3. Attached is a summer assignment for you to complete. **DO NOT WAIT UNTIL THE LAST MINUTE TO COMPLETE IT!!!!** Pull up the website that is listed at the top of the page. Read the chapter information and then answer the questions. Do this for each chapter listed in your handout. On p. 7 of this packet is information for ear training work to also complete this summer. Each exercise has a website to go to. Once you have completed the ear training exercise select “Show Progress Report on each exercise.” By doing this you will get a verification code.
