAM camps. You will NOT be notified if your child is absent from a camp unless you specifically request this information. All children must meet in their SLAM classroom for attendance before going to their activity site.

Parent Participation:

Some camps let parents attend the last day of camp to see what was accomplished during the week. Please ask your instructor about last day parent participation.

Sickness Policy

This policy has been put into place to protect your child(ren) and the other participants in the program. Please use common sense when deciding to send your child to one of our programs. If in doubt, please do not send them.

Please do not send your child to our programs if your child has:

- Had a temperature of 100 degrees or more within the past 24 hours.
- Had a communicable illness such as strep throat, pink eye, chicken pox, measles, etc... unless they have been on antibiotics for longer than 24 hours or past the doctor's recommended exclusion period.
- Lice, unless they have been treated and no longer have any nits or eggs visible.
- Vomited within the last 24 hours.

If we discover that one of the above has occurred or the child becomes sick while at one of our programs, you will be asked to make arrangements to pick the participant up immediately.

Concussion Policy

A concussion is a brain injury. Concussions are caused by a bump or blow to the head. Even a "ding," "getting your bell rung," or what seems to be a mild bump or blow to the head can be serious. You can't see a concussion. Signs and symptoms of a concussion can show up right after the injury or may not appear or be noticed until days or weeks after the injury. If your child reports any symptoms of concussion, or if you notice the symptoms yourself, seek medical attention right away and please contact the SLAM office to notify us of the injury.

Please refer to the Centers for Disease Control and Prevention website for more information: www.cdc.gov/concussion/pdf/parents_Eng.pdf.

Lost and Found

Please label your child's belongings with both first and last name. This includes things such as sweatshirts, water bottles, sunscreen, swim suits and beach towels. Items without names will remain at the program site until the end of the SLAM program.

Severe Weather Policy:

SLAM will hold camps indoors if it is an extremely rainy day. If severe weather approaches, children will take shelter in the designated severe weather shelter.

Disability and/or Medical Support

Bloomington Community Education actively supports and welcomes people with disabilities and/or medical conditions* to participate in our programs at no additional cost to the participant. If your child would like to participate in a Bloomington SLAM program and you feel assistance is needed, please follow the steps below:

1. Select YES on the registration form that states the participant has a disability and/or medical condition* and needs support.
2. Contact the Inclusion Liaison at 952-681-6105/6120 to request an Inclusion Information Form.
3. After we receive the registration form and Inclusion Information Form, you will be contacted by staff for more information and to establish an inclusion plan, if needed.

Please note: Accommodations can potentially take up to two weeks to put into place after all forms are received. SLAM reserves the right to delay enrollment due to processing registration, the need to increase staffing or to gather additional information about the participant.

Questions?

If you have any questions about Inclusion Services offered by the ISD 271 SLAM program, please contact the Inclusion Liaison at 952-681-6105/6120.

*Some medical conditions may require Inclusion Services due to the intensity of the need and/or the medical equipment that will need to be utilized (needles, vials, etc.). Due to liability concerns and safety of participants, Inclusion Services must be provided even if the participant is self-sufficient with this type of equipment. Inclusion Services will provide monitoring and guidance if the participant is self-sufficient. If not self-sufficient, Inclusion Services will provide the full support needed.

Fee Assistance

Limited fee assistance is available for SLAM camps at Olson Middle School based on qualification criteria. Partial assistance may be awarded for one camp per child, per quarter, or until fees are unavailable.

Assistance is available to qualifying Bloomington households. Email mglynn@ISD271.org for the application. Applicants must apply before registering for programs. It may take up to two weeks to process your application.

Chess Fun in the Sun!

Instructor: Veronica Harrison

Learn new skills that are not covered during our after school chess clubs. Work on the five elements of chess, and two new chess openings! We'll also work on end-game theory and practice new end-game scenarios and tactics. New players will learn piece movement, attacking strategies, notation lessons, and game play. All lessons are taught for every student to succeed in their playing skills, both on and off the board! Prizes will be awarded to ALL players at the end of the week. We'll also have other outside and inside activities throughout the week. Please make sure to bring a rocket garage (shoe box) on Monday for the rocket kit. Launch time will be 2:30pm on Friday! Pack a nut-free lunch and we'll head outside for a picnic every day, weather permitting. Don't forget the sunscreen. Note: This is a full-day class.

Coding in Scratch 3.0: Basic Games

Instructor: Engineering for Kids, Mpls

Scratch 3.0 has landed, so stay ahead of the curve with this introduction camp. In Coding in Scratch 3.0: Basic Games, campers will learn the fundamentals of computer programming by seeing how to build their own games. Coding theory is taught through practical tasks, so campers don't just learn how computer code works; they learn why it's done that way. Jumpy Monkey shows them how to simulate gravity in their games, or they can give Dog's Dinner a try to learn about collision detection. What's more, this new version of Scratch will also let you code and play games on tablets and play the games you create on your smart phones! Bring a water bottle and nut-free snack to camp daily.

Coding in Scratch 3.0: More Projects (Projects II)

Instructor: Engineering for Kids, Mpls

Scratch 3.0 has landed, so stay ahead of the curve with more projects in this camp. In Coding with Scratch 3.0: More Projects, campers will get familiar with Scratch 3.0 as difficult coding concepts become fun and easy to understand. Make a Dino Dance Party or create your own electronic birthday cards. Build games, simulations, and mind-bending graphics as you discover the awesome things computer programmers can do with Scratch 3.0. This camp will give students a solid understanding of programming to prepare them to create their own projects from Scratch, and even move on to more complex programming languages like Python. What's more, this new version of Scratch will let you code and play games on tablets, and play the games you create on your smart phone. Bring a water bottle and nut-free snack to camp.

Computer Building with Minecraft

Instructor: Engineering for Kids, Mpls

Learn how to build a computer, and prepare your kids for a lifetime of building technology! Build - Program - Play! As campers build and progress through the games, they develop both technical skills and approaches that lead to inventive solutions. Engineering for Kids will coach campers through this learning system which teaches hardware engineering and programming through a combination of an engaging storyline, physical building, and the Raspberry Pi Edition of Minecraft.

****Campers will not be taking home the computers they build.**

Junior Coding and Video Games with Scratch

Instructor: Youth Enrichment League

STEM video game enrichment for the 21st Century learner! Each coding camp follows four basic components: *Teach It! Students learn different video game and storytelling techniques (movement, blocks, control blocks, basic animation, adding scores, etc.) *Code It! Students use Scratch® to code their own story and video game. *Explore It! Students can write their own story and video game code, experiment and test new options. Our collaborative learning environment encourages students to learn from each other. *Keep It! Students keep their stories and video games online with Scratch® and can access it and expand on it anytime. Scratch® is an MIT created and monitored, kid-safe web interface. It uses a drag and drop programming interface to teach.

Junior Summer Musical The Adventures of Dr. Dolittle

Gr. 3-8 The 2020 Summer Junior Musical is *The Adventures of Dr. Dolittle*. "Who would have believed that animals have their own side of things?" The classic tale of kindness to animals trots, crawls and flies onto the stage in *The Adventures of Dr. Dolittle*.

All of the characters we've come to love through the stories of Hugh Lofting are given new life in the stage version of one very special doctor with a deep understanding and love of animals; when he finds he is able to speak with them. This one moment of comprehension is a light that carries John Dolittle, M.D., from one adventure to the next.

Rehearsals are Monday - Thursday, 8:30 a.m. - 12:30 p.m., June 15 - 18, June 22 - 25, June 29 - July 2**, July 6 - 9, July 13 - 15. Oak Grove Middle School Auditorium and music room.

There are 3 performances, Thursday, July 16 at 7:00 p.m., and Friday, July 17 at 2:00 p.m. and 7:00 p.m.

There is a mandatory parent meeting on the first day of

rehearsal. Information on auditions will be given out at that time. Please note - there is not a formal audition for this show. All students registered will have a part. **A minimum of 25 students is needed to run this class!** For questions, contact mglynn@isd271.org.

Produced by Homeward Bound Theatre Company featuring a new director this year. **Details for rehearsals the week of June 29 - July 2 will be given out at the mandatory parent meeting. Rehearsals will be light this week due to the upcoming holiday.

GRASP

Looking for a way to keep your child's math and reading skills sharp over the summer? Try GRASP!

GRASP is a nine-week correspondence program for grades K-8 that helps students maintain reading and math skills while they are on summer vacation. Each lesson is constructed to reinforce or reteach typical basic skills generally found in most curricula at a particular grade level. An online version is also available for grades 4-8; but you cannot do both.

One lesson per subject is completed each week for nine weeks.

Each lesson should take approximately one hour per week to complete.

Completed lessons are mailed to a scoring center in the envelopes provided. The lessons are scored, results recorded and returned to the student. Online students will receive feedback immediately.

Students successfully completing at least 7 lessons (70% accuracy) are awarded a certificate. Those successfully completing all 9 lessons will receive a medal soon after Labor Day.

Instruction sheets found in each packet provide all the necessary information to complete each lesson. The online version will be emailed.

Students attending elementary grades at Bloomington Public Schools will have materials sent home with them the last week of school. Middle school and all others will be mailed in early June.

We suggest parents order the grade level just completed. If your child is working at a different grade level, please order the most appropriate grade level.

To register online: visit our registration site at www.bloomington.ce.eleyo.com

Camp SAFARI

Camp SAFARI is a full-day school-age child care program for youth entering kindergarten through sixth grade. The philosophy of Camp SAFARI is to lead children to discover friendship, independence and confidence through art, music, sports, drama and recreational activities. The staff and program facilitates a warm and secure environment for channeling children's energy and meeting their individual needs.

Camp SAFARI is located in the comforts of air conditioning at Poplar Bridge Elementary, Ridgeview Elementary and Indian Mounds Elementary. Olson Middle School is a Summit SAFARI site. A breakfast snack, afternoon snack and fun weekly field trips are included in your tuition.

Camp SAFARI offers convenient registration options. Visit www.kidssafari.org to learn more.

Dates: Wednesday, June 10 - Friday, August 14
(closed Friday, July 3)

Times: 6:30 a.m. to 6:00 p.m.

Fees: Starting at \$41 per day for consistent schedule

To register: visit www.kidssafari.org beginning March 11. Please call 952-681-6128 or email kidssafari.org.

Last day for schedule changes is May 8, 2020. Camp SAFARI has limited space and may fill at any time.

Super SAFARI

This extension of Camp/Summit SAFARI is designed to meet the needs of families looking for a few more days of care after Camp/Summit SAFARI ends and before school begins. Each day, we will go on an extended field trip from approximately 10:00 a.m. to 4:00 p.m. Therefore, drop-off must be between 8:30 a.m. - 10:00 a.m. and pick-up needs to be between 4:00 p.m. - 5:30 p.m. Dropping off or picking up at field trip locations is not allowed. Please note, Super SAFARI closes promptly at 5:30 p.m. and late pick up fees apply.

Super SAFARI will operate at four different sites, based on the Camp/Summit SAFARI location your child attended over the summer. Those registering for Super SAFARI must have attended Camp or Summit SAFARI over the summer and attend their assigned location. Changing to another site is not an option.

Dates: Monday, August 17 - Wednesday, August 19

Times: 8:30 a.m. - 5:30 p.m.

Sites: Poplar Bridge Elementary, Indian Mounds Elementary, Ridgeview Elementary & Olson Middle School.

Fees: \$150 per child non-refundable payment in full due upon registration approval. No payment plans available for this program. Registration must be for all three days.

To register: registration begins March 11 at www.kidssafari.org. Registrations are accepted on a first-come, first-served basis with a maximum of 75 children per site. No refunds will be given for Super SAFARI cancellations.

Summit SAFARI

If your child (entering grades 5 & 6) loves Camp SAFARI, but feels they are ready for something new, we have the perfect solution. Introducing Summit SAFARI! This exciting program takes your favorite parts of Camp SAFARI and combines them with fresh opportunities. Students will: participate in new and challenging field trips, have more age-appropriate choices, engage in leadership opportunities, and get involved with additional programming such as cooking, physical/wellness activities, team building, mentorship, community service, and so much more!

Summit SAFARI is the perfect program for students preparing to attend middle school. Participants will gain independence, connect with their community, and feel empowered, all while having a fun summer experience.

Summit SAFARI is located at Olson Middle School and is open to children entering grades 5 and 6. A breakfast snack, afternoon snack, and all programming (including field trips and special events) are included in your tuition.

Please note, for the 2020 summer, children entering grades 5 and 6 have a choice to register for Camp SAFARI or Summit SAFARI.

For registration options, please visit www.kidssafari.org.
