

## Summer Assignments 2020

In preparation for the 2020-2021 school year, the following three Cambridge courses have summer assignments:

- 1) CIE Math Probability & Statistics AS
- 2) CIE Math Probability & Statistics A
- 3) CIE Psychology A (this is only for students who did not complete Q4 remote learning project)

If you requested these courses during registration earlier this year, you should have already received a Canvas invitation from Mr. Cross (AS Math) or Ms. Hobbins (A Math). If you did not receive this invite, please reach out to your teacher. Their emails are [james.cross@cms.k12.nc.us](mailto:james.cross@cms.k12.nc.us) and [heathers.hobbins@cms.k12.nc.us](mailto:heathers.hobbins@cms.k12.nc.us).

Finally, if you completed AS Psychology during the 2019-2020 school year and plan to take A Psychology in the 2020-2021 school year, you will need to make sure that you have completed the Quarter 4 psychology project assigned during the regular school year. If you did not complete this during the fourth quarter of remote learning, this will need to be completed before returning in the fall. Any questions regarding A-level Psychology should be directed to Mr. George. His email address is [aaron.george@cms.k12.nc.us](mailto:aaron.george@cms.k12.nc.us).

If you register for any of these 3 courses (AS Math, A Math, or A Psychology) over the summer, please reach out to the teacher of the course to get the needed information to complete your summer assignments.

These are the only Cambridge courses that have summer assignments. If you are not planning to take any of these 3 courses, please disregard this notice.

Summer assignment teacher contact information:

AS Math: James Cross – [james.cross@cms.k12.nc.us](mailto:james.cross@cms.k12.nc.us)

A Math: Heather Hobbins – [heathers.hobbins@cms.k12.nc.us](mailto:heathers.hobbins@cms.k12.nc.us)

A Psychology: Aaron George – [aaron.george@cms.k12.nc.us](mailto:aaron.george@cms.k12.nc.us)
