(Each session \$75/student)

FILM: 9:00am-11:30am

The Art of Filmmaking

For students entering grades 6-8

Learn how to create your own short film in a week long film camp! Begin by brainstorming ideas and thinking about narrative structure and the hero's journey. Then, create a shot list and storyboard to plan your film. Once students are ready, they will use Communication Arts CTE equipment to film their own movie while also learning how to set up lighting and sound. In addition to filming, students will market their movies with a poster and some basic photoshop techniques. Finally, films will be assembled with Adobe Premiere and students who feel they are ready can learn some basic editing transitions and effects as well. In the end, students will come away with their own short film to share with friends and family!

Taught by Mr. Nicholas (LHS)

ART: 12:30pm-3:00pm

Printaganza!!!

For students entering grades 2-8

Join me in making lots of fun and exciting prints using a variety of techniques. Gel plate printing, relief printing, screenprinting, stenciling, stamping, and more! We will create copies of your artwork on paper, fabric tote bags, t-shirts and more!

Taught by Mrs. Matott (LHS)
